The following taken from the Denver Post will be of interest to Mr. Bracken's many friends here. "Word has been received in Denver from the executive offices of the Burlington railroad in Chicago of the promotion of E. P. Bracken, a well known railroad man. Mr. Bracken was appointed general manager of the Burlington lines east of the Missouri River and will have his headquarters in Chicago. He formerly was the general superintendent of the Wyoming Division and had his headquarters in Alliance, Nebr. His appointment took effect Sept. 1."

DEATH OF HARRY CALDER

Obituary of Brother of Carter Calder of Alliance

The Edgemont Enterprise of last Friday prints the following beautiful obituary of Harry Calder, brother of Carter Calder of this city: "Early last Saturday morning occurred the death of Harry Calder of this city, after an illness of several months, the end coming after a manly fight against tuberculosis. Although it was generally known that his condition was serious, his death came as a shock to his many friends. Funeral services were conducted by Rev. Emil Dietrich at the Congregational church at 2 o'clock, Monday, and interment made in the Edgemont cemetery.

Harry Calder was born in this city July 23, 1859, died August 24, 1912, age 53 years, 1 month and 1 day. At an early age he began work in the Edgemont Express office, afterward working in the Pioneer-Times office at Deadwood, and in Kansas City and St. Joe. Prior to his return here last April he was employed in the Tribune office at Fremont, Neb., for several months. He leaves a father and mother, Mr. and Mrs. J. R. Calder, two brothers, Carter Calder of Alliance and Fred Calder of Greeley, Colo., and a sister, Mrs. F. S. Miner of Kansas City, Mo., to mourn his death.

Words fail to express the heartfelt sympathy which the people of Edgemont have felt at the death of this young man. Ever industrious; ever of a cheerful mind and heart; always willing to do a good deed and to speak a kind word might sum up in a nut shell way the character of this young man who has passed from us. Places of those just gone must in time be supplied, but time the healer of all wounds—must intervene in this home and community ere the vacant chair and vacant place be filled and the wounded hearts be calmed.

"Leaves have their time to fall, And flowers to wither at the north-wind's breath, And stars to set—but all, Thou hast all seasons for thine own, O Death!"

CULLED FOR BUSY READERS

The annual session of the West Nebraska conference of the M. E. church will be held at Scottsbluff, six days, commencing Tuesday, September 10. A large attendance is expected at the conference. Scotts Bluff county is the northwest corner county of the conference. Other cities that competed for the honor of entertaining this session were Hastings, Broken Bow, Lexington and North Loup. Capt. W. R. Akers, so well and favorably known in Alliance, is credited with having secured the recognition of Scottsbluff.

The Dawes county fair will open at Chadron next Tuesday, Sept. 10, and continue four days, till Friday. They claim they are going to have the biggest time ever. The attractions will include aeroplane, carnival, races, etc.

Vern Walburn and Harry Barrett were passengers to Alliance Wednesday. Vern went to have his broken leg examined. It was doing nicely until a week ago when it commenced swelling and now has gathered where it was broken until they had to cut the cast in one place. We all hope that it will not prove very serious as Vern has had his share of troubles for one summer anyway. —Morrill Mail.

The Flynn-Johnson fight pictures at the auditorium Tuesday night was a counter attraction to the pipe organ recital at the Congregational church. Judging from the limited attendance at the recital the fight pictures must hold greater attractions for many North Dakotians. Naturally it is very elevating to both the mind and morals to see a big colored brute "wallop" an equally brutal white. There is a national law—but what's the use? Dollars seem to be the only thing worth while. —Norfolk Press.

LOG ROLLING AT CRAWFORD

Modern Woodmen of America Vs. Royal Neighbors Give Public Celebration

A log rolling, public celebration and race meet will be held at Crawford, Nebraska, October 1 and 2, to which all Modern Woodmen and Royal Neighbors are cordially invited. This celebration will last two days. A. R. Talbot, head consul of the M. W. A., will be present and will give a public address. Ex-Governor Shallenberger is expected to also be present. There will be all kinds of races, including horse, hurdle, hippodrome and chariot, also sports of all kinds. On the first day a prize of \$25 will be given to the lodge having the largest number of members in the parade. All camps should call meetings at once and make arrangements for a delegation to attend. For any information write R. N. Hamilton, secretary of the M. W. A., Crawford, Nebraska.

WILL LEAVE US TEMPORARILY

"Mr. and Mrs. W. A. Coleman, of Alliance have rented rooms in the basement of the Feldbahn Hotel. Mr. Coleman is a carpenter by trade and expects to work here this summer." The above item is taken from the Hay Springs News of last Friday. Mr. and Mrs. Coleman's many friends in Alliance will be pleased to learn that their absence from this city is only temporary.

BELATED BIRTH NOTICE

Sometimes when a news item is inadvertently omitted from the first issue of the paper after the occurrence, no mention is made of it afterwards. But occasionally there is an item omitted that deserves to be mentioned in a later issue. The Herald's job department recently printed some beautiful birth announcements containing the following which we should have printed sooner: "Charles Oscar O'Bannon, August 5, 1912. Mr. and Mrs. O. O. O'Bannon."

SOCIALIST ADDRESS

As announced in last week's Herald, and by printed bills, C. W. Thompson gave an address Monday evening on Box Bulte avenue on the subject, "Working Class Solidarity." Mr. Thompson is a fluent speaker and altho a young man has a good fund of general information and is well posted on socialism. He was listened to attentively by a large number of men and a few ladies. Of course a good part of those who heard the speech did not agree with him or all that he said, but the crowd as a whole were no doubt, favorably impressed by his earnest talk.

THE MEN WHO SUCCEED

As heads of large enterprises are men of great energy. Success, today, demands health. To all is to fall. It's utter folly for a man to endure a weak, run-down, half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism, liver trouble, stomach disorders and deranged kidneys, I am again, thanks to Electric Bitters, sound and well." Try them. Only 50 cents at Fred E. Holsten's.

CLARIVOVANTS AND PALMISTS

"Harpies and Frauds' Fatten on the Superstitious"

"We are glad to note that the commissioners are at last about to take measures to rid the city of the horde of clairvoyants and fake palmists who have been fattening on the superstitious credulity of a certain class of our population. It is high time that these harpies and frauds should be placed beyond the protection of the law everywhere."

The above sentences taken from the True Voice, published at Omaha, have reference to that city and what is being done there but might be applied very properly to some smaller towns. Within the past few months a fortune-telling "harpy" has visited Alliance several times, remaining several days each time. Perhaps she had a right to gull people if she chose to do so and if they chose to be gulled, but The Herald takes the view of the True Voice in the matter.

MAKE LONG TRIP

A. W. Miller together with his driver and some friends passed thru Alliance this noon in a Pierce-Arrow automobile. They live at Clinton, Iowa. They left there several days ago going west via Sioux City, then thru Dakota to Deadwood. Part of the trip was made thru the bad lands. From Clinton to Deadwood is 999 miles, and this run was made in exactly four days. From this city they go to the ranch of B. P. Wankeny near Mumper. After visiting there for a short while they will start on their return, going via the Platte valley thru to Omaha, and expect to arrive at Clinton next Monday or Tuesday. The car which they drive is a sixty-six horse power six cylinder touring car and is one of the best ever seen in this city. A. W. Tunningcliff is driving the car.
