

BOX BUTTE CO. SCHOOL BULLETIN

District Officers, Teachers, Assessed Valuation, Levy, Census, Months of School —Much Other Information

A year ago Miss Della M. Reed, county superintendent of public instruction, issued a four-page bulletin giving a large amount of useful information, including a school map of the county. The bulletin proved to be so convenient for reference that she has had an edition printed for the year 1913-14. As the matter contained in the bulletin will be interesting to a large number of Herald readers, it is printed herewith, as follows:

INTRODUCTION

To Box Butte County School Officers and Teachers:
The School Bulletin issued a year ago proved to be so convenient and useful that I take pleasure in presenting this second annual edition. You will find it convenient for reference, as you did the Bulletin of last year, and I recommend that you keep it for that purpose.

I think it but justice to all persons concerned to mention that the School Bulletin for 1913-14, as well as the one for 1912-13, is printed without expense to the county, the cost being paid by myself, assisted by the Herald Publishing Company.

Truly yours,
DELLA M. REED,
County Superintendent.

EXPLANATION

The following statement contains a list of the school district officers and teachers of Box Butte county for 1913-14, the number of months school is held in each district, school census for 1913 showing the number of children of school age, total assessed valuation, and the school tax levy. In order to condense the statement as much as possible, some words are not repeated for each district, but the statement will be easily understood by remembering that after the school district number the facts concerning it are given in the following order, except in the Alliance district, where the board of education consists of six members:

- Name of director.
- Name of moderator.
- Name of treasurer.
- Name of teacher or teachers.
- Number months school.
- Census, showing number of children of school age.
- Total assessed valuation.
- Number of mills school levy.

- CLOSES BIG LAND DEAL**
Alliance Land Man Makes Long Trip and Purchases 17 Quarters of Box Butte Land
J. C. McCorkle, head of the Nebraska Land company of Alliance, returned Friday noon from a fourteen days' trip through eastern Kansas, Nebraska, South Dakota and western Iowa. He went first to Beloit, Kansas, then to Sioux City, Ia., then to Yorkton, S. D., then to Tripp, S. D., back to Sioux City and home to Alliance, stopping off at Omaha.
On the trip Mr. McCorkle sold a quarter section of Box Butte county land, and he, with Sioux City parties, purchased 17 quarter sections of land in this county. The land purchased is suitable for irrigation by pumping. It will be placed on the market before spring. Each quarter will be equipped with a pumping plant before being sold.
Constipation Poisons You
If you are constipated, your entire system is poisoned by the waste matter kept in the body—serious results often follow. Use Dr. King's New Life Pills and you will soon get rid of constipation, headache and other troubles. 25c at Druggists or by mail H. E. Bucklen & Co. Phila. & St. Louis.
