MAY BE POSTMISTRESS

Popular Box Butte County School
Teacher Asking for Appointment
at Hemingford

WELL QUALIFIED FOR PLACE

Miss Bertha E. Parkyn, who is teaching school in the western part of the county was in Alliance last Saturday on business connected with her claim on which she recently made final proof. While in town she informed The Herald that she is a candidate for appointment as postmistress at Hemingford, and as we happen to know something about her qualifications it is a pleasure to mention them in this connection.

Years ago, when the editor of this paper was a teacher in the southern part of the state, Miss Parkyn was one of his pupils, and it is no disparagement to the others to say that she was one of the best. Afterwards when the writer was county superintendent Miss Parkyn was one of the teachers of the county, and again it is not saying too much of her to be one of the most successful teachers of the county.

For some years past she has been making her home in Box Butte county. She taught in the Hemingford school two years. About five years ago she filed on a homestead claim in the western part of the county, southwest of Hemingford, since which time she has taught in the neighborhood of her claim.

Miss Parkyn is well qualified for the position of postmistress at Hemingford and in our opinion is deserving of the appointment. It will please The Herald if the "powers that be" shall decide upon her for the place. If the appointment were left to a competitive examination, or even to a popular election of the patrons of the Hemingford post office, she would stand a splendid chance of securing it.

CARL THOMAS EAST

J. Carl Thomas, who has been linotype operator for The Herald for some time, resigned the first of the week and started Tuesday evening for New York City, where he expects to enter the factory of the Mergent-

haler Linotype Company, manufacturers of the linotype machine, for the purpose of learning to repair and operate the standard linotype machines. By becoming a linotype machinist he will earn greatly increased wages, although his work will necessarily be in the larger cities where numbers of these machines are used.

Carl's position at The Herald office has been filled temporarily by his brother, Harold, who is an experienced operator.

T. P. A. MAGAZINES ARRIVE

The 50 extra copies of the special T. P. A. edition of the Omaha Trade Exhibit arrived yesterday and can be procured at The Herald office. There is one for every member of Post M, so be sure to call and get yours.

ROBINSON COMES AGAIN

W. M. Robinson arrived in Alliance yesterday noon on train No. 43, accompanied by his family who have been spending the winter in Council Bluffs. They went to their farm west of Boreas last evening via auto. They will make their home on the farm during the summer and fall. Mr. Robinson was very pleased with the progress the big club piano sale is making.

FIREMEN MEET

The fire department held a meeting at the club rooms last evening. Regular routine business was taken up and the committee on tournament made a report. Everyone is helping line up things for the tournament.

JOHNSTON-BAUER

Mr. James Bell Johnston, son of J. N. Johnston of Alliance, and Miss Minnie Bauer, daughter of Frank Bauer, of Alliance, were united in marriage by Rev. A. L. Godfrey at ten o'clock Tuesday morning. They have a large number of relatives here who were not informed of the fact that the marriage was to be performed, it being in the nature of a pleasant surprise to them. They left on the noon train for Mitchell, going from there to his homestead, which is in Sioux county, forty miles west of Alliance and twenty-five miles north of Mitchell.

Want Paved Streets

The sentiment in favor of paving Box Butte avenue is constantly growing stronger and the business men are giving it serious discussion. The best move made in recent years was to put in the cluster lights, and now that it worked such improvement the proposition of paving is receiving serious consideration. It would dispense with the dust and mud and give the street a much better appearance. Box Butte avenue is wide enough to allow a parkway down the center, which would give it a beautiful appearance.

TORNADO FREAK COMING

Mr. Robinson, manager of the piano department of Orkin Brothers, advised The Herald yesterday that the piano described in The Herald week before last, which had a large stick of lumber driven into one end, will be brought to Alliance next week and placed on exhibition at the Alliance branch. This piano has attracted thousands of people in Omaha and will no doubt do the same here.

THANKFUL TO NEIGHBORS

Mr. and Mrs. Geo. Poff wish to extend their heartfelt thanks to all their kind neighbors and friends who in many ways assisted them during the late illness of their child. Little George is getting along nicely and will undoubtedly soon be perfectly well again.

BERRY-WAKEMAN

Miss Manchie Rebecca and Mr. Coney Paul Wakeman, of Antioch, were married yesterday afternoon at four o'clock by Rev. J. B. Brown of the First Presbyterian church, at the parsonage. There were present at the wedding only a few of the intimate friends of the bride and groom. After the wedding the guests went to the Central Cafe, where an elaborate wedding dinner was served. Those who were present were: Mr. and Mrs. Coney Paul Wakeman, L. D. Blair and daughter, Winona, C. W. Rooker, Miss M. Wilson, J. K. Prior, Mrs. Fanny Switzer, Mr. and Mrs. T. P. Berry.

