District Manager Locates Here
M. Redfield, district manager of the Brotherhood of American Yeomen, and Mrs. Redfield, arrived in Alliance Tuesday morning from Lincoln. Mr. Redfield was formerly located at Lincoln in the same capacity. He believes that Alliance will be more convenient than Lincoln as headquarters, and has decided to remain here.

Wrestling Becoming Popular
Last Thursday evening, in the club room of the Y. M. B. C., an exciting wrestling match was staged between Messrs. Spacht and Ruderdorf. The young men were evenly matched. Owing to lack of training for the event, the match ended after one fall had been taken by Spacht. On Thursday (tonight) another match will be pulled off by two of the boys and promises to be as interesting as the last one. The regular Bible study is of course first taken up, and all business matters attended to, after which the athletic exhibitions are given.

NOTICE

So the people may know—I wish to announce to the patrons of the Alliance Cleaning Works and others: That I have not sold my cleaning and pressing establishment as has been reported. I have opened a new and up-to-date millinery store in the building adjoining my cleaning shop, and have a competent trimmer from St. Joseph in charge and I have charge of the cleaning and pressing myself. Have just returned from St. Joseph and Des Moines and am ready to look after my work.

New County Silos

A. H. Grove finished a new pit silo on his farm last Thursday morning. The size is 16x30 feet, and has a capacity of 120 tons. It took three weeks to build, at a cost of \$135.

C. L. Powell is another progressive Box Butte county farmer who is putting in a new silo. He started work on it Friday.

Will Go to Cheyenne

Geo. E. Begerow of Omaha and Roy Strong of Alliance, officials of the Nebraska division of the Travelers Protective Association, will go to Cheyenne on September 19 to organize a new post at that place. This will be the first post in Wyoming, and will be under the Nebraska jurisdiction. Mr. Strong is vice president of the Nebraska division and Mr. Begerow is a national director.

Weather Continues Warm

The weather in Alliance has continued warm since last week, there being one or two cool days. Farmers are hoping that frost will keep away for some time yet in order that potatoes may get a full growth—vines are still green.

A number of Burlington officials left the first of the week in a special train for a trip along the North Platte Valley, via Guernsey, and over the new Burlington extension east from Casper. In the party were Officials Kolar, Roup, Young, Peckenpugh and Griggs.
