The office and sheds of the Forest Lumber company are receiving a coat of white paint this week, which shows that this company is right in line with the paint-up campaign, and it also enhances the appearance of the yard considerably.

**Rev. J. A. Renwick, D. D.,** synodical superintendent of missions of the United Presbyterian Synod of Nebraska, will preach next Sabbath morning and evening in the United Presbyterian church. In the morning the sacrament of the Lord's Supper will be observed. All members are urged to be present.

The Rubinoffs, who closed an engagement at the Imperial theatre last evening, were classed by all who heard them as one of the best acts that ever visited Alliance. Their repertoire consists mostly of grand opera selections, and they are in a class by themselves. They have lately been traveling with one of the highest class grand opera companies on the road.

During the past week new Ford cars have been sold by the Keeler-Coursey company to Robert Garrett, of Alliance, W. D. Fisher, of Alliance, Dr. O. E. Williams, of Alliance, Chas. Johnson, of Long Lake, and C. H. Anderson, of Bingham.

The recital by Miss Eunice Burnett at the Haddorf Music house Monday evening was attended by a large and appreciative audience. Miss Millie Smalley assisted in the rendition of the duet from Martha, and Miss Beulah Smith presided at the piano. It had been the intention to give the recital last Saturday evening, but owing to the inclement weather of that date it was postponed until Monday.

**Mrs. R. G. Holden** returned to her home at Sheridan, Wyo., Tuesday, after a short visit here with Miss Mary Regan.

**J. B. Orange,** internal revenue collector, went to Sidney on official business Tuesday.

**Rev. and Mrs. J. B. Williams** passed through Alliance Tuesday enroute to Sidney to attend the district convention of the Presbyterian church. Rev. Williams is president of this district.

**Mr. and Mrs. J. C. Jordan** returned to their home at Gordon Tuesday. Mrs. Jordan had been here for several days visiting with Mr. and Mrs. Edgar Benoit, and Mr. Jordan came Monday to look after business matters and visit until their return home.

**Miss Teresa Pearl Hight** will go to Sidney next Saturday, where she will be one of the judges in the state oratorical contest, which will be held there that evening. Alliance has no entrant in the oratorical contest, but Miss Hannah Cotant will compete in the humorous contest held at Ayers and Miss Lura Hawkins will enter the dramatic debate at Wahoo. These young ladies are both students of

this time, and that he was more than surprised at the thriving city he saw.

**Dean A. T. Eller** went to Mullen Sunday to hold services the first of this week. On Tuesday he went to Grand Island where he attended the meeting of the Episcopal clergymen of Western Nebraska, under Bishop Beecher. **Mrs. Homer Wilson** went to Lead, S. D., Monday in answer to a message that her mother, who lived at that place, is dead. She will return home today.

**Mrs. W. D. Rumer** and mother, Mrs. J. H. Coffin, departed the first of this week for Fairfield, Iowa, for an extended visit with relatives and friends.

**Mr. and Mrs. Leslie Kincaid** were here from Bingham Monday looking after business matters and visiting with friends.

The Methodist aid society met with Mrs. I. E. Tash yesterday afternoon.

**Miss Hannah Olson** was here from Bingham the first of this week looking after business matters.

The automatic sprinkler system in Newberry's hardware store demonstrated its efficiency recently when a gasoline stove was being cleaned by the workmen. As soon as the blaze reached the proper proportions, the valves opened and a deluge of water came down on stove, blaze and workmen, extinguishing the fire thoroughly. It is a great satisfaction to Mr. Newberry to know that his building is quite safe from fire.

Three cases which were tried and for which verdicts were rendered in the district court will be appealed to the supreme court. They are S. C. Reck vs. School Board; C. H. Tully vs. C. B. & Q. railroad, and the case of Clarence Rosenberger vs. Prude Broyles.

**Secretary W. D. Fisher** departed Wednesday for Lincoln to represent the Alliance Commercial Club at the state meeting which will be held in that city this week. He will return home the latter part of the week.

The work on the new Elks' home yard is about completed, and it is surely something to be proud of, and will be more so when the trees are a little older and the grass is green. The driveway from the front to the rear has also been completed, so that as soon as it is opened the autos can drive right up to the door and unload passengers.

