DOING THEIR DUTY

Scores of Alliance Readers are Beginning to Learn the Duty of the Kidneys

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are weak. Backache and other kidney ills may follow. Help the kidneys do their work. Use Doan's Kidney Pills—the tested kidney remedy. Alliance people endorse their worth.

Mrs. J. E. Whaley, 422 E. Oregon St., Alliance, Nebr., says: "I have had no reason to change my high opinion of Doan's Kidney Pills since I publicly recommended them some time ago. Over three years ago my kidneys became badly disordered and the kidney secretions were unnatural. Whenever I stooped sharp pains darted thru my loins and it was hard for me to straighten. I tried many remedies but all failed to help me until I procured Doan's Kidney Pills at Holsten's Drug store. They relieved me in a short time and I continued using them until I was free from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

POST M, ALLIANCE, NEBR.

Officers

R. C. Strong, President. Frank Hertzog, Vice President. John H. Hawes, Secretary-Treasurer. Dean Geo. D. Ware, Chaplain. C. E. Slagle, M. D., Physician.
Directors: S. W. Thompson, J. C. Berry, C. L. Ewing, H. C. Rodenbaugh, W. M. Baker.
Committees: Legislative, C. A. Newberry; Railroad, C. O. Bagley; Press, Lloyd C. Thomas; Hotel, Joseph F. O'Connor; Employment, C. J. Vandever; Good Roads and Public Utilities, Ivan Rodgers.

C. J. Vandever, representative for the L. C. Smith typewriter in this section of the country, a member of Post M and resident of Alliance, will probably take a position as city salesman in Omaha for the same company in a few days. Van has been offered this position and as it offers much better opportunities, will probably decide to take it. The Alliance boys will hate to see him go.

The date announced in the last issue of The Herald for the next regular meeting was Saturday afternoon, June 7th. This was incorrect. The next regular meeting of Post M held will be Saturday afternoon, June 14th at the parlors of the Burlington hotel.

The special meeting of Post M at the Burlington parlors Sunday afternoon was interesting and will be productive of good results for the post.

A good bunch of the boys was present. Members Thomas, Bagley, Berry, Rodgers and Baker were appointed a committee to confer with the U. C. T. at Chadron, to make arrangements for a big picnic to be held at Hot Springs about the first of August. Different members of the committee were given different things to handle and it is expected that they will have good news by the time they meet together next Sunday afternoon, to report what can be done. The idea is to get a couple of special cars (Pullman) and leave Saturday morning at four o'clock on train No. 41 for Hot Springs. Instead of having to go to a hotel to sleep the boys and their families can sleep in the Pullman cars Saturday night. We would return on train 42 Sunday evening, arriving in Alliance at midnight, in time for the boys to take their families home and catch their trains out for the week's trip. J. T. Hohoff, of Chadron, is being communicated with and arrangements will undoubtedly be made for a routing. A No. 1, UCT-TPA picnic when the hot August weather is at its worst.

As will be noted in the news columns of this paper, Lloyd, who was appointed to confer with the Stockgrowers' Association Convention com-

mittee, has arranged for Friday, the 27th of June, the last day of the convention to be called "T. P. A. DAY". That means that Post M has got to

get together and arrange for a day that will be an honor to it to make the 400 members of the Stockgrowers Association remember that we have the best bunch of boosters that is loose, in Post M, and make the 5000 people of Alliance and the 2000 visitors who will attend, see that Alliance will never be forgotten as long as Post M is in existence. It means that every one of the 56 members of Post M has got to talk, talk, and talk Stockmen's Convention from now until it comes off. Arrange for your bosses to come out at that time, ask your friends to be here. We are sure that the business men of Alliance will do their share by decorating in TPA colors on that day and by giving their support in every way. Now, get busy, boys, and show them just what we can do! Scatter Stockmen's Convention advertising from one end of Western Nebraska to the other during the month of June. Come to this office for advertising matter. We will see that you are supplied with plenty.

If you boys will pardon us for blowing our own horn, permit us to say that every member of Post M ought to be on the Herald subscription list. A number of the boys are taking the Herald. To others we have sent sample copies. If you got this paper with a big blue pencil mark around this paragraph it's an invitation to drop in at the office or drop us a postal card, asking us to put your name on the list, in order that you may get ALL the news about Alliance, Post M and western Nebraska. The Herald is your paper, it is giving you its support and it wants yours.

National delegate A. D. Rodgers, accompanied by the Mrs., left this noon on train No. 44, bound for Richmond, Va., where he will represent Nebraska and Post M during the National TPA convention to be held all of next week. We wanted to go along awfully bad, and so did all the boys, but A. D. will see that we are not forgotten and will give a full report in this column for our benefit.

OVERLAND THE MOST POPULAR CAR

The watchword of the Overland is quality. The first consideration is to make a car as good as it can be made; the second how many of them can be produced with faithful regard to superior value. Strict adherence to both these conditions has made the Overland what it is; the best automobile value that money can buy.

A reputation so world-wide as to make the name Overland a household word is not earned by a single effort or freely given by a generous public. It has been earned by the Overland cars' matchless performance, on the highways, at the mountain sides, in the hard places, where genuine merit and real mechanical stamnia count.

The Overland Model F, selling for \$1010 F. O. B. Detroit, offers greater refinement, greater combined safety and luxurious ease, combined with smooth running and ample power, than any other car for anywhere near the price. It is a classy, stylish, easy riding, powerful torpedo, fully equipped for the price.
