THURSDAY, NOVEMBER 7, 1912

Is everybody happy today?

When ex-State Superintendent J. L. McBrien, leader of the bull moose party in Nebraska, spoke at the third term rally in Alliance during the recent political campaign, he prophesied a mighty anti-Wilson tidal wave at election that would sweep Colonel Roosevelt into the presidency again. "Wait," said he, in the height of his enthusiasm, addressing the democrats present, "until you hear from the Champ Clark voters in Missouri, and other places." We waited and we heard. In Missouri they gave Woodrow Wilson a majority of 100,000, and in other places—well, you know what they did.

CROWD FILLS CRYSTAL

Many Alliance People See Good Show and Hear Election Returns Tuesday Night

Election returns began coming in over The Herald phones on the Crystal stage at five o'clock Tuesday afternoon and from that time until midnight and after, bulletins were received every ten or fifteen minutes.

Two long distance telephones had been installed on the stage by courtesy of the Nebraska Telephone company, to whom special thanks should be given for their prompt and careful service, as well as the assistance rendered by them in making this a success.

Because of the long ballot used this election, local returns were very slow, many of the country precincts not finishing their count until midnight or after. In Alliance the first ward count was not finished until after seven o'clock Wednesday morning, so of course it was impossible to give the complete local returns from the stage before closing, although the count as far as it had gone was given frequently.

The management of the Crystal outdid any previous effort to entertain. Seven long reels of film, especially selected for the evening, furnished entertainment that constantly remained new, and no picture was repeated.

The vaudeville act given by Rizal and Atina was very well liked, Rizal in his cool impersonation, doing especially well. This troupe will always receive the glad hand when they come to Alliance.

At midnight it was certain that Wilson was to be the next president. Roosevelt had already wired him congratulations, so the firecrackers were handed out to the small boys and the guns were turned loose, while the red fire blazed out for a few minutes, to let the whole town know that Wilson was to be the next president of the nation.

The Crystal is becoming a popular Alliance play house and its nightly attendance is constantly growing. Changes of vaudeville twice a week, together with the high grade of pictures furnished give the entertainment for which the people are looking. Those who have not attended recently should make it a point to see the next performance. The opening of the house Sunday evenings, while something new in Alliance, draws a good crowd who would otherwise stay at home. Only carefully selected pictures are shown Sunday evenings and no vaudeville is given.

NEW PICTURE SHOW

R. J. Cheney, of Torrington, Wyoming, manager of the Consolidated Film Exchange and arranging for a film service to be furnished him for a new moving picture show soon to be started at Torrington, which is a rapidly growing North Platte valley town on the Guernsey line of the Burlington.

WILSON ELECTED PRESIDENT

May Pass 300 Mark in Electoral College.

ILLINOIS TO ROOSEVELT.

Wilson Carries New York State by Large Margin.

SULZER LEADS FOR GOVERNOR

Sweeping Victory Carries With it Gains in Lower House.

New York, Nov. 6.—With the election of Woodrow Wilson to the presidency and Thomas R. Marshall to the vice presidency, assured by the earlier returns, the reports this morning gave indications that the electoral vote of the Democratic candidates would pass the 300 mark.

© 1911, by American Press Association.

WOODROW WILSON.
Taft or Roosevelt, were matters of conjecture. It was certain, however, that Illinois would give an overwhelming majority to Roosevelt, while the race in Pennsylvania was so close as to bring all three candidates within range of success.

Early returns gave Governor Wilson and Governor Marshall the "solid south" and the states of Connecticut, Delaware, Kentucky, Maine, Maryland, Massachusetts, New York, West Virginia, Indiana and Missouri. As returns from the west began to come in, these early estimates were confirmed and Montana, New Jersey and New Mexico were added to those that seemed certain for the Democratic candidates, while scattering returns from San Francisco and Los Angeles made it probable that California might join the Wilson-Marshall column.

Rhode Island also became a doubtful state on the returns this morning.

THOMAS R. MARSHALL.

and based on the later votes reported it seemed not wholly improbable that its five electoral votes would go to Wilson.

The vote in Utah gave indications that that state might be carried for Taft. The vote in Pennsylvania was amazingly close, the returns from over a thousand precincts, embracing over 185,000 votes, giving each of the three leading presidential candidates more than 60,000 votes. President Taft's lead in Philadelphia districts was offset by the heavy vote polled by Roosevelt and Wilson in other parts of the state.

