VALUE IN OLD CARPETS
A little "want ad" inserted in The Herald some time ago by the Lincoln Rug Factory brought them a nice bunch of business, and as their customers were well pleased with the work done, they wish to reach the many people who will read this special issue thru a neat display ad. The writer had an opportunity recently to inspect at the factory some of the work done for their customers. It is really remarkable what beautiful rugs can be made by their process from old, worn out carpets.
