Building Associations—The total assets of the Building & Loan Associations in Nebraska increased over \$4,000,000 during the last year. It is a pleasure to note that Nebraska ranks eighth in this respect. Nebraska also ranks eighth in total assets in Building & Loan Associations in the country, which is \$30,000,000 and while the Associations of Nebraska are very much larger than in most states, there are also fewer of them than in any other state in the Union where the business has made any headway at all.

We are pleased to see many of our citizens taking active interest in improving their homes and grounds. A little effort on the part of each citizen would give our town a prominent position upon the map.

The Newspaper and the Town

The value of a live, energetic news paper to any town or city is absolutely impossible of estimation. There are so many ways that the newspaper promotes the interest of the city and the individual citizen when it is published that it would be like trying to number the sands of the sea to enumerate them. It is the true friend of the city or town, and every resident thereof, and stands ready to fight the battles even of individual citizens in a way that no other agency has either the nerve or the courage to do. It stands as a great bulwark of defense for the city and for the people.

"But this is only one feature," says the Publisher's Auxiliary. There's another that is seldom given much thought and that is that the newspapers of any town or city are a paying investment for such places as industrial institutions. People welcome with open arms and loud acclaim any factory costing a few thousand dollars and they think the town is wonderfully fortunate in securing a plant that will give employment to a number of people. Sometimes they even put up a bonus to secure such a plant. There are many newspapers which give employment to a number of people. Sometimes nothing is thought of it. The money that comes to the paper is spent in the town or city where it is published. None of it goes away except for ink and paper and some other small supplies that cannot be bought at home. The newspaper is essentially a home institution. It works day and night to build up its home town and state and spends its money freely with home people. It is published on strict business principles these days and that is the reason for the growth and prosperity that has come to many papers during the past few years.

"As a business enterprise, a good newspaper is about the best industry that any town has and its publishers ask nothing but a square deal."

A slandering tongue is more to be dreaded than the most loathsome reptile that crawls upon the face of the earth, for he will give warning before he strikes you—but a slanderer—never.

A man never realizes the superiority of woman so much as when he is sewing on a button without a thimble, pushing the needle against the wall to get it half way through and pulling the other half by hanging on to it with his teeth.

A BIT OF ADVICE

First—Don't Delay. Second—Don't Experiment If you suffer from backache, headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble—they are recommended by thousands. Can residents desire more convincing proof than the statement of a citizen of this locality?

R. W. Gaylord, North Moorehead St., Chadron, Nebr., says: "I have used Doan's Kidney Pills off and on for about fifteen years and I would not be without them in the house. Some time ago I suffered severely from weak kidneys. I finally began using Doan's Kidney Pills and one box removed the attack. I highly recommend Doan's Kidney Pills to anyone suffering from backache or other symptoms of kidney complaint."

SAGE AND SULPHUR DARKENS GRAY HAIR

Brush this through faded, lifeless locks and they become dark, glossy, youthful.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.