Many surprises were shown in the

returns. New York state assembly seemed to be overwhelmingly Democratic. In Illinois, indications were that Judge Dunne, the Democratic candidate for governor, had won notwithstanding the heavy Roosevelt victory. Former Speaker Cannon seemed to have been defeated for re-election to congress in Illinois.

In addition to Roosevelt's certain victory in Illinois, the confident claims of the Roosevelt managers that Michigan and Kansas would fall into the Roosevelt column seemed verified by the partially complete returns this morning.

The returns from California were meager, but left this state in doubt between Wilson and Roosevelt. The uncertainty regarding Vermont was settled by the announcement of the complete vote which made Mr. Taft a majority of 924 votes.

The Providence (R. I.) Journal conceded that state to Wilson with a close vote in New Hampshire it seemed probable that New England entries, with the exception of Vermont, had gone over to the Democratic column.

New York.

New York, Nov. 6.—Woodrow Wilson was the choice of the state of New York for president by a plurality estimated at about 260,000 from returns received from nearly every election district in the greater city of New York and from all but 500 of the 3,052 district outside of New York city.

President Taft led Colonel Roosevelt in the same districts by about 35,000 votes.

Congressman William Sulzer was elected governor with a plurality estimated at about 175,000 over Job E. Hedges, the Republican nominee, who in turn led Oscar Straus, candidate of the Progressive party, by about 15,000 votes.

The city of Buffalo gives: Taft, 13,268; Wilson, 24,298; Roosevelt, 19,357.

Complete returns for governor in city of Rochester: Sulzer (Dem.), 14,887; Hedges (Rep.), 14,529; Straus (Prog.), 11,990.

Illinois.

Chicago, Nov. 6.—Colonel Roosevelt and Judge Lempie, according to late returns, apparently have carried the state for president and governor respectively.

According to figures at hand it was the colonel's strong race in Cook county that carried him through. There, in 1,938 out of 1,498 precincts, he led Governor Wilson by 16,661. Late returns from down state show that in 692 out of 2,788 precincts outside of Cook county, Wilson was fourteen votes in the lead. President Taft ran third both in Cook county and down the state. Judge Dunne will apparently go into office with a large plurality. One thousand two hundred and eighty one precincts out of 4,286 in the state gave Dunne (Dem.) 142,734; Fun9 (Prog.), 89,577; Demene (Rep.), 87,961.

Only meager returns have been received on candidates for other state offices, but the Democratic candidates for the minor state offices are leading by a comfortable margin.

Chicago, Nov. 6.—The first precinct returns outside of Cook county was the Second precinct of the Third ward city of Rockford, Winnebago county which gave: Taft, 52; Wilson, 55; Roosevelt, 182.

Returns from 222 precincts out of 2,788 in Illinois, outside of Cook county give: Taft, 13,378; Wilson, 17,780; Roosevelt, 26,648. The same precinct in 1908 gave: Taft, 39,284; Bryan, 20,248.

Reports from thirteen counties outside of Cook indicated Dunne had carried nine, Funk three and Demene one. Dunne continued to lead in Cook county, 49 precincts giving him 53,654; Demene, 28,900; Funk, 26,954.

Complete returns from thirteen precincts in the city of Chicago gave: Roosevelt, 959; Wilson, 899; Taft, 434; Debs, 341.

Massachusetts.

Boston, Nov. 6.—Massachusetts nominally a Republican state, gave substantial majorities to Governor Woodrow Wilson of New Jersey and Governor Eugene N. Foss, Democratic candidates, respectively, for president and governor. It was the first time that Massachusetts ever favored other than a Republican for president. President Taft and Colonel Roosevelt, Republican and Progressive candidates, respectively, ran about even.

Slight gains were made by the Democrats in the sixteen congressional districts, but the legislature appeared on the face of early returns to be practically unchanged. This would indicate the election of a Republican United States senator to succeed Senator W. Murray Crane.

Boston—Returns from 405 out of 1,102 voting precincts in Massachusetts including 216 out of 221 precincts in Boston, give Roosevelt 36,867; Taft 39,387 and Wilson 58,072. Returns for governor from 461 out of 1,102 voting precincts, including 213 out of 210 Boston precincts, give: Bird (Prog.), 41,492; Foss (Dem.), 78,352; Walker (Rep.), 48,939.

