

### TEN YEARS AGO

From the Files of The Alliance Herald of May 11, 1905

J. M. Sheets and G. R. Mason, of Casper, Wyo., have closed a deal whereby they take possession of the Steen cafe Monday next. It will be opened under the name of the "Elite Cafe" and will be run as the swellest place in the city.

Sheriff Lee, of Cheyenne county, left for Buffalo, N. Y., Tuesday, to bring back a fellow who got \$350 on a worthless draft on John Wehn's bank about two months ago.

Mrs. H. H. Miller died suddenly at her home Sunday noon while her only daughter, Mrs. John Leith, was at

church. Her husband, it will be remembered, was murdered in Sioux county about a year ago. The funeral was conducted by Rev. Ray at the Methodist church yesterday afternoon.

At the meeting of the school board Friday night, C. C. Smith was elected chairman, R. C. Noleman, vice president; Judge Spacht, secretary. The other members present were G. W. Hughes and C. A. Newberry. George W. Clark was absent.

Every incoming train, Saturday, brought delegations of Elks to attend the installation of the new Alliance lodge of Benevolent and Protective Elks, until some 40 visitors were present. The handsome quarters of the club are in the Zbinden block. The town was gaily attired in handsome decorations, all purple and

white, in honor of the order, and the visitors vied with each other in paying compliments to the handsome decorations.

The organization of a council of Knights of Columbus last Sunday at the Elks' hall proved to be one of the most interesting fraternal doings ever held in this city. The new council is known as Alliance council No. 975, Knights of Columbus. The work consisted of three degrees, the first two of which were put on by the O'Neil team and the third by the Omaha delegation.

The Bankers' Association of the eighth district of Nebraska, comprising the counties of Box Butte, Keith, Dawes, Deuel, Cheyenne, Sheridan, Sioux, Scottsbluff, Banner and Kimball, will meet in Alliance Wednesday, May 24.

The stock subscription for the new Long Lake telephone company having been practically completed, the stockholders met last Saturday and elected the following officers: A. S. Reed, chairman; W. R. Kent, secre-

tary. The directors were then elected, and are as follows: T. M. Lawler, J. H. Krause, Fred Bauers, A. S. Reed and W. R. Kent. The directors then elected the following officers for the coming year: J. H. Krause, president; W. M. Bauers, vice president; T. M. Lawler, secretary-treasurer.

The X-ray machine Dr. Bellwood bought while east has arrived and is now on duty in his office.

Earl Mallory and Prof. Bartz left for Hastings Monday to attend the state oratorical contest, Earl having won first honors in the oratorical class of the high school.

#### LEXINGTON DEPARTMENT NEWS

Annual Election of Lexington Volunteer Fire Department Held Monday Evening, May 10th

Lexington, Neb., May 11—The Lexington fire department held their annual election Monday evening, May 10. W. H. Tilley was re-elected chief; Robert Roudabaugh re-elected assistant chief; Charles Matlett, secretary; Isaac Nisley re-elected treasurer; Earl McKee, attorney. Each company held its separate meeting and elected its officers for the ensuing year, also. The board of control elected are as follows: W. H. Tilley, C. D. Mullin, C. A. Matlett, P. J. Welch, and M. E. Huffman. There were about fifty members present, including Mayor Jim Byrne. "He is with us, too."

When it was announced that W. H. Tilley and Robert Roudabaugh were re-elected they were presented with a bronco bottle inscribed Schlitz (pure goods too, I think). The chief declined, and tendered the bottle to the assistant chief, and he in turn tendered it to the mayor, but he declined, saying he was on the "water wagon", so "Bob" had the nerve to sit down in the center of the room, pull the top of that bottle and drink the contents, right there in the presence of about fifty firemen—and a dry town, too.

After arranging for all firemen to be in parade on Memorial day, the meeting adjourned to next regular meeting night, which is the second Monday in June.

#### KILLED ON RAILROAD TRACK

Three Trains Run Over Man Who Went to Sleep—Body Badly Mangled

An unidentified man was killed near Broken Bow last Saturday morning when he was run over by three Burlington trains.

A chance acquaintance at Broken Bow had heard the man remark that he had worked in a livery stable at Alliance, and the authorities at that place immediately communicated with Alliance officials, sending a description of the man. At first the dead man was thought to be George Shoemaker, who worked in an Alliance livery stable about a year ago, but it was later found that the description did not fit.

It was thought that the man had laid down in the track in an intoxicated condition and had gone to sleep. The discovery of the body was accidental, and the train crews knew nothing about it until they found pieces of the dead man's clothing on the engine. Parts of the body were found scattered along the track for some distance.

It is expected that a large crowd will attend the opening Friday evening. Auto busses will run from Alliance to the lake, a charge of twenty-five cents being made for the round trip.

#### Told That There Was

No Cure for Him

"After suffering for over twenty years with indigestion and having some of the best doctors here tell me there was no cure for me, I think it only right to tell you for the sake of other sufferers as well as your own satisfaction that a 25 cent bottle of Chamberlain's Tablets not only relieved me but cured me within two months although I am a man of 65 years," writes Jul. Groben, Houston, Texas. Obtainable everywhere.

#### How Mrs. Harrod Got Rid of Her Stomach Trouble

"I suffered with stomach trouble for years and tried everything I heard of, but the only relief I got was temporary until last spring I saw Chamberlain's Tablets advertised and procured a bottle of them at our drug store. I got immediate relief from that dreadful heaviness after eating and from pain in the stomach," writes Mrs. Linda Harrod, Fort Wayne, Ind. Obtainable everywhere.

International agreements governing blockades seem to be getting into the "scrap of paper" class.

### THE "PRUDENT MAN" BEGAN EARLY TO BANK HIS MONEY—NOW HE ENJOYS IT.

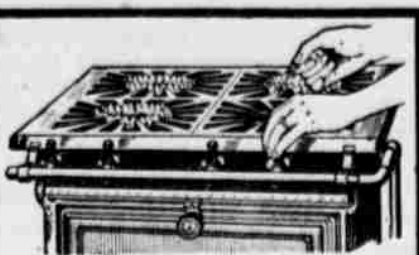

A New York theatrical man with an income of \$35,000 a year went to Wall Street with \$20,000 and tripled it. His head was turned—in a few months theatres were closed—income had ceased and Wall Street had finished his spare change. The EXTRA-AGANCE his family had been accustomed to soon drove him to the extremity of mortgaging his property and sacrificing his securities. Today he is BROKE.
