LOCALS AND PERSONALS

J. P. Nielsen, a ranchman of the Orlando neighborhood, this week finishes a contract for putting up hay on Nels Worley's ranch west of Alliance. While in town last Saturday, Mr. Nielsen called at The Herald office and ordered his name on our subscription list.

H. W. Hartman of Lewellen, one of Garden county's real estate and live stock men, was in Alliance on land business Tuesday and Wednesday. While here he ordered his name placed on The Herald's subscription list.

D. J. Fogle drove up to Alliance yesterday from Reno with a load of household goods. He has rented a house in Dunham's addition in which Mrs. Fogle and son will reside during the fall and winter while the latter attends school. Mr. Fogle will make them an occasional visit.

Mr. and Mrs. J. A. Jones and son of Plattsmouth, stopped off in Alliance Monday on their way to Hot Springs. They are visiting at the home of Mrs. Jones' uncle, Elias Miller, and will remain in this city a few days. They are making a vacation trip. They will be accompanied from here to Hot Springs by Mr. and Mrs. Miller.

Elder and Mrs. Frank Allan Woten of Palmer, Nebraska, have been in Alliance since last Friday. Elder Woten is a minister of the Christian church and held services in the court house last Sunday morning and evening. A meeting is to be held this evening at which it will be decided whether their denomination will erect a church building in Alliance and also whether they will have a regular minister.

There was printed in a recent issue of The Herald a paper on the subject, "In Union Is Strength," which was read at a union meeting of the ladies' aid societies. The paper was credited to Mrs. Bignell, which we are informed was a mistake, as it was written and read by Miss Ethel Johnson.

Miss Ethel Rowley who has been employed as dining room girl for E. A. Bellinger for the past two months, left for Alliance Saturday for a two weeks' visit with her parents.—Morris Mail, Aug. 30.

Misses Ola and Nellie Cronnes left Friday night for their home in Lincoln, after having visited a few days in Alliance at the home of their sister, Mrs. Ed. Stern.

Miss Anna Meyers of Lincoln who had been visiting friends and relatives in Alliance for a couple of weeks, left for her home in the capital city last Friday night. While in Alliance she was the guest of Mr. and Mrs. K. J. Stern, the former being her uncle.

Hon. J. B. Strasburger of Stras-

burger, Nebraska, came over to Alliance last Friday on legal business, accompanied by W. S. Hardison, Miss Roadster, Miss Geigley, and Mrs. Van Arsdale of Galesburg, Ill. Miss Geigley has been a teacher in the Chicago schools and we understand that she will homestead a section of Sheridan county land.

F. J. Was, assistant cashier of the First National Bank, returned Monday from his vacation trip. While away he visited Omaha, Chicago, Milwaukee and Northern Wisconsin, and on his return stopped at his old home, Panama, Nebraska. He informs The Herald that crops are immense in states which he visited. Southern Iowa, which he crossed on the Burlington, has a fine crop of small grain, while the part of Illinois that he passed thru seemed to be almost a solid corn field.

Clarence Holmes met with what was a near fatal accident on Monday of this week. He was assisting in raising E. I. Gregg's barn at 711 Big Horn, using jack-screws for that purpose. A hole had to be dug in the ground to permit the using of the tools necessary to raise the barn. Holmes was in the pit turning the jack-screw when the barn slipped over toward him. The sill of the barn struck him across the neck and pinned him to the ground. Just as this occurred, J. J. Vance and another man drove up on a dray. They rushed to his assistance and vainly tried to raise the barn by means of planks. This they were unable to do, but another man coming around the barn with a spade in his hand, quickly dug away enough of the earth to release the victim of the accident. Mr. Holmes was taken home and a physician summoned. While he was badly injured, no bones were broken and it is thought that he will soon recover from the effects of the accident.

Mrs. Mary Shane went to Oshkosh last Friday afternoon for a visit with her sister, Mrs. J. C. Foster. She is expected to be gone two or three weeks.

J. R. Spacht and P. I. Beach went to Hot Springs on 41 Sunday morning, returning that evening on 42. They report having had a very enjoyable time.

Ruth Morris returned from Denver last Sunday where she had been visiting for a few days.

Miss Elsie Robinson, daughter of W. M. Robinson, returned to her home at Omaha Sunday. She has been spending the summer in this part of the state.

