ACT QUICKLY

Delay Has Been Dangerous in Alliance
Do the right thing at the right time.
Act quickly in time of danger.
In time of kidney danger Doan's Kidney Pills are most effective.
Plenty of evidence of their worth. Samuel Bixler, retired farmer, Gordon, Nebr., says: "I served over four years in the army and the result was a chronic case of kidney complaint. I had to get up seven or eight times at night to pass the kidney secretions and I noticed that their appearance was unnatural. My whole body ached and I had pain in my joints. These parts of my body often swelled and caused me no end of annoyance. Often, everything before me got black and spots floated before my eyes. My heart palpitated violently and I had fainting spells. I know that I will never be real well again, on account of my advanced age, but I wish to express my gratitude for the benefit Doan's Kidney Pills brought me. All I have said about this remedy when I have recommended it before holds good."
Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bixler had. Foster-Milburn Co., Props., Buffalo, N. Y.
European soldiers will not care much about having outdoor sleeping porches after their experiences in the trenches.

ASHBY NEWS

Ashty, Nebr., Jan. 5.—The dance at Emil Crumroy's place on New Year's eve was attended by quite a crowd, who seemed to have a good time. A delicious lunch was served just as the old year went out and the new one in.
School started again Monday after a short vacation during the holidays.
B. W. Thurston, wife and daughter visited relatives in this vicinity a few days the latter part of the week.
A few of the neighbors gathered in and surprised J. P. Babb and family on New Year's eve. Every one enjoyed himself immensely and stayed until early morn.
Fred Engel is laid up with another siege of rheumatism. Dr. Howell of Hyannis was called to attend him.
Miss Jessie Thompson who has been spending her vacation with her sister Mrs. A. W. Thorman, left Saturday for Gordon, near where she is teaching.
James Freeman, who has been visiting his sister Mrs. E. C. Montgomery for the past two weeks left Sunday for his home at Shady Bend, Kans.
Mrs. Wm. Kuhle and son William, Jr., left Sunday for West Point, Nebr., to visit a month or two with her mother.
Miss Lulu Bixby, who has spent her vacation with her parents at Spade, left Sunday for Lincoln where she will again take up her work at the University.
Mrs. F. B. Sterns and children moved into town the latter part of the week and the boys are now in school here.
The Bunch Grass ladies entertained their husbands at dinner at the Stanbic ranch last Wednesday, Dec. 30. As the hospitality of the Bunch Grass as entertainers is known far and near, nothing further need be said.
The ladies of the Ashty Emb. club entertained their husbands and families at a party on New Year's evening at the Kendall home.
John Dunn, who left some time ago for Denver with his family, came down Sunday afternoon on a business trip.
Ralph Remour had several teams hauling corn last week to feed a car load of hogs he is getting ready for market.
Indian Marriage at Chadron
Chadron, Nebr., Jan. 4.—Miss Josephine Richards, granddaughter of the famous Indian chief Red Cloud, now deceased, was married here today to James Galigo, a wealthy Indian ranchman of South Dakota.
The bridesmaid was Miss Angelina Killa Above, a sister of the bride. James Roam Eagle was the best

man. All came from the Pine Ridge agency in South Dakota.
County Judge Slatter received as his fee for performing the ceremony \$50 and a fine saddle horse. The couple have a \$6,000 automobile, with which they expect to take their wedding trip to the Panama exposition in the spring. The bride's dowry is said to be 1,000 head of cattle and 500 blooded horses.

FAMILY NEEDS ASSISTANCE

Will Dunlap, Paralyzed for Several Years, Confined to Bed with Sickness
Will Dunlap, who lives at 607 Sweetwater avenue and who has been partly paralyzed for several years, is confined to his bed and is in bad shape physically. His wife died several years ago and he has since that time supported two daughters, aged about eight and ten years, by doing canvassing and other kinds of work which he could handle.
Mr. Dunlap, in spite of his physical infirmities, has made a living for both himself and the two little girls. Now that he is bedfast and alone at home with them, they are in need of immediate assistance in the way of food and clothing. Kind hearted Alliance people could do an act of mercy by assisting this deserving man and his two children at once. A man who has kept working in spite of infirmities which would keep many other men bedfast deserves both sympathy and assistance.

GOOD SUGGESTION TO ALLIANCE PEOPLE

It is surprising the amount of old, foul matter the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka, drains from the system. This remedy became famous by curing appendicitis and acts on BOTH the upper and lower bowel so thoroughly that ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. We are mighty glad we are Alliance agents for Adler-i-ka. H. Thiele, druggist.

To Chicago for Treatment

For two years past Genieva, the five-year old daughter of Mrs. J. B. Knies, has suffered with a knee joint disease that has baffled the skill of the physicians. For some time past she has been quite lame and it is feared that the lameness will be permanent. Mrs. Knies

Good Printing
is more than just a matter of press, some type, ink and paper.

Good Printing
requires nice judgment in the matter of display, ornamentation, margin, and color schemes. Good printing for the blacksmith wouldn't do for the milliner.

Good Printing
We do it. We admit it cheerfully. Call three-four-oh, and let us demonstrate.
