BIG CONVENTION AT OMAHA

Alliance Teachers Say Best Convention Ever Attended

Prof. W. R. Pate, Misses Gabus, Sherdeman, Niedermeyer and A. R. Ball were the teachers from Box Butte county who attended the Nebraska State Teachers' Association meeting in Omaha. There was a total attendance of 5,800 at this convention, or 1,500 more than ever before. E. L. Rouse, who instructed here at the institute last summer, was elected president of the association.

The theme of the association was, "Efficiency in Education." The following subjects were the important ones discussed: "Making of Schools More Practical," "Agriculture," "Domestic Economy," and "Manual

Training." The Alliance schools now teach the subjects above mentioned.

Among the resolutions adopted one asked for more state aid for weak districts to enable every school in the state to have at least seven months of school each year. This would be of great benefit to the western end of the state, where there are many thinly populated districts which need aid. Another resolution recommended free high school tuition for students who come from weak districts. Another resolution recommended that state aid be given to every high school now teaching agriculture and suggested that \$2,500 be given to each school. This would be of great benefit to the Alliance high school.

Supt. Pate left on Tuesday and returned the next Monday morning. On his way home he stopped over at Orleans, Nebraska, which is his old home, where he visited relatives and friends. The other teachers returned the last of the week.

"MOVIES" WIN A POINT

Claim is Made That They Promote Temperance

Some time since The Herald published a news item from some American city in which it was claimed that moving picture shows were proving a help to temperance by drawing men who would otherwise spend

their evenings in the saloons. The same claim is now made at Washington, D. C., as will be seen by the following item from the Mutual Observer of November 16th:

Washington cranks who have been criticizing the moving picture theaters for enticing young people away from serious things and corrupting their morals received a blow today when the Excise Board of the District of Columbia announced that the "movies" are responsible for the falling off in the liquor traffic in Washington.

There has been an undeniable slump in the saloon business here in the last year. The Excise Board was interested in knowing the reason. Members asked proprietors of saloons about it and nearly all of them said it was because people were going to the moving picture theaters instead of loafing in the saloons and other public drinking places.

SUFFRAGE MEETING IN OMAHA.

Omaha, Nov. 27. On December 4, 5, and 6 the Nebraska Women Suffrage Association will hold its annual convention in Omaha. In view of the recent victories for equal suffrage in Oregon, Arizona, Kansas and Nevada, and the excellent program offered, the convention promises to be exceedingly interesting.

Mr. Richard L. Metcalf, editor of "The Centurion," and candidate for Governor and United States Senator, will be one of the speakers; Hon. J. C. Kennedy, formerly United States Congressman, and one of the best known lawyers in the state, another. As yet, the program is not completed but the committee promises others as well known, and as well versed as those mentioned.

Delegates will be entertained by the Omaha members and special hotel rates have been secured for other visitors. The City Council Chamber will be headquarters.

All interested in Equal Suffrage are urged to attend the Omaha meeting whether delegate or not, as the convention will be of vital importance.

If weak, you need Cardui, the woman's tonic. Cardui is made from gentle herbs, acts in a natural manner, and has no bad results, as some of the strong drugs sometimes used. As a medicine—a tonic—for weak, tired, worn-out women, Cardui has been a popular success for over 50 years.

Take CARDUI

The Woman's Tonic

Mrs. Lula Walden, of Gramlin, S. C., followed this advice. Read her letter: "I was so weak, when I first began to take Cardui, that it tired me to walk just a little. Now, I can do all the general housework, for a family of 9." Try Cardui for your troubles. It may be the very remedy you need.
