JESS ITEMS

July 14th.
The weather is fine today.

Mr. Gentry has just arrived from Montana.

W. N. Mathews, who was thrown from a horse on July 6th, is improving.

Fred Helling and wife started the 12th of this month in an automobile for Oklahoma, for a pleasure trip.

Lee Helling's little baby has been very sick for the past week with inflammation of the bowels, but is improving at this writing.

The vicinity of Jess was visited with another hail storm Thursday, July 10, at 4 a. m. The hail lasted for twelve minutes, making a white blanket all over the ground. There was a driving wind which cut the crops very badly. The hail was not so large as it was the 6th of this month, but did more damage, cutting blades off of corn. Can't make over half crop of potatoes, cabbage or other small vegetation.

D. N. Matthews' crops suffered more damage from hail than any others in this vicinity. The heaviest rainfall followed after the hail than there has been for five years. The storm followed the trail of the one of the 6th, moving southeastward.

Surprising Cure of Stomach Trouble

When you have trouble with your stomach or chronic constipation don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stengle, Plainfield, N. J., writes, "For over a month past I have been troubled with my stomach. Everything I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by all dealers. Adv-July-2347

Watch for
THE HERALD'S
Big Booster Edition

to be issued

Thursday, September 18th

The Herald is going to tell the world of the wonderful resources of Alliance, Box Butte County, and Nebraska, in a big booster edition to be issued on Thursday, September 18, 1913. Herald readers remember with pleasure the beautiful, big edition which was issued on March 6th. We are going to try and beat it on September 18th. Over 1,000 copies of this special edition will be sent outside of the state, in addition to those that go to the regular subscription list.

It takes a lot of work, advertising and support from our advertisers and readers to make an edition of this kind what it should be. But it is the finest way on earth of advertising our city, county and state. Advertisers should begin planning for their space. Herald readers will help us by sending in a list of names to whom they would like copies of the special edition sent outside of the state. We want 1,000 names.