Roosevelt Carries Home Town.

Oyster Bay, N. Y., Nov. 6.—Colonel Roosevelt carried Oyster Bay, his home town, by a plurality of 202 over Woodrow Wilson the vote standing: Roosevelt, 510; Wilson, 218; Taft, 67. The colonel's own election district voted: Roosevelt, 231; Wilson, 89; Taft, 28.

Nevada.

Reno, Nov. 6.—Early incomplete returns from scattering precincts throughout the state give Wilson a substantial lead over Taft and Roosevelt. The congressional and senatorial contests are so close that no prediction could be made of the outcome.

IOWA VOTES FOR DEMOCRATS

Returns From Southern Counties Destroy Roosevelt's Lead.

WILSON HAS SAFE PLURALITY.

Republican State Ticket on Early Reports Appears to Be Elected by Generally Good Size Pluralities—Long Ballot Delays Count.

Des Moines, Nov. 6.—Figures from about one-fourth of the precincts in the state put Woodrow Wilson ahead of Colonel Roosevelt by a plurality of 4,000 to 6,000, if the present ratio continues.

Earlier returns had given Roosevelt a substantial lead of nearly 25,000, estimated. These figures were based on reports from the northern part of the state, which had been conceded to the Roosevelt stronghold. Reports from the southern counties, however, materially changed the situation.

Returns from 539 precincts outside of Polk county, Des Moines, give: Taft, 31,246; Wilson, 48,543; Roosevelt, 47,561. Same precincts in 1908 gave: Taft, 34,250; Bryan, 54,749.

Des Moines, Nov. 6.—With considerably less than one-fourth of the total precincts in the state heard from, Roosevelt appeared to be leading Wilson by from 24,000 to 25,000. Later returns had a tendency to cut this figure, but if the present ratio is kept up the colonel should have a plurality of more than 20,000.

Late reports indicate that George W. Clarke (Rep.) had defeated his Democratic opponent, E. G. Eunn, but definite returns were unavailable. Reports on congressmen were so scattered as to mean little or nothing. Congressman I. S. Pepper (Dem.) of the Second district, was the only one whose election was certain.

Des Moines, Nov. 6.—The two first precincts in Iowa to report, located in Des Moines, gave: Taft, 90; Wilson, 123; Roosevelt, 160.

Scattered estimates from six counties in Iowa indicated that Roosevelt had a slight lead.

Sixteen precincts in Des Moines give: Taft, 1031; Wilson, 1,581; Roosevelt, 1,827.

Fifteen precincts in Des Moines give for governor: Clarke (Rep.), 1,702; Dunn (Dem.), 1,046; Stevens (Prog.), 809.

Pennsylvania.

Philadelphia, Nov. 6.—Wilson and Roosevelt are running neck and neck in Pennsylvania. In 1,043 out of 5,377 election districts in the state outside of Philadelphia, Taft had 38,545 votes; Wilson, 62,032; and Roosevelt, 62,046. In Philadelphia, with less than half of the returns in, Taft leads Wilson by 14,000 votes and Roosevelt by 11,000.

Philadelphia—Returns from election districts in wards in Philadelphia usually carried by Republican organization leaders show that Taft is leading by about two to one over the combined vote of Wilson and Roosevelt. In the state outside of Philadelphia the first returns showed Wilson leading strongly.

One hundred and fourteen election districts out of 6,503 in Pennsylvania give Taft 6,987, Wilson 5,496 and Roosevelt 4,755.

Colorado.

Denver, Nov. 6.—Returns received from 378 precincts in thirty counties, including 174 in Denver, indicate that Wilson has carried the state by a substantial plurality. These reports or straight ballots give Wilson 22,801; Taft 11,308 and Roosevelt 15,355.

Figured on an estimated total vote of 270,000 in the state, Colorado should give Wilson a plurality of about 40,000. While the indicated Wilson lead, probably will carry through practically the entire Democratic state ticket, the Republican and Progressive leaders have not conceded the election of a Democratic legislature, which will elect two United States senators. Partial returns from the city of Denver indicate that the state-wide prohibition amendment had been defeated decisively.

Indiana.

