Cattle Receipts Moderate and Values About Steady.

**HOGS MOVE AT LOWER FIGURES**

Sheep Fifteen Cents Above Close of Last Week—Bulk of Shorn Lambs Sell at \$9.40@9.80 and Woolled Lambs Bring \$10.75.

Union Stock Yards, South Omaha, May 25.—Cattle receipts yesterday were 4,800 head. Desirable cattle sold readily to fully steady figures. On the medium and common cattle, however, the trade was slow right from the start and in some cases values were a shade lower. The trade in cows and heifers was comparatively small. Demand was fair from all sources, but all classes of buyers were fighting any further advance on butcher stock, and the result was a very slow trade throughout. Right good heifers and light cows generally sold at pretty close to steady figures, but it took more or less shaded prices to move the general run of butcher and canner stock. Veal calves, bulls, stags, etc., were readily salable at full last week's figures. There was not much doing in stockers and feeders, as supplies were very limited and the demand was decidedly restricted. Choice stock of all kinds found a ready sale at fully steady figures, but on the general run of stock cattle and feeding steers values are all of 50c lower than two weeks ago and the volume of business small.

Quotations on cattle: Good to choice yearlings, \$5.40@9.00; good to choice corn-fed heaves, \$8.25@8.55; fair to good corn-fed heaves, \$8.00@8.25; common to fair corn-fed heaves, \$7.50@8.00; good to choice heifers, \$7.00@8.00; good to choice cows, \$6.80@7.60; fair to good cows, \$5.75@6.80; common to fair cows, \$3.75@5.75; good to choice stockers and feeders, \$7.50@7.85; fair to good stockers and feeders, \$7.00@7.50; common to fair stockers and feeders, \$6.00@7.00; stock heifers, \$6.00@7.00; stock cows, \$5.75@6.75; stock calves, \$5.50@8.50; veal calves, \$8.00@10.75; fat bulls, stags, etc., \$5.50@7.25; stock bulls, \$5@7.

There was a fair run of hogs yesterday, about 7,000 head, but heavy receipts at Chicago put prices down at all other river points, and in sympathy with the general break local values showed a decline that amounted to mostly 5@10c. Bulk of the offerings moved at \$7.20@7.25, with a few good lights as high as \$7.30, and tops at \$7.35, just a nickel below the high figure at the close of last week.

Sheep and lamb receipts yesterday totaled 2,300 head. Practically the entire receipts consisted of lambs, and under the influence of encouraging advices from other points local values scored an advance that amounted to anywhere 10@15c and in most instances sales were quoted as 15c above last week's close. Most of the offerings were of the shorn variety and the bulk of these moved at \$9.40@9.80, the latter price being the day's top as well as the highest figure paid so far this season. The best end of one light, trashy bunch sold down to \$8.65, with the throw-outs going to a feeder buyer at \$7.25. Two cars of woolled lambs showed up and after nearly half of them had been sorted out, the balance moved at \$10.75. A little bunch of spring lambs, the best that have been here for some time, landed at \$12. No ewes of consequence showed up and as has been the case for over a month, there were no yearlings or wethers ofered.

Quotations on sheep and lambs: Lambs, shorn, light \$9.40@9.90, lambs, shorn, heavy, \$8.75@9.40; ewes, shorn, \$6.75@7.25.

**WHAT CATARRH IS**

It has been said that every third person has catarrh in some form. Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building-tonic, free from alcohol or any harmful drugs. Try it.

**URIC ACID IN MEAT CLOGS THE KIDNEY**

Take a glass of Salts if your Back Hurts or Bladder bothers you—Drink more water.

If you must have your meat every day, eat it, but flush your kidneys with salt occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. The become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or side, headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. Urine gets cloudy, full of sediment, channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. The famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

consists of all kinds of fixtures and fittings. Mr. Beckwell was located in Alliance about three years ago in the same line of business, selling out and moving to Texas from here. About two months ago he decided to return for a visit, and after arriving found conditions so good that he decided to again enter business here. He is an experienced contractor and workman, and will no doubt get his share of the business.

**DECLINE IN MARRIAGES**

Number of Licenses Issued During Past Month One of Smallest in History

During the past month there has been an unaccountable falling off in the number of marriage licenses issued in this county. The cause is a deep mystery, and the only plan that can be advanced is that the European war in the cause, as it is claimed to be the cause of most everything else that is disastrous to our country. Surely it cannot be on account of the scarcity of young ladies of the other sex. The thought of bashfulness should also be banished, for there is little of that article in forward Box Butte county. There has been no change in the price of the license, so there is another elimination.

When asked what he thought was the cause, Judge Berry "gave it up," for he could see no reason for the slump. He stated that he could give a couple a license that would bind them just as tight as a license purchased any other place in the United States, and that his price was just as cheap as that of competition.

From the exchanges we glean that a similar condition prevails in other counties over the state, and they are all at a loss to account for the disaster. June is "the" month, and it is possible that all the weddings will come in a hurry then. If not, then the Herald intends to call a special session of congress to investigate the matter and file a report.

**WINS THE GOLD WATCH**

Warren Lotspeich Found the Button That Entitled Him to Wear Handsome Prize

"Have you the Booster Button that I can trade for the gold watch at The Right clothing store?"

By asking that question of the right party, Warren Lotspeich won the elegant gold watch that "The Right" clothing store is giving in its booster campaign, and the right party happened to be Wm. Lutterell. It took several hours for the winner to find the button, but he considers that he never spent a more profitable day in his life, as the watch is a beauty and will last many years. Several others joined in the search for the elusive button, and all carried in their hands the necessary booster coupon.

Mr. Beckwith, proprietor of The Right, has inaugurated a novel and interesting contest, which is different from the time-worn trade stimulators, and everyone that works can get a valuable prize. The watch was a special prize, and more of these will be given away from time to time. The capital prize is \$200 in gold, which is certainly a prize worth striving for. Already a great amount of enthusiasm has been created, and before the contest closes many people will be working.

**RAINFALL RECORD**

Precipitation During Month of May Was Greatest in History

During the first twenty days in May of this year, 2.10 inches of rainfall, a record that has never before been equaled. Last May showed a total of 1.55, which was thought to be great. The present condition of the soil is more than satisfactory, and the farmers have little grounds for worry if we get a light sprinkle occasionally during the summer. This is the report compiled by Secretary Fisher:

May, 1910	1.45
May, 1911	.51
May, 1912	1.31
May, 1913	.50
May, 1914	1.25
May, 1915	2.10

**Badly Burned Faces**

A number of ranchmen who were compelled to be abroad looking after stock last week, after the big snow, found it necessary to come to town for treatment for burned faces. The cause of the burns was not understood, as the weather was cloudy. It is believed by some that the heat of the earth, which was warm before the snowfall, caused the severe burns. The streets in Alliance steamed for a couple of days following the snow.

**Heart Disease Almost Fatal to Young Girl**

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her

bed near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is spared to me today, a fat, rosy checked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. R. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.

Dr. Miles' Heart Remedy is sold and guaranteed by all druggists. MILES MEDICAL CO., Elkhart, Ind.