**Harvey and Todd Whaley** departed last Thursday for Beloit, Kans., where they will take positions as musicians in the Hillman Stock Company which is starting out for this season. Harvey Whaley will lead the band and orchestra with the theatrical organization, this being the fifth consecutive year he has held that position. He has directed the Alliance band during the past winter, and to him belongs great credit for bringing the local organization to its high standard.

**Miss Edna Benedict,** money order clerk at the postoffice, was taken to St. Joseph's hospital the first of last week, and on Thursday she underwent an operation for appendicitis. Last reports state that she is getting along nicely.

**Carl Thomas,** of the Herald force, went to Mullen last Thursday where he set up a Junior linotype for the Tribune.

**John Burnett,** of Mullen, was in the city last week visiting with his daughter, Miss Eunice Burnett.

**Vern Leonard** came in Sunday from Lincoln and visited with his parents, Mr. and Mrs. W. S. Leonard, until Wednesday when he went to Denver for a short stay. Mr. Leonard is assistant rate clerk for the Burlington at Lincoln, and is spending his week's vacation visiting in Alliance and Denver.

The stores which observed the opening of the city park Tuesday afternoon from 3 till 4 were Alliance Grocery, A. D. Rodgers, Duncan & Son, Mallory Grocery, W. J. Hamilton, Watson & Watson, Alliance National Bank, First National Bank, First State Bank, George Darling, Miller Bros., F. J. Brennan, H. F. Thiele, F. E. Holsten, W. C. Mounts, Frank Sporn, Roy Beckwith, The Famous, E. G. Laing, C. E. Weber, Mrs. I. B. Lotspeich, Geo. Mollring, Horace Bogue, W. R. Harper Department Store, Miss Mary Regan, Golden Rule Store, Gregg & O'Bannon, Vaughn & Son, Rowan & Wright, Newberry's

Hardware, Acheson's Hardware, J. W. Guthrie, Haddorf Music Company.

**Miss Doris Young,** daughter of Supt. E. E. Young, returned Sunday noon from a trip to Chicago. Miss Young has been gone six weeks and on her return she was accompanied by her aunt, Miss Jean Young, who expects to make an extended visit in Alliance with the Young family.

**W. D. Zediker,** assessor of Lake precinct, last week filed a complaint against John Smith for refusing to list his property. The case was tried before Judge Berry Saturday, Smith pleading guilty. Mr. Zediker had no desire to inflict the full penalty on Mr. Smith, which is a fine of \$50 to \$1,000, and it was concluded by raising his assessment 50 per cent. Mr. Zediker is one of the best assessors in the county, or even in the state for that matter, and in this instance there was no alternative but for him to follow the course which he pursued.

**Henry Fard,** the automobile manufacturer, has announced, as will be seen by the Keeler-Coursey advertisement in this week's issue, that the refund of from \$40 to \$60 to Ford owners will be made without doubt. This statement, coming as it does from the "big man" himself, should banish all doubts as to whether or not the required number of Fords will be sold on or before August 1. And, by the way, the Keeler-Coursey company are selling their share of them.

While working in the Burlington shops Wednesday, G. J. McElroy, one of the machinists, nearly suffered the loss of his right hand when it was caught in a lathe. As it was, the hand was badly lacerated, and it was necessary to take several stitches in the wound. Mr. McElroy is able to be about, but it will be about ten days before he can resume his work in the shops.

French and Italian representatives will be in Alliance on May 20 and 21 to purchase horses for their respective armies. If the stock owners show a disposition to sell their animals, it is probable that these buyers will remain here for a week, and possibly make their headquarters here for the next month. They are offering good prices for horses and mules, and are not too particular as to the condition of the animals. It is expected that they will get a good sized bunch here. Read the announcement in The Herald this week.

**Mickey Farrell,** who has a position with the force of workmen on the swimming pool, shows considerable "class" with the gloves. He has entered the ring in the fire boys' gymnasium with several of the local boxers, and has always made a good showing, in fact has walloped several of his opponents. Mickey is a purebred Irish, as his name would suggest, and states that he has aspirations to some day become the middle-weight champion of the world, or at least a part of it.

**Wanted That There Was No Cure for Him**  
"After suffering for over twenty years with indigestion and having some of the best doctors here tell me there was no cure for me, I think it only right to tell you for the sake of other sufferers as well as your own satisfaction that a 25 cent bottle of Chamberlain's Tablets not only relieved me but cured me within two months although I am a man of 65 years," writes Jul. Groben, Houston, Texas. Obtainable everywhere.