Indianapolis—Twenty-seven precincts out of 3,172 in Indiana give: Taft, 2,633; Wilson, 3,987; Roosevelt, 2,314. Same precincts in 1908 gave: Taft, 5,132; Bryan, 4,460.

Indianapolis, Nov. 6.—Indiana apparently went overwhelmingly Democratic.

Governor Wilson, on the basis of 517 precincts out of 3,172 precincts in the state, had almost as many votes as Taft and Roosevelt combined.

For governor, Samuel Ralston (Dem.) led over Albert J. Beveridge (Prog.) and William T. Durbin (Rep.).

Oregon.

Portland, Nov. 5.—Scattering returns from the state and incomplete returns from Multnomah county (Portland) indicate that Wilson has carried Oregon by a safe plurality, with Roosevelt second. The senatorial fight apparently lies between Ben Zaling (Rep.) and Harry Lane (Dem.). Jonathan Bourne (Rep.), incumbent, is running third in the early returns. Woman suffrage is running even, while single tax is defeated overwhelmingly.

Montana.

Billings, Nov. 6.—The first two precincts reported in Montana give: Wilson, 267; Roosevelt, 224; Taft, 278.

Maryland.

Baltimore—The News (Prog.) concedes Maryland to Wilson by a plurality of about 14,000, which, it says, the meager returns from the state indicate will be largely increased by the vote in the counties. Roosevelt was running a good second.

Baltimore—Forty precincts out of 238 in Baltimore city give: Wilson, 4,537; Roosevelt, 3,120; Taft, 1,084.

Maine.

Portland, Nov. 6.—Returns for president from 119 out of 521 cities and towns, comprising 265 out of 634 election precincts, give Roosevelt, 29,808; Taft, 14,304; Wilson, 24,818.

Portland—Returns from 230 out of 521 cities, towns and plantations, comprising 387 out of 634 election precincts, give: Roosevelt, 35,800; Taft, 21,250; Wilson, 39,875.

Clark Re-elected to National House.

St. Louis, Nov. 6.—In the Ninth district Speaker Clark (Dem.) is re-elected to congress.

Kansas City, Nov. 6.—Five precincts out of 208 in Kansas City give Wilson 963, Roosevelt 268 and Taft 108.

For governor, Major (Dem.), 663; McKinley (Rep.), 108; Norton (Prog.), 268.

New Hampshire.

Concord, Nov. 6.—Returns for president from ten election precincts out of 296 in New Hampshire gave Taft 1,098, Wilson 713 and Roosevelt 416. Same places for governor give Worcester (Rep.) 1,935; Felker (Dem.) 820 and Churchill (Prog.) 356.

Oklahoma.

Oklahoma City, Nov. 6.—The first three precincts in Oklahoma reporting give: Wilson electors, 126; Republican electors, 114. Seven of the ten Republican electors are Roosevelt adherents. It has not been determined how they will vote should Republicans carry the vote.

Rhode Island.

Providence, Nov. 6.—Returns for president from six towns out of thirty-six cities and towns in Rhode Island give: Taft, 95; Roosevelt, 179; Wilson, 415.

South Carolina.

Columbia, S. C., Nov. 6.—The Democratic electoral ticket has been elected by the usual majority. The progressive ticket is second.

Texas.

Dallas—Returns from 104 precincts out of 4,890 in Texas give Wilson 7,276, Roosevelt 438, Taft 592, Debs 479.

Georgia.

Atlanta, Nov. 6.—Returns indicate that Wilson will have a large majority, with Roosevelt running second.

Florida.

Jacksonville, Nov. 6.—Woodrow Wilson carried Florida by the usual Democratic majority.

Ohio.

Cincinnati—Returns from the first five precincts give Taft 477, Wilson 234 and Roosevelt 165.

THE CONTEST CONTINUES

The dispute between the Alliance city school board and the city council over the level of the sidewalk in front of Central school continues. After serving an injunction on the school board ordering them not to install a concrete walk higher than the established grade, the grading crew was put to work and lowered the level of the street about 18 inches to the established grade. They are now having a temporary walk laid for use during the winter.

F. J. Was made an automobile trip to Hemingford yesterday afternoon.

R. M. Hampton made a business trip to Bridgeport Wednesday.

Miss Alma Weidenhamer has accepted a position as clerk with Mrs. Simmons in her ladies furnishings store.

