## WILL ENFORCE DOG KILLING

Bill Introduced by Western Representatives in State Legislature to Exterminate Prairie Dogs

Prairie dogs and gophers, which have been doing great damage to fields and pastures in many parts of Nebraska, are to be systematically exterminated by a yearly campaign for their destruction, under the terms of a bill which will be introduced in the legislature soon by Representatives Foster, Broome, Hornby and Stearns.  
This will be done without resorting to the unpopular expedient of paying a bounty for the pelts of the troublesome animals, which has been proposed in other legislative sessions but never became a law.  
The bill will make it the duty of every land owner in the state to kill off all gophers and prairie dogs inhabiting his acreage, before November 1 of each year. Should this duty be neglected it will then become the duty of the road overseer to go upon the land and exterminate the animals, after giving thirty days' notice.  
For this work, the overseer is to be allowed \$3 per day and his expenses for buying poison or other suitable material or apparatus to accomplish the end in view. An itemized list of his fees and expenses must be kept. When this is filed with the county clerk, accompanied by a proper affidavit, that official must enter the amount charged against each piece of land upon the county tax lists, and it is made the treasurer's duty to collect it the same as other real estate taxes.  
Where the prairie dog or gopher nuisance exists on state school lands the amount of expenses and fees shall be certified by the county clerk to the state auditor, and the latter will thereupon draw a warrant upon the state general fund in favor of the county where the service was rendered.  
Where the nuisance infests a public highway, the work done in killing off the animals will be charged up to the county general fund. If on a corporation's right-of-way, the corporation will have to pay. In the case of irrigation or drainage canals, the cost will be assessed to the abutting lands. Public parks will be rid of the creatures at the expense of the authorities having jurisdiction over them.  
Where privately owned land is unoccupied, and in the cases of state school lands, corporation rights-of-way, canals and parks, the road overseer need not serve notice in the regular form of his intention to go upon the land and destroy the animals, but need only post notice to that effect.

**Notice to Bidders**  
The board of county commissioners of Box Butte County, Nebraska, will receive bids for the lease of the county farm, same being the north one-half of section 17, township 25, range 48, until twelve o'clock noon of the first day of February, 1915. Bids will be considered for one or two years. The board reserves the right to reject any or all bids.

**Successful Junior League Social**  
Rev. J. E. Kendall of Lakeside was in Alliance last Saturday, on his way to Fairview where he preached Sunday forenoon. He informed The Herald that the Junior League of his church at Lakeside gave a successful box social in the Woodman hall in that town on Friday evening. The Juniors took upon themselves the task of raising money for the purchase of a stove for the new Methodist church at Lakeside, and quite well did they succeed. They gave a Christmas entertainment, including the rendering of an appropriate program, at which they raised about \$15, and last Friday night they made \$21.90 out of the box social, making a total of nearly \$40.

**Visited Old Friends**  
Rev. W. C. Harper of Madison, Nebr., was one of the many people from out of town who attended the Odd Fellows' celebration in Alliance last week. He decided to visit some old time friends, relatives of his wife, before leaving Box Butte county. Accordingly he went to Hemingford on Thursday, and from there out to the home of Mr. and Mrs. A. S. Enyeart, remaining there till the next day. Mr. Harper was pastor of the M. E. church at Scottsbluff several years, being transferred from there to Madison last fall.

**SAGE TEA DARKENS HAIR TO ANY SHADE**  
Don't stay gray! Here's a simple recipe that anybody can apply with a hair brush.  
The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, soiled or streaked appearance, this simple mixture was applied with wonder:  
But brewing at home is messy a lot of date. Nowadays, by asking a drug store for a 50 cent bottle of "Wetly's Sage and Sulphur Hair Restorer," you will get this famous ointment which can be depended upon to restore natural color and beauty to thinning hair. It is splendid for dandruff, itching, itchy scalp and falling hair. It's a well-known downtown druggist who darkens the hair so naturally and so fast that nobody can tell it has been treated. You simply dampen a sponge with soft brush with it and draw it through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark, glossy, and abundant.

## The California Expositions

These great events, together with the travel attractions of a Coast tour, will draw during the immediate future thousands of travelers from East of the mountains.  
The Exposition excursion rates will become effective March 1st, but the same favorable rates will be made February 7th and 8th to cover an advance volume of travel. The rates apply for diverse tours, via Denver, through the Northwest, making a grand circuit; in a tour of California including the journey through the Pacific Northwest, your attention is directed to the new steamer service between Portland and San Francisco—the ocean-going express steamers, "Northern Pacific" and "Great Northern." Accommodations on each of these "palaces of the Pacific" for over 500 first-cabin passengers.  
Full particulars regarding this new steamship feature of the Coast journey available at an early date.  
Plan to make this ocean voyage a part of your tour.  
Winter tourist rates through the South and California now in effect.