The happy couple departed for the east on 42 last night. They will visit Omaha and other points in eastern Nebraska and Iowa on their honeymoon trip. Mrs. Wakeman is the daughter of Mrs. N. B. Berry of Antioch. Mr. Wakeman is employed at the Antioch store. They both have a wide circle of friends. They will be at home to their friends at Antioch after May 15th.

MAY BALL

The Daughters of Isabella will give their annual May Ball at the opera house on the evening of May 2nd.

RETURN FROM WYOMING

Messrs. Norton of Alliance and Butler, Rosenberger and Caha of Hemingford, made a business trip to Wyoming points the first of the week. They made a record drive back from Lusk Wednesday in a Ford car. Mr. Norton affirms that there are 397 gates on the route. No one disputes this, as he ought to know.

MRS. HARGRAVES RETURNS

Mrs. Monte Hargraves returned Friday morning from York, Nebraska, her former home. She went to York to attend the wedding of her sister, Estella Detrick, to Ralph Lynd of Giltner. They were married early Wednesday morning, departing in the afternoon for Los Angeles, Calif., where they will make their home.

Garden and Flower Seeds

The most important thing to be considered in starting your garden this spring is GOOD SEEDS. For this reason you will do well to go to W. J. Hamilton's Fair Store to make your selection. He has in stock the following reliable seeds: Webster's Mammoth Packet, High-Grade, Iowa Seeds; Northrup, King & Co., Minneapolis, Minn.; Sterling Northern Seeds; Mandeville & King Co., Flower Seeds; and the well known D. M. Ferry & Co. Seeds.

Advt. 20-14-21005

In writing a sketch of Washington a pupil ended her essay by saying: "Washington married a famous belle, Martha Curtis, and in due time became the father of his country."

Important to Fire Departments

Fire departments entering teams in the Tournament at Alliance will remember the change made in the rules at the convention in North Platte in January. All teams entering are required to deposit \$25 with the secretary, E. A. Miller, of Kearney, thirty days before the tournament.

Big Confirmation Class

The Right Rev. Geo. Allen Beecher, D.D., will arrive in Alliance Saturday noon. He will preach at the eleven o'clock service Sunday morning at St. Matthews Episcopal church and will administer the right of confirmation to a class of thirty-six. There will be Holy Communion at 7:30 a.m. and Sunday school at 10:00 a.m. No evening service.

Bishop Beecher will hold services in the Platte valley this coming week, commencing at Bridgeport on Sunday at night, accompanied by Dean Ware.

RENOVATING HOTEL

Landlord C. L. Drake, who by the way is one of the best known hotel men in western Nebraska, is putting Hotel Drake into tip-top shape since taking charge of it again on Wednesday of last week. The entire building is being gone through, renovated, re-papered, painted, etc. New rugs will take the place of the old carpets and other furnishings put in for the convenience and comfort of guests. Mr. Drake says the building will be in as good condition as it ever was, if not better.

Stevens Arrested

O. D. Stevens, proprietor of the large pool hall at the corner of second street and Box Butte avenue, was arrested at noon today, charged with taking electricity without meter in his pool hall. It is said that he placed a wire on his electric light wires so as to get current without it going thru the meter. It is said that another meter was placed on the electric wire pole outside of the

building without his knowledge and that in this way the suspicion that he was taking current was verified. Stevens was placed in custody of the sheriff until bonds of \$500 were given, to await the preliminary hearing on Saturday, May 3rd. The penalty for this offense, if found guilty, is a fine of \$50 to \$300, or 30 to 90 days in jail, or both.

Don't forget that The Herald has just received a large assortment of paper for May baskets and May day decorations. Phone 340 or call at 121 Box Butte Ave.

Elks Initiate

The Alliance Elks initiated three candidates on Friday evening, Messrs. Ross of Rushville, Nines of White Clay, and Frank Pomesell of Alliance. There were big doings and an enjoyable time was had. This was the first opportunity the new entertainment committee had to show their talent, and its members, Messrs. Bruzelton, Schlupp, Gantz and Lockwood, took the laurels by their excellent work.

Friday afternoon some of the visitors from out of town were treated to the enjoyment of a mock arrest and mock court. Things looked serious until some of the witnesses were unable to keep their faces straight, giving the deal away. Everyone enjoyed it though.

The Elks gave a dancing party on Monday evening for the especial benefit of the visitors from Gordon who stayed over.

There will probably be a big class initiated a week from tomorrow, Friday, from Crawford.