The Ladies Guild of the Episcopal church met with Mrs. W. L. Phillips Wednesday afternoon.

L. J. Munger was hauling lumber the first of the week for a new barn on his place northeast of town.

Chas. E. Murphy of Lakeside was in Alliance on business this morning. While in town he called at The Herald office to order some letter heads printed. We are pleased to see ranchmen and farmers use printed stationery, not only because it makes more business for the printers, but because it gives a commendable business tone to correspondence.

Wm. Landrigan, brother of Denay, is in Alliance today waiting for the arrival of a car of apples, which they will sell from the room in The Herald building, as advertised in this issue.

Irvin Myers, brother of Harvey Myers, who is well known in this county, was in Alliance the first of the week. He has rented his place in Garden county and will work on the Everett Eldred ranch the coming winter. He orders his address for The Herald changed from Oshkosh to Orlando.

BIRTHDAY PARTY

A number of Rebekahs worked a pleasant surprise on Mrs. Mollie Frazier at the home of Mrs. Al Wiker on Box Butte avenue on Tuesday afternoon, from 2 until 5, the event being in honor of Mrs. Frazier's birthday anniversary. Mrs. Wiker served a 4 course lunch which was perfection as to quality and quantity. As the guests were about to depart they presented Mrs. Frazier with a beautiful Rebekah pin wishing her many more pleasant birthdays.

WILL DEDICATE CHURCH

The basement of the new Christian church at ninth street and Box Butte avenue will be dedicated at three o'clock Sunday afternoon with special exercises for the occasion. The dedicatory sermon will be preached by Evangelist F. E. Day, and the singer will give special music. Rev. H. M. Dunagan of Mitchell will be present to participate in the ceremonies. A special invitation has been extended to all Alliance people to be present at this dedication.

STARTS NEW BUSINESS

Mrs. Zehrung Opens Well Equipped Sutorium and Mending Bureau

Mrs. W. H. Zehrung has been in Denver for some time taking a complete course in tailoring, dyeing, and pressing, with one of the largest establishments in that city. She has now returned and opened up a completely equipped shop at 469 Box Butte avenue. She already has a well established business in this line and will now enlarge the same, caring for work for out of town patrons as well as those in Alliance.

In connection with her other work, Mrs. Zehrung has taken the agency for the Weatherhead Hat Co., the pioneer hatsters of the west, renovators, bleachers, dyers and finishers of gents' and ladies' hats of every description; the Bold-Lundy Flower Shop, floral artists; and the Birmingham Sisters Specialty Company, handling high grade ladies' corsets. The above firms are all high class Denver firms and their agency will be an asset for her in her business.

PRESIDENT TRI-STATE IN ALLIANCE

Cullen Wright, president of the Tri-State Canal Company, the owners of the largest irrigation system in the North Platte valley outside of the government project and owners of an immense amount of irrigated land, spent last Saturday morning in Alliance on business on his way to Scottsbluff. He had just been to New York City conferring with the main owners of the project.

IMPROVEMENT IN PICTURE SHOW

The proprietors of the popular Crystal Theatre, where The Herald gave the election returns Tuesday night, have made a big improvement and put this theatre in the class of the big city theatres by installing a new compensator of the Bell-Howell make. This machine produces a much steadier and brighter light by putting the amperage up and the voltage down of the electric power used for light in the moving picture machine, taking the place of the rheostats commonly used. It insures a steady light of great power.

ENTERS BUSINESS AT BASIN

Louis Luft, who was in business in Alliance for a number of years and who is one of the leading members of the Alliance Fire department, has purchased a saloon and cafe at Basin City, Wyoming, in the Big Horn basin in the northern part of the state, and will go into business there in a few days. The saloon and cafe have a large business there. Louis has employed Jack Dare, the experienced chef at the Hotel Drake, who left yesterday to take charge of the cafe there. Louis's many friends wish him success.

M. D. Nichols, the shoe man, has returned from Sheridan with a sore foot, being compelled to walk with a crutch.

The Herald editor went to Hemingford on business Monday morning, returning that noon.

Miss Cloe Elliott of New Castle has been visiting with her sister, Mrs. A. J. Cole.

On account of lack of space these items were crowded out this week.
