Casualties from train wrecks and automobile mishaps are in nowise palliated by the larger casualty list of the war.

TOO MANY CHILDREN

are under-size, under-weight

with pinched faces and poor blood; they do not complain but appetite lags, they have no ambition and do not progress.

Such children need the rich medicinal nourishment in *Scott's Emulsion* above everything else; its pure cod liver oil contains nature's own blood-forming, flesh-building fats which quickly show in rosy cheeks, better appetite, firm flesh and sturdy frames.

If your children are languid, tired when rising, catch cold easily or find their studies difficult, give them *Scott's Emulsion*; it supplies the very food elements that their systems lack.

Scott's Emulsion contains no alcohol and is so good for growing children it's pity to keep it from them.

What happens after it lights?

The fact that a match lights only on a box does not make it a safe match.

What happens when it lights and after it lights? That is what counts.

Does it "spark" or fly? Does the head drop off? Does the stick break?

A match that does any of these things is dangerous. You cannot afford to use it. Safe Home Matches are absolutely safe.

They light not only on the box, but also on any ordinary abrasive surface. They burn evenly. They are non-poisonous. When you blow one out, it goes out and it stays out—there is no after-glow.

All grocers. Five cents a box.

Honest Prices Here—NO OVER-CHARGING!

One price for all at this drug store. We are sorry to say some pharmacists will charge one person a certain price for putting up a prescription and another person a different price for practically the same prescription. It is the same with drugs. The public is often unfamiliar with what is a reasonable price and what is not. We have a regular standard of prices, and we do not overcharge.

LOCAL DRUGGIST MAKES MANY FRIENDS

H. Thiele, druggist, reports they are making many friends through the QUICK benefit which Alliance people receive from the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka. This remedy became famous by curing appendicitis and it is the most thorough bowel cleanser known, acting on BOTH the lower and upper bowel. JUST ONE DOSE of Adler-i-ka relieves constipation and gas on the stomach almost IMMEDIATELY. — Adv.-nov 12-4089
