Sunday Games in Black Face Holiday Games in Parenthesis

### CHADRON NORMAL NOTES

Chadron, Nebr., April 14—Miss McMillan spent the week end vacation with her aunt in Crawford.

The sixth grade geography class is studying the western states, with Miss Hyser as instructor.

Miss Steelberg served as a judge for the district declamatory contest last Friday night.

Miss Schuebel in the fifth grade history class is presenting work on Daniel Webster and Henry Clay.

Several of the ministers of the city met with Miss Morris in the office after chapel Monday.

President Sparks left Sunday evening to attend a board meeting at Lincoln. He intends to return before Friday.

Claire Gorton and Marie Finch, who have been teaching in the country, enrolled with the junior class of the Normal last week.

Miss Elma Sturdevant has charge of the sewing class in the fifth and sixth grades. At present, these grades are hemming sash curtains for the sixth grade room. This work is under the supervision of Miss Dellzell.

Miss Smith's sixth grade reading class have been studying Washington's address to his troops before the battle of Long Island. Excellent interpretative work was done on these lessons.

Superintendent Chambers of Minatare, Reverend Williams and Reverend Dillon of Chadron were chapel visitors last Monday. Superintendent Chambers visited Chadron and the Normal in search of good teachers to fill vacancies for the Minatare schools next year.

Participants in the declamatory contest and visitors from Rushville and Gordon visited chapel Friday. Superintendent Jackson of the Rushville schools gave a short talk, expressed his interest in the Normal, and urged attendance upon the contest in the evening, if the students wished to hear speeches from Rushville.

Miss Morris, territorial secretary of the Y. W. C. A., has been with the girls this week meeting the various committees and the cabinet, and planning for the future work of the association. When Miss Morris was here last fall, there was no society started; but now she finds on her return visit, a well organized and growing society.

Friday, Miss Morris, the Y. W. C. A. secretary, visited chapel. She gave a very interesting talk on the value of the Y. W. C. A. and the Y. M. C. A. to a community. She spoke of the value of ideals in student life and the need of loyalty to societies, to the school, to one's fellow-students and to his church. Several students were present who did not hear her other helpful talks on Saturday night and Sunday afternoon, to gatherings of girls and women.

On Saturday evening, a banquet was given by the Y. W. C. A. girls in honor of Miss Morris in the dormitory. The girls who are not members, but who are helping in the past were also guests. A delicious dinner was served, after which Miss Morris gave an interesting and helpful talk. Some of the favorite Estes Park songs were sung.

The chapel was well filled Sunday afternoon to hear Miss Morris speak. Mrs. Sparks presided and read the scripture lesson. Mrs. Hargis offered prayer. Special musical numbers were rendered by the A. F. P. quartet and by a trio consisting of Mrs. Mann, Mrs. Hargis, and Miss Hicks. Miss Morris' talk was one of the very helpful. We wish that we might have Miss Morris with us again in the near future.

At the recent regular professional meeting of the faculty, President Sparks gave a most interesting and inspiring report of the meetings of the National organization of superintendents and principals at Cincinnati, and of the Normal school principals at Chicago. Mr. Sparks has attended these meetings for several years and always brings to his faculty live messages of professional spirit and cultivation. The usual discussion of current events by the faculty was followed by an excellent discussion on the Montessori method by Miss Frazier, who has made a careful study of this as of other modern primary methods.

The training class at the Normal observed in Miss Driscoll's room the past week. Some very interesting

work in reading was presented. One lesson was devoted to the study of Robert Louis Stevenson and his poems. Each child recited his favorite poem from "A Child's Garden of Verses". Dramatization work received special emphasis. On Friday morning the play "Little Two Eyes" from the dramatic readers "Folk Tales from Grimm" was presented.

Those taking part were as follows:

Mother ..... Winifred Wilson.  
One Eye ..... Doris Braddock.  
Two Eyes ..... Anna Rose Kurt.  
Three Eyes ..... Margaret Wright.  
Fairy ..... Helen Schwiager.  
Prince ..... Graham Richert.  
Attendant ..... Kennan Skeen.  
Goat ..... Walter Wood.  
Tree ..... Burdette Randall.  
Maid ..... Margaret Chisholm.

