## AN UP-TO-DATE MACHINE

We are pleased to insert in this  
issue of The Herald an advertisement  
for Rosenkranz & Fox, the black-  
smiths, announcing the installation  
in their shop of an Autogenous  
welding plant. Welding by this new  
process is a remarkable advance over  
the old methods. Some kinds of  
work can be done successfully that  
cannot be touched by any other  
method. Cracked automobile cylin-  
ders and other expensive pieces of  
machinery that would otherwise  
have to be thrown into the scrap  
pile can be repaired and made as  
good as new. We are especially  
pleased that one of these plants  
has been installed in Alliance, thus  
having done in this city work that  
would otherwise be sent to Denver  
or other large cities.

\$100 REWARD, \$100

The readers of this paper will be  
pleased to learn that there is at  
least one dreaded disease that sci-  
ence has been able to cure in all  
its stages, and that is Catarrh.  
Hall's Catarrh Cure is the only pos-  
itive cure now known to the medi-  
cal fraternity. Catarrh being a con-  
stitutional disease, requires a con-  
stitutional treatment. Hall's Catarrh  
Cure is taken internally, acting di-  
rectly upon the blood and mucous  
surfaces of the system, thereby de-  
stroying the foundation of the dis-  
ease, and giving the patient strength  
by building up the constitution and  
assisting nature in doing its work.  
The proprietors have so much faith  
in its curative powers that they of-  
fer one hundred dollars for any case  
that it fails to cure. Send for list  
of testimonials.

Address F. J. Cheney & Co., To-  
ledo, Ohio.

Sold by all druggists, 75c.

stipation.

## PHYSICIAN AT STRASBURGER

Hon. John B. Strasburger returned  
the fore part of last week from his  
eastern trip, accompanied by Dr. A.  
Clarence Schoch of Chicago. They  
were in Alliance Friday and favored  
The Herald with a very pleasant  
call. After inspecting the country  
around Strasburger, Sheridan county,  
Dr. Schoch decided to locate in that  
community and accordingly entered  
a claim to a section of Uncle Sam's  
land, upon which he will take up his  
residence within the next six months.  
He returned to Chicago, leaving Al-  
liance on 42 Friday night, expecting  
to come back to this country next  
spring.

## VISITED HOME FOLKS

Della Watson, of The Herald force,  
visited over Thanksgiving and the  
last of the week with her parents  
near Hemlingford.

## IMPROVE BREED OF CATTLE

L. N. Worley left Saturday night  
for Omaha, intending to go from  
there to Iowa points and probably  
into northern Missouri to purchase  
a bunch of full blood Hereford bulls  
to ship to Alliance, part of which he  
will use on his own ranch and sell  
part of them. Mr. Worley and other  
leading ranchmen of this section be-  
lieve it will pay to improve the  
breed of cattle in this country and  
will go to considerable expense for  
that purpose. C. E. Clough is one of  
the other Hereford men who will do  
the same.

## The Skin and Not the Blood

Until recently it has been a gen-  
erally accepted theory that eczema  
was a disease of the blood. Scien-  
tific investigations have taught us  
that eczema is positively a skin dis-  
ease and curable through the skin  
alone. Meritol Eczema Remedy is  
applied directly to the diseased skin.  
The effect is marvelous and its re-  
sults permanent. Do not delay try-  
ing Meritol Eczema Remedy. F. J.  
Brennan.

## ROBINSON SPENDS THANKS- GIVING ON RANCH

W. M. Robinson, of Omaha, man-  
ager of the piano department of the  
firm of Orkin Brothers, who has a  
branch store in Alliance, was at his  
ranch over Thanksgiving. He has  
two ranches about fifteen miles  
northwest of Alliance and makes his  
home there.

Mr. Robinson is conducting a big  
sale of pianos in Omaha and states  
that business has been very good  
there. The local branch, managed by  
Mrs. J. T. Wiker, reports several  
very good sales lately.

## Could Shout for Joy

"I want to thank you from the  
bottom of my heart," wrote C. B.  
Rader, of Lewisburg, W. Va., "for  
the wonderful double benefit I got  
from Electric Bitters, in curing me  
of both a severe case of stomach  
trouble and of rheumatism, from  
which I had been an almost helpless  
sufferer for ten years. It suited my  
case as though made just for me."  
For dyspepsia, indigestion, jaundice,  
and to rid the system of kidney  
poisons that cause rheumatism, Elec-  
tric Bitters have been very good.  
Try them. Every bottle is guaranteed  
to satisfy. Only 50 cents at Fred E.  
Holsten's.

## BROKEN WRIST

Miss Della Reid, county superin-  
tendent, who fell and broke her  
wrist last week, still finds it neces-  
sary to have splints on the injured  
arm but states that it is now getting  
much better. She slipped on an icy  
sidewalk last week and in falling  
broke one of the bones in the left  
wrist.

She has continued to give steady  
attention to her official duties and  
the accident did not interfere with  
her work.

the winter and spring months is

colds and grip. In any attack by  
one of these maladies no time should  
be lost in taking the best medicine  
obtainable to drive it off. Countless  
thousands have found this to be Dr.  
King's New Discovery. "My hus-

Playgoers will be interested to  
know that the company which op-  
ens at the Phelan opera house start-  
ing tonight is headed by two mus-  
ical comedy stars who have toured  
this state many times. They are  
John E. Frank and Miss Nellie Wat-  
ters who featured in the "District  
Leader" and the "Flower of the  
Ranch" so successfully. Miss Wat-  
ters closed the season just passed  
at South Bend, Ind., with "The Cat  
and the Fiddle" in which she was  
featured strongly, and Mr. Frank  
was with "The Golden Girl" all last
