HOMESTEAD ABSENCE BLANKS  
Homesteaders who make use of the leave of absence privilege should be careful to give land office officials the notices required. Blanks for that purpose may now be obtained upon application to the register of the U. S. land office. As an accommodation to homesteaders The Herald a few months ago printed blanks for the above purpose, but now that blanks can be secured at the land office, it will be better for entrymen to get their blanks there, in order that all will have the same form and all notices be the same size for filing.  
A Good Investment.  
W. D. Magli, a well known merchant of Whitehead, Wis., bought a stock of Chamberlain's medicines so as to be able to supply them to his customers. After receiving them he was himself taken sick and says that one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy was worth more to him than the cost of his entire stock of these medicines. For sale by all dealers.—Advertisement.

Moody Bible Institute  
The students of The Moody Bible Institute of Chicago not only have the advantage of the regular instruction in the English Bible, Gospel Music and Practical Methods of Christian Work, but also the benefit of special lectures.  
This summer they have been favored by the inspirational addresses of Rev. R. A. Torrey, D.D., of Los Angeles, Calif., and Rev. A. C. Dixon, D.D., of London, England, besides the heart-to-heart talks of missionaries and Christian workers, who have visited the Institute.  
Arrangements have been made for the coming of the Rev. G. Campbell Morgan, D.D., of London, England, the great Bible Expositor, and Sir William Ramsay, the distinguished archaeologist, who is at present at Antioch in Pisidia. Mrs. Booth-Clibborn of Sussex, England, the daughter of the late General William Booth, will also visit the Institute this fall.  
Dr. Morgan is to be at the Institute in September, at the beginning of the new term, and will deliver the inspirational address Wednesday morning, September 3rd.  
Pastors, Christian workers, and others visiting Chicago during September, should plan to attend these lectures, which like all the work of the Institute, are without charge.