Mr. and Mrs. E. M. Fry and son arrived in Alliance last Saturday morning for a visit of about ten days. Mrs. Fry is a daughter of Uncle Hiram Wilson, which fact will insure them a cordial welcome from his many friends as well as from

relatives. They expect to leave about the middle of next week.

C. Kaufman of St. Louis, a brother of Dave Kaufman, arrived in Alliance Tuesday morning for a visit of about two weeks. This is his first trip to this part of the west. He seemed to be well pleased with the country and expressed a very good opinion of this city. Our readers will notice the difference in the spelling of the name Kaufman. This is caused by what we might term the evolution of a name. One of the brothers preferred to spell his name with one f, while the other preferred to spell his with two.

L. K. Cravath of St. Charles, Minnesota, came to Alliance on business last week. After arriving here he learned that his brother, M. D. Cravath of Grayson, Sheridan county, was in the hospital for treatment, having been kicked by a horse and seriously injured a few days previous to the Minnesota man's arrival.

Rev. Titus Lang left this morning for a trip thru Sioux county as far as Harrison and from there to Fort Robinson before returning home. He will be gone over Sunday and will hold German Lutheran services at several points along the road. He will make the trip with horse and buggy. In his absence his brother, Rev. O. L. Lang, will preach at Immanuel German Lutheran church next Sunday.

Last week an item was handed us concerning Elder F. A. Woten, the Christian minister who held services in the court house last Sunday morning and evening, but the name was misspelled in the copy, the same being spelled Maben instead of Woten.

The Bennett Piano company has sold a new electric piano player to H. F. Thiele, which he has installed in his drug store. This takes the place of the one he formerly had.

Last Thursday evening Mrs. K. J. Stern was the hostess at a party given in honor of her sisters, Misses Ola and Nellie Cronnes, and her niece, Miss Anna Meyers. About twenty young people were present. A luncheon was served by Mrs. Stern which was pronounced excellent by all those who had the pleasure of partaking of it. Numerous games were played, after which the guests departed for their homes each one thanking the hostess for a very pleasant evening.

Miss Pearl Hale of Alliance came over to Gordon last Sunday with the Jake Fritz auto load, and visited here this week.—Gordon Journal, Aug. 30.

Miss Minnie Highland and Miss Vivian Holloway will leave Saturday night for a ten days' visit in Broken Bow.

C. H. Richey, after making three attempts to drive to Alliance in his automobile, and breaking down every time, deserted the ornery thing, as he called it, and went to Alliance on No. 44 Tuesday, returning Wednesday packing a new tire and other repairs.

Ora Phillips claims he made the record run from Minutaur Monday morning. The car in which he made this run was a Ford Model T that has been run 30,000 miles. The engine was started at 7 o'clock Monday morning, filled with lubricating oil, gasoline, and the radiator full of water. The engine was not stopped nor was there any water, gasoline or lubricating oil put in the car until he reached Marston at 11 o'clock. The trip was made across the country by Malinda, Heart ranch and Lawn. The distance is 90 miles.

Rev. D. W. Montgomery, pastor evangelist of the Presbyterian churches in Northwestern Nebraska, informs The Herald that the Board of Home Missions of his church has been cooperating with the summer schools of several universities and other organizations, the plan being to put the rural minister into intelligent touch with his own problems and also to widen his vision with reference to the church as a whole. Rev. Montgomery attended the summer school of the University of Wisconsin, at Madison, Wisconsin. He said he listened to lectures on subjects not only ordinarily recognized as religious, but also such practical subjects as alfalfa, inoculation of the soil, thoroughbred stock, poultry houses, care of sewage, etc. In the summer school of this new order it is recognized that a man must look after his religious duties with reference to soil as well as to souls. Persons who may wish more information in regard to this subject can obtain the same by applying to Rev. Montgomery.

GERMAN LUTHERAN MISSION FESTIVAL

Sermons in Three Languages, German, English and Scandinavian, September 15

A CORDIAL WELCOME TO ALL

One week from next Sunday, on September 15th, Immanuel's Lutheran congregation will celebrate its annual mission festival. There will be two services, the one in the German language in the forenoon commencing at 10:30 o'clock, and the other in the English language conducted by Rev. H. Gudmundsen of Hazard, Neb., commencing at 2:30 o'clock. During this service Rev. Gudmundsen will also deliver a Scandinavian address.

