BIG T. P. A. DANCE

The members of Post M, Traveler's Protective Association, of Alliance, are a live bunch. They have arranged to give a big ball at the Opera House on Friday evening. It is to be the annual Hallowe'en ball and a large crowd is expected to be present.

Jack Hawes

As guests of Post M at the ball Friday evening and during Saturday State President Ewell, National Director Geo. E. Begerow, Directors Dunkin and Holbrook are to be here. They will attend the dance Friday evening, and on Saturday a live campaign will be made for new members.

Alliance is the youngest post in the state. It is called "the baby post" and it is one of the liveliest. There are a total of sixty-two members of the local post in good standing. Roy Strong is president of Post M and Jack Hawes is secretary. The T. P. A. organization has a present membership of 46,952. In the state of Nebraska there are 2048 members. The state officers are: Ed Ewell, Grand Island, president; N. Stanley Brown, Omaha, first vice president; Sam F. Erskine, Norfolk, second vice president; Roy C. Strong, Alliance, third vice president; W. B. Webster, Kearney,

fourth vice president; Perry Franklin, Fremont, fifth vice president; Charles L. Hopper, 643 Brandeis building, Omaha, secretary and treasurer. The traveling men of Alliance give this town a great deal of good advertising. Every man is a booster. Alliance is becoming better known all over Nebraska on account of their efforts. They will prove themselves good hosts at the ball Friday evening.

Our Mr. W. M. Robinson has carefully selected for this great Co-operative Sale of Pianos and Player-Pianos only such makes of instruments that can be unreservedly guaranteed by our company and upon their arrival on our floors are being tested by Prof. Jean Gilbert Jones.

is all it takes to have these pianos or player-pianos put in your home under this Co-operative plan

Get this fixed in your mind: That under this co-operative plan you get a three hundred and fifty dollar **piano** for two hundred and forty-eight dollars and seventy-five cents, **everything included**; or a five hundred and fifty dollar **player-piano** for three hundred and ninety-five dollars, **everything included**. When you see what a tremendous saving this plan offers (after considering your piano purchase wholly from an economical standpoint), then turn to the convenience of the payments.

Any one can co-operate in this extraordinary opportunity, on account of the easy terms. You have to pay out **only five dollars at**

any one time to take advantage of this plan.

Mr. W. M. Robinson writes of the plan

(A PERSONAL CARD)

This plan of buying and selling appeals so strongly to me, that I am constrained to add a personal word to our advertisement.

In the first place, the ECONOMIES of the plan appeal very much to me. When we were first offered the opportunity to join in this co-operative movement, it was ITS ECONOMIES that I considered the best of all its features. Any plan or effort that will reduce the prevailing price of any article to the public, must of necessity do the person or the house that adopts it, a large amount of permanent good.

Then, the whole plan seemed GOOD. It is so FAIR and SQUARE. Everyone participating in it is treated exactly alike. Everyone pays the SAME low price--everyone gets the benefit of the SAME easy terms and everyone gets the SAME safeguards.

In all my years' experience in business I have never known a single instance where the buyer was so absolutely protected in his purchase, as on this association plan. A child can buy one of these pianos on this plan WITH SAFETY. I am glad that our house has adopted it and proud to be associated with it.

Sale began last Thursday morning

While this sale really opened last Thursday, it begins in earnest next Monday, November 3rd. Already many appointments have been made, both by our salesmen and over the phone, with persons who are coming in tomorrow to make their selections. Those who do come in tomorrow—or at least during this week—have this advantage—they will have the greatest number of instruments to select from, that will be on our floors at any one time and are sure to find **all** styles in **all** the various woods.

STORE WILL BE OPEN EVENINGS. OPPOSITE POSTOFFICE, ALLIANCE, NEBR.

Another of the compelling features

And that is—you can have your money back. Yes, sir—you can get **your money back**. You have thirty days' time after the piano is delivered to your home to fully make up your mind. If you become dissatisfied with the piano within that time, you get "you money back." Or, **for any other reason why**—you get your money back and no questions asked.

The whole idea back of this plan of selling pianos is to secure the heartiest good will and the fullest co-operation from every person who participates in it. To accomplish this, the piano itself must be **supremely satisfactory** to its purchasers.

Those who "go in" to own a piano on this plan must see in the first place that they are getting A BIG BARGAIN. That they are getting EASIER conditions of purchase; that they are obtaining MORE privileges and that they are BETTER protected than if they were to buy a piano through the regular run of piano business. And if, after having the piano in their home for a month and going into every phase of the matter carefully, they are not convinced that they have made an exceptionally good "buy"—they then CAN HAVE THEIR MONEY BACK.

How to obtain one of these pianos

To take advantage of this unusual sale, all you have to do is to send or bring in five dollars, for which we will at once give you a receipt.

This five dollars is credited to your account on the co-operative books—leaving two hundred and forty-three dollars and seventy-five cents to be paid.

The co-operative plan then allows one hundred and ninety-five weeks' time in which to pay this amount—at the rate of one dollar and twenty-five cents a week. There are no further payments of any kind to be met.

You can select your piano at once—tomorrow—next day—next week or any other time convenient to you. It will be delivered immediately—next week or next month. The TIME you select your piano and the DATE OF DELIVERY is wholly optional with you.

If not convenient for you to personally select your piano, we will make the selection for you under your instructions, with the understanding that, if at the end of a thirty days' trial the piano is not satisfactory, we will refund your money.
