Nothing Adds So Much

to the Charm of Womanliness as pearly white teeth. They are unerring indicators of well-bred women. No matter how perfect your complexion, my dear lady, nor how fair of face, if your teeth fail to get their daily scrubbing with a good tooth paste or powder and the right kind of a brush, you miss one of the chief aids to that undefinable attractiveness so jealously guarded by your more favored sisters, and so effectively used against the sterner sex.

WE RECOMMEND UNQUALIFIEDLY

Tooth Paste and Tooth Powder

We know what they are made of. We guarantee that they have no equal. We urge you to try them.

Clean-up Day

Monday, Will Be General Clean-up Day for Alliance

At the meeting of the board of health Monday evening Mayor Barnes gave notice that next Monday will be general clean-up day for Alliance. All alleys and back yards must be thoroughly cleaned up. Failure to do this will undoubtedly result in a fine for the offending property owners or tenants.

Some time ago it was announced by the board of health that if refuse would be placed in sanitary cans at the back of yards the city would haul it away free of charge. Very few people have taken advantage of this and it is said to be the intention of the board to enforce this order.

RETURN FROM FLORIDA

Rev. and Mrs. A. M. Washburn and Mrs. Washburn's sister, Mrs. Patch of Bassett, Nebr., arrived last Saturday on their return from Florida, where they spent the most of the winter, having gone there the latter part of January. They stopped on their way there in Illinois for a visit with Mr. and Mrs. Washburn's three sons. Rev. Washburn is pastor of the Lakeside charge of the M. E. church, which includes the Fairview church, ten miles northeast of Alliance.

GOING WITH SURVEYING CORPS

Hugh Stitt, who is holding down a Kinkaid claim near Jess in Sheridan county, was in Alliance Tuesday and called at The Herald office to subscribe for the paper. He was taking a leave of absence from his claim to go with the U. S. surveying corps that will resurvey Morrill, Grant, Sheridan and Cherry counties. We understand that there will be three surveying parties, each consisting of either seven or ten men. Arthur Jensen of Neligh, Nebr., will be chief of the corps that Mr. Stitt will be in, and Archibald Celsery of that city assistant chief, both being proficient civil engineers and quite popular among their acquaintances. Mr. Stitt has kindly consented to assist us in keeping Herald readers posted on the progress of the survey, which will be interesting to many subscribers.

GOING TO DAYTON

Mr. and Mrs. E. F. Shields will soon leave for Dayton, Ohio, where they will visit friends and upon their return will be accompanied by Mr. Shields' mother. Their relatives in that city had some narrow escapes during the flood, but fortunately none of their lives were lost. Mr. Shields showed The Herald editor one day this week some photographs of Dayton flood scenes, showing how the water poured thru the streets and some of the damage done.

Mr. and Mrs. D. O. Vaughn leave tomorrow for Grant, Nebr., where they have been making their home with their son-in-law and daughter, Mr. and Mrs. J. P. Colburn. Mrs. Vaughn has been visiting for several months at the home of her grand-

daughter, Mrs. T. M. Beeson, and Mr. Vaughn has been here since the first of last week. We learn that Mr. Colburn has sold the Commercial hotel at Grant, which he has been running since leaving Alliance. He gives possession today. He and Mrs. Colburn will move at once to Paxton, Nebr., where he will go into the real estate business.

In another column is an item about Hugh Stitt who holds a claim near Jess, Nebr. We might have mentioned, also, that Mr. Stitt and his chum, John McGregor, have the finest and most popular bachelors' quarters in that part of the sand hills, or did have until Mr. McGregor sold out and returned east. They often entertained at their homes and

their hospitality was greatly enjoyed by the young people who visited them and attended the parties at their places.