Offerings will be taken in both services for the benefit of missions conducted by the Lutheran church, principally for the benefit of the Lutheran home mission department, by which the Lutheran congregation of this city is still being supported. Besides, the Lutheran church carries on extensive missions in various foreign countries, in India, Australia, China, New Zealand, South America and in the West India Islands, all of which are financed by free-will gifts of its members.

Since Rev. Gudmundsen, the English and Scandinavian speaker at the mission festival, is not entirely a stranger in this country, having for a number of years been in charge of Northwestern Lutheran missions in North-western Nebraska, residing at Hemingford, and since he is known to many as a good speaker, it is expected that a good crowd will attend. All our friends in German, English and Scandinavian, are cordially invited to be with us on that day. TITUS LANG, Pastor.

MINISTERS VS. 1st TEAM

Preachers and Teachers Play Better Ball than Rivals and Win by Decisive Score

HEAVY HITTING A FEATURE

Last Monday afternoon a crowd gathered at the fair grounds east of town to witness the first team give the teachers and preachers a decisive trimming, but alas and alack, some times the best laid plans miscarry. Anyway when the last half of the ninth was over the first team was at the short end of the score. The final count was 12 to 20. Lowry, who pitched for the winning team, was in good form and at no time was he in danger of losing his game. Clemens, one of the instructors in the High school, led in the slugging, getting a hit each time at bat. He also played first base accepting several difficult chances without an error. Rev. White, pastor of the Baptist church, also did some heavy hitting, getting two three base hits, each bringing in scores.

Following is the batting order and positions played:

Ministers	First team
Baker c	Morris 3d
Lowry p	Duke c
Spacht 3d	Broughton ss
Witte of	Atwell 1st
Beach 2d	Jansa of
Godfrey lf	Hamilton rf
Brown rf	Zediker ss p
Clements 1st	Rae 2d
Lamon ss	Sievens ss p
	Schafer lf

Score by Innings
Ministers 2 0 5 6 1 0 2 1 3
First Team 4 1 2 2 2 1 0 0 0

LARGE ATTENDANCE AT ALLIANCE SCHOOLS

Supt. W. R. Pate Gives Notice of Enforcement of Compulsory Attendance Law

RECORD ATTENDANCE AT H. S.

The Alliance city schools opened Monday morning with an unusually large enrollment. There are in the High school up to today 137, the largest number ever enrolled this early in the term. The attendance in the grades is somewhat larger than last year. There will still be quite a number of pupils to enter on account of some being out on ranches with their parents during the summer and not having yet come in, and also on account of the State Fair which is being held this week. It is expected that the High school enrollment by the last of next week will be not less than 150.

School work began this year with a splendid corps of teachers, but we learn that there will be one change which many patrons of the schools will regret. Miss Lulu E. Wirt, head of the Latin and German department, has been elected to the position of critic teacher in the Kearney State Normal. While her many friends will be pleased to learn of her promotion, on her account, they will also regret very much to lose her from the Alliance schools.

Superintendent W. R. Pate wishes to call the attention of patrons to the compulsory attendance law of Nebraska and hands us the following notice to publish:

Notice of Enforcement of Compulsory Attendance Law

For the benefit of parents who may not be familiar with the Compulsory Attendance law, we quote the following from the School Laws of Nebraska: "In City and Metropolitan City school districts every person residing within such school district who has legal or actual charge or control of any child or children or youth not less than seven nor more than sixteen years of age shall cause such child or children or youth to attend the public day school for the FULL period each year in which the public day schools of such school district are in session. The portion of this act requiring attendance at the public day school shall not apply in any case where the child or youth is, for a time equal to the time required in this act, instructed in some private or parochial school.

"Any person or persons guilty of violating any portion of this act shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall pay a fine of not less than five dollars nor more than twenty-five dollars."

Furthermore, the child labor law provides, in substance, that whoever employs a child under sixteen years of age, or who ever, having charge of a child under sixteen years of age, permits such child to be employed during the time that the public schools are in session, shall, upon conviction thereof, be fined not to exceed fifty dollars for each offense.

Notice is hereby given that the provisions of the Compulsory Attendance law will be strictly enforced by the school authorities.

W. R. PATE,
Supt. City Schools.

Doctor Bellwood, of Alliance, was a Hyannis visitor, professionally, Monday of this week, and also spent a few hours socially, he and The Tribune editor being raised in the same neighborhood in Illinois at the same time.—Hyannis Tribune, Aug. 29.
