

TELLS OF THE FORMER DAYS

A. S. Reed, Former Alliance Resident and Business Man, Writes of the Old Days Here

The Herald received a letter the first of the week from A. S. Reed, one of the first settlers at Box Butte county, who moved 70 years ago to Phoenix, Arizona. The letter says:

"Phoenix, Ariz., Nov. 8, 1914. Gentlemen: Enclosed find check to pay my subscription for The Herald. It has reached us regularly the past year and each week tells us something about the state and people we lived so long with. We like it very much.

"We like our new home very much but miss our friends of so long a standing. We like the people here and have formed new friendships. We lived in Box Butte county twenty-five years and saw Alliance spring from a bare prairie to a good town. I well remember of killing a coyote where the town now stands. It was in the fall of 1886. There were hundreds of antelope crossing the spot where the town now stands, when we had our first snow storm that fall. They were all going west.

"At the election last Tuesday we passed an amendment to the state constitution putting the state of Arizona dry by a good majority. We had so many parties and voted on so many laws that it took a ballot two feet by three feet to get all of it on, and in some of the precincts it took more than fifty hours to count the votes. We have six men on the election board and each man gets fifty cents per hour.

"Through the Initiative and Referendum we are called on to vote on all kinds of laws. If any man thinks he would like to have some law passed, all he has to do is to draw up a bill and go out and get signatures enough on a petition (and that doesn't seem to be a hard thing to do) and then we all can go into the law-making business. This being a new and progressive state we are called on to vote on a good many laws that might or might not be what would prove a benefit to the people. Whether they prove good or bad, the governor cannot veto them.

"With good wishes to all our friends in Box Butte county, I am, very truly yours, A. S. REED."

M. B. A. LODGE STILL GROWING

New Members Initiated at Last Regular Meeting and Others Elected to the Membership

S. S. Hayman of Grand Island, state manager of the Medera Brotherhood of America, and Mel A. Schmied, editor of the Dakota City, Nebr., Eagle and special deputy of the order, attended the regular meeting of the Alliance lodge last Thursday night. At this meeting a number of new members were initiated and other candidates for membership voted upon.

Mr. Hayman and Mr. Schmied met in Alliance by chance, and not by previous appointment, as it might seem on account of both arriving on the same day. The former, who has an extensive acquaintance in this city on account of previous visits, remained about a week working in the interest of the local lodge. Mr. Schmied left on Friday. Both of these gentlemen impress one as earnest, sincere workers for the fraternity which they believe carries the best insurance extant, and it is not surprising that their efforts meet with success.

INSTALLATIONS ARE COMPLETED

Fire Department Club Rooms and Equipment Rooms Completed. Ready for New Truck

The work of remodeling the fire department rooms in the city hall, in preparation for the arrival of the new truck, has been completed. Sleeping quarters for L. E. Pilkington, driver of the truck, have been completed and a large door, hung on weights, has been placed at the front of the fire equipment quarters. This door can be raised in a few seconds and will allow the quick exit of the truck on the way to a fire.

An electric signal system has been installed so that two large gongs will be rung by the telephone central when the alarm is turned in, bringing the firemen from their quarters. The automatic fire bell system works perfectly, ringing the fire bell by means of heavy weights which work the bell tapping mechanism.

FIREMEN HAVE NARROW ESCAPE

Thrown Under Feet of Heavy Dray Horses—Miss Being Killed by Very Small Margin

P. E. Romig, chief, and Charley Schafer, a member, of the Alliance volunteer fire department, had a narrow escape from death or serious injury when they were thrown under the feet of a team of heavy dray horses while running to the city hall Saturday evening in answer to a call of fire.

The alarm, which proved to be a false one, went in at 5:25 o'clock. Romig and Schafer were running from the Riordan corner and as they started to cross the alley adjoining the city hall they collided with the

team which was coming at full speed up the alley. Chief Romig was thrown under the feet of the horses but was held by Schafer, who grasped the tongue of the wagon, until the team was stopped.

Heart Disease Almost Fatal to Young Girl

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her

bed near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it and she began to improve. She took a great many bottles, but she is now a first, very confident girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. R. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet, or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.

Dr. Miles' Heart Remedy is sold and guaranteed by all druggists.