Scene settings were read by Lewis Maikie and Margaret Unthank. The dramatization was done in a very creditable manner, the young actors showing no little dramatic ability. The practice teachers greatly appreciated the efforts put forth in their behalf.

During the summer session of the Chadron State Normal, the department of agriculture will offer courses I and II, with possibility of course III. Course I is intended for those preparing to handle agriculture in rural schools. It includes preparation of teachers for examination. A text is used, and this is supplemented by laboratory work and school gardening. This course requires five hours attendance and gives two and one-half hours credit for work done in the summer session. Course II offers preparation for high school teachers in schools where only one semester of agriculture is taught. This course includes a study of field crops and soils. In the latter, composition and management are especially considered. Since this question of soil management is of such importance to western Nebraska, this course is much needed by teachers in this part of the state. During the summer session, course II requires a double period's attendance and four hours laboratory work and gives five hours credit. Course III is a study of best breeds of farm animals, feeding and dairying. This course requires five hours attendance and four hours laboratory work and gives two and one-half hours credit.

The work of the entire department has been arranged to supply the demand of teachers, in general, and to meet conditions existing in the western part of the state. The texts and laboratory equipment are modern. The whole department is directly supervised by Dean W. T. Stockdale.

**METCALFE'S PAPER—  
THE OMAHA NEBRASKAN**

Subscriptions to Richard L. Metcalfe's paper, The Omaha Nebraskan, will be received at The Herald office at the regular subscription price of \$1.50 per year. Mr. Metcalfe is conceded to be one of the best editorial writers in America. Herald readers all know him, by reputation if not personally, and no doubt many of them would like to become regular readers of his paper. We shall be pleased to forward your subscription at any time.

**The Red Goose Was Here**

Saturday afternoon, long before the appointed time, dozens of eager children had crowded in front of the Harper department store to get a sight of the famous red goose, which has helped make Red Goose school shoes famous, this line being handled by Mr. Harper. At 2:30 the big goose stalked down Box Butte avenue, followed by all these children, and others who joined the procession as it moved along. Whistles, pencils and other gifts were presented to the children.

The red goose stands about ten feet high; is of a deep red color, and at every few steps opens its mouth and emits a loud "squawk", which always brings applause from the children. L. G. Gish, traveling representative of the Friedman-Shelby Shoe Co., takes the "animal" along with him on his trips and superintends the demonstrations.

**LESS MEAT IF BACK  
AND KIDNEYS HURT**

Take a glass of Salts to flush Kidneys  
if Bladder bothers you—Drink  
lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; it is a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

### OLD-TIME COLD CURE— DRINK HOT TEA!

Get a small package of Hamburg Brest Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

### RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Stop "dosing" Rheumatism.  
It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia.

Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

### WHERE WILL YOU GO THIS SUMMER

HAVE YOU IN MIND A JOURNEY BACK EAST?

In due time an attractive scheme of Eastern summer tours will be announced, that will permit you to include in one circuit tour many of the prominent resorts and historical localities, as well as the great cities.

**IN THE WEST.**

Right nearby you are summer localities which are attracting many visitors from the seashore and the East. For instance, Estes Park, Colo., just north of Denver, the Black Hills and their beautiful resort of Hot Springs, S. D., the resorts and ranches in the Big Horn Mountains in the Sheridan locality, the Absoraka Mountains beyond Cody, and the newest resort, Thermopolis Hot Springs, on the New Denver-Billings line.

**THE NATIONAL PARKS.**

This is going to be a big season for Glacier and Yellowstone National Parks, two of the most scenic regions available for tourists; complete and comfortable transportation arrangements will be maintained as usual via Cody, the east entrance to the Yellowstone, as well as via the Gardiner entrance.

Publications now coming off the press. Ask us for those descriptive of any locality you have in mind.
