CANDIDATE FOR STATE SENATOR

Stand up for Northwestern Nebraska by Voting for Man Who Will Do Something if Elected

TO THE VOTERS OF THE 28TH SENATORIAL DISTRICT IN THE STATE OF NEBRASKA: As it has required many years of long and consistent fighting to successfully combat the foes of good government, here are a few good reasons why you should support GEORGE M. ADAMS for state senator at the coming election and show your approval of his record in the 1907 session of the Nebraska legislature, which legislature enacted some of the best and most wholesome legislation that had ever been enacted in this state up to that time.

He was recognized at that session as one of the Democratic leaders. He supported and voted for all these important measures:

He was in the fight that gave you the 2 cent passenger rate law, which the railway companies have since admitted they are making money under. He was in the fight that gave you the anti-pass law, which put all parties on equal terms with the railroad companies, and made the party who was able to pay his fare do so, just the same as any other individual.

He was in the fight that gave you the 15 per cent freight rate reduction on all car loads of CATTLE, POTATOES, GRAIN, FLOUR and BUILDING MATERIAL of all kinds, which has saved the people of Nebraska many thousands of dollars in the last seven years.

He was in the fight that gave you the 25 per cent express rate reduction. And the express companies admit they were making money under same as they have since reduced the rates much lower on their own initiative to compete with the parcels post rates.

He was in the fight that gave you the railway commission bill which has saved the people of Nebraska hundreds of thousands of dollars in freight charges, and forced the various companies to give the people of Nebraska better service and improvements at all railway stations.

He was in the fight for the law known as the tax levy appeal which forces the large tax payers and corporations to pay their taxes just the same as any other individual as certified upon the tax list and not allow them to hold hundreds of thousands of dollars in their treasuries for years and finally make a compromise with the various county commissioners in the state for about 50 cents on the dollar in order to avoid a long drawn out expensive law suit, when the common people were obliged to pay their taxes in full with interest and penalty added.

He was in the legislature that gave you the child labor law. He was in the legislature that gave you the PURE FOOD LAW and if elected believes that it should be amended to conform to the present day needs.

He was in the legislature that gave you the primary election law which enables every voter of the state to have a voice in saying whom he wants as a public servant, to act in a public capacity, and is now convinced that there is room for some beneficial amendments to same.

He was in the legislature when the 5th joint resolution was passed making application to the congress of the United States for the calling a convention for the proposing of amendments to the constitution of the United States, that our senators should be elected by a direct vote of the people and not by a legislature.

He was in the legislature that gave you the employers liability law or what was commonly called the fellow servant act.

On all these important laws the name of Mr. Adams was first to be called in the house, and he never made it a business to be some other place at voting time but in his seat, and not wait until the second call of his name in order to dodge an issue and see if it was popular with the majority or not to see which way he should vote.

So for the coming legislature if the voters of this district feel so disposed at the election to elect Mr. Adams to the senate, look for constructive, effective, wise and beneficial laws. For instance, such as the proposed BONDED-PUBLIC WAREHOUSE LAW for GRAIN, HAY and all other kinds of farm products. You can never expect this law from a republican legislature as that party at their state convention this year at Lincoln refused to endorse that plank, and the leaders of that party would not submit to its passage or work for same. This is a reform that will mean more to the people of Nebraska in dollars and cents, than any other law enacted in this state.

He will also work hard to secure an adequate appropriation for the state of Nebraska for the purpose of sending agricultural experts into the sand hills of this state to experiment in the selection and propagation of new forage grasses, that will grow and thrive in our sandy soil. A successful effort of this kind will enhance the value of every acre of land in this district whether owned

by ranchman, farmer, or homesteader.

Also, if you approve of the administration of President Woodrow Wilson, you should say so by your vote, and send a democrat this year to the senate.—Adv. 44-21-3838

MARRIED AT BROKEN BOW

Alliance Young Man and Broken Bow Young Lady Launch upon Sea of Matrimony

"Two souls with but a single thought, two hearts that beat as one," make a very agreeable companionship on life's voyage across the matrimonial sea. A happy event occurred at the home of Mr. and Mrs. Alvin Burk in Broken Bow, on Wednesday night, Sept. 30, 1914. It was the marriage of Mrs. Burk's sister, Miss Hazel Bennett, to Mr. Earl L. Knapp of Alliance. Rev. Fraser, pastor of the Presbyterian church of Broken Bow, officiated.

After the wedding, Mr. and Mrs. Knapp took the train for Alliance, their future home. During the absence from the city of Mrs. G. W. Emery, who is teaching school in Morrill county again this year, they will keep house at the Emery home, 418 Sweetwater avenue.

The following regarding the wedding is taken from the Broken Bow Republican:

The bride is one of Broken Bow's highly esteemed girls and has for several years been clerk in H. B. Drake's dry goods store.

The groom is a young man of high moral character and integrity in the employ of the Burlington shops at Alliance, where they will make their home. They left for the west on the midnight train. Hazel played the quiet game pretty cute and worked in the store up to 5 o'clock last night that no suspicion might be awakened among her host of young friends. But in some way the cat was let out of the wallet. After the picture shows were out the young people gathered in numbers and showed the newly married couple a hot time until they had boarded the train for the west. Many friends join the Republican in extending congratulations to them.

Union Teacher Training Club

The Alliance Union Teacher Training Club held an interesting meeting Sunday afternoon in the Methodist church. Mr. Thomas, the president, took charge of the meeting, as Rev. Seel, instructor, could not be there. A much larger attendance is desired next Sunday afternoon, at 3 o'clock, in the Methodist church. Seats will be reserved for any who wish to visit. Come and bring some one with you, and be on time.

Sheridan County Candidate

John Peters, democratic candidate for sheriff of Sheridan county, was in Alliance one day this week calling on friends. When Sheriff A. D. New was a candidate for re-election it was not worth while for any one else to get into the race, but since he has declined to be a candidate again, there is a merry scramble for the office. The Herald is informed that there is a three-cornered contest for the office this year, with chances favorable to Mr. Peters.

Joe Bell, a retired Rushville business man, passed through Alliance Tuesday in company with Mrs. Bell and other relatives. UNIQUE SIGNS ON NEWBERRY BL'K

Artistic and Unusual Signs Adorn the New Three Story Newberry Building being Finished

Wm. E. Hagan, foreman of the tin shop at Newberry's, has produced copper signs for the new Newberry block that are the well known Newberry trademark signature, the year 1888, when Mr. Newberry started in business in Alliance, and the present year.

Sign men say that nothing of this character has been produced in this part of the west. The signs were designed and made in the shop at Alliance. They match the exterior appearance of the building very well and add greatly to its artistic appearance.

Mrs. E. B. Smith, Recently from Florida, Passed Away Last Saturday Noon

E. B. Smith and wife, Mrs. Emma Smith, with their two adopted daughters, Hilda and Maggie, the children of Mrs. Smith's sister, came to Alliance about two months ago from Florida, coming here for Mr. Smith's health, which was poor in the southland. After a short illness, Mrs. Smith died last Saturday noon, Oct. 3rd. About a week prior to her death she was taken sick with a cold, developing into pneumonia, which quickly took her away. The funeral was held from the Drake residence, Sunday, at 3 p. m., conducted by Rev. Seel, pastor of the First Presbyterian church. Interment was in Greenwood cemetery.

Altho the deceased had been in Alliance only a short time, many Herald readers will join in offering their sympathy to the bereaved relatives.
