

LIVE STOCK PRICES AT SOUTH OMAHA

Cattle Trade Is Better on Very
Light Receipts.

SLIGHT DECLINE IN HOGS.

Sheep and Lambs 10@25c Lower.
Opening Trade Is Slow—Mexican
Lambs Reach \$8.65—No Feeders to
Speak Of.

Union Stock Yards, South Omaha,
Feb. 9.—A comparatively light run of
cattle showed up yesterday, about 2,
000 head. Beef steers were active, but
not so very much stronger than they
were the latter part of last week. Bids
and sales were naturally very uneven,
ranging all the way from steady to
fully a dime better than Friday. Trade
in cows and heifers was also more ac-
tive and prices right around 10@15c
higher than Friday. Veal calves were
in active request and quotably strong,
and there was a better outlet and a
somewhat firmer market for bulls,
stags, etc. There was scarcely any de-
mand from the country for stockers
and feeders and trade was very slow,
with prices about on a par with the
low time last week. Stock cows and
heifers, as well as stock calves, were
slow sale at about last week's closing
figures.

Cattle quotations: Good to choice
beeves, \$7.50@8.00; fair to good
beeves, \$7.00@7.40; common to fair
beeves, \$6.00@7.00; good to choice
heifers, \$6.25@7.25; good to choice
cows, \$5.75@6.25; fair to good cows,
\$5.00@5.65; canners and cutters, \$4.00
@4.75; veal calves, \$7.25@10.25; bulls,
stags, etc., \$5.00@6.00; good to choice
feeders, \$7.00@7.50; fair to good feed-
ers, \$6.25@6.75; common to fair feed-
ers, \$5.25@6.00; stock heifers, \$5.25@
6.00; stock cows, \$4.75@5.75; stock
calves, \$6.00@7.50.

Some 7,000 hogs arrived yesterday.
The market was very dull yesterday,
with prices weak to 5c lower than last
Saturday. The bulk of the offerings
moved at \$6.70@6.72½, and tops
reached \$6.80.

Sheep and lamb receipts totaled 18,
000 head. On account of the liberal
receipts the market was slow and
anywhere from 10c to 25c lower than
the close of last week. Some Mexican
lambs brought \$8.65, and some fed
western grades reached \$8.55. The
bulk of the fat ewes moved at \$6.25
@6.40.

Quotations on sheep and lambs:
Lambs, Mexican, \$8.60@8.75; lambs,
fed westerns, \$8.30@8.60; lambs, fair

Advertisement by Telegram

That advertising space in The Her-
ald is appreciated by business firms
who want results is shown by the
fact that the half-page advertisement
printed in this issue of The Herald
was ordered by telegram Wednesday
morning from Mousel Brothers,
Cambridge, Nebraska. Robert Mous-
el, manager, telegraphed the order
and complete copy for the advertise-
ment, in order that this issue should
not be missed. Local advertisers
should consider these facts—if out-
side advertisers appreciate the value
of Herald advertising enough to wire
in the copy, knowing that it brings
results, the local merchant and busi-
ness man, who can have a Herald
advertising man within five minutes
at any time, by phoning 340, should
take advantage of the opportunity to
place his advertising where it brings
results. Hot air and sensational, un-
reliable news articles do not make a
newspaper. Circulation, reliable
news, and satisfactory service, are
the product of The Herald office.

Birthday on Tuesday

lunch man, who has headquarters at
the Betzold saloon, celebrated his

delicious banquet. Ed is getting to
be an old-timer in Alliance and he
has a wide acquaintance. This did
not deter him from showing them
that he is forty years young instead
of that old.
