

SHERIFFS ARE INVITED

Letter Sent Out by Secretary of Association Urges All Members to Meet at Alliance

The following is a copy of the letter received by Sheriff Cal Cox from W. C. Condit, secretary of the Nebraska State Sheriff's Association, in regard to the coming sheriffs' convention which will be held in Alliance on the 15th and 16th of this month. Copies of this letter have been received by every sheriff in the state, and judging from present reports emanating from different sources, there is going to be an extra large attendance. The letter from Mr. Condit also touches on other matters of interest to the officers. It follows:

Fremont, Nebr., May 27, 1915.
Brother Sheriffs:
The next meeting of the Nebraska State Sheriff's Association will be held at Alliance, Nebraska, June 15 and 16, 1915.

Alliance is arranging to show us an exceptionally good time, as on the 16th of June the state Stockmen's Annual Convention will commence its four day program, one of the features of this program being the celebrated auto polo team of Chicago, for which the live awake business men of that hustling western town are expending \$1,500 for this one attraction. Besides there will be various other attractions, some of which I presume will be roping, bucking horses and other frontier day amusements.

I am in hopes that we will have a turn out such as the association never before witnessed, as at the present time our membership is larger probably than ever before in the history of the organization.

I shall endeavor myself to interest every sheriff present with the finger print system, showing how prints are taken, the different matters of prints and why no two persons have the same finger prints. This will be done to attempt to interest the sheriffs of this state in the taking of finger prints for means of identification.

I have received a great many inquiries of late, asking when the ten cent mileage bill will go into effect, and owing to an over amount of work that I have had on my hands I have not had time to answer these inquiries separately, and for the information of all concerned, will say that the mileage bill will take effect July 8, 1915.

Trusting that I may meet you all at Alliance and that I will have the opportunity of seeing faces never before present at our conventions, I am,

Yours for Alliance,
W. C. CONDIT,
Secretary Nebraska State Sheriff's Association.

Are You Rheumatic?—try Sloan's
If you want quick and real relief from Rheumatism, do what so many thousands of other people are doing—whenever an attack comes on, bathe the sore muscle or joint with Sloan's Liniment. No need to rub it in—just apply the Liniment to the surface. It is wonderfully penetrating. It goes right to the seat of trouble and draws the pain almost immediately. Get a bottle of Sloan's Liniment for 25c of any druggist and have it in the house—against Colds, Sore and Swollen Joints, Lumbago, Sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

ANTIOCH

Antioch, Nebr., June 2—W. G. Wilson has made a trip east with his little daughter Louise and is expected to return soon.

Mr. and Mrs. Anderson of South Dakota were visiting their friends and Mrs. Anderson's sister here Sunday and have returned to Alliance from which place they will start for their new home in Colorado Springs. Many friends of departed ones visited the cemetery Sunday and left it

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Finish the Kidneys at once when Back hurts or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

Mr. and Mrs. Smith were visiting friends in Chadron a few days ago, and report their visit a chilly one, referring of course to the cool summer weather.

Mrs. J. Wilson entertained the school children of this place today to celebrate the birthday of her son. Mrs. Wilson also had a birthday a few days ago but we know nothing of how she celebrated it, but we do know that she was 29 years old.

The town park and playgrounds are now under way. The ground is being graded for lawn tennis and croquet. Many other things will be placed on these grounds of interest especially to the children, such as swings, teeters, cable airships, and many other children's sports. To the people of Antioch and the entire surrounding country, a hearty welcome is extended to enjoy this summer on these grounds. Drive that car, or ride that horse, or walk those feet to the grounds and enjoy the cool evenings of this summer with your neighbor in a game of tennis or croquet, or treat him to a cigar and enjoy a chat while the children spend the evening in sport.

Mr. Elmore has sold his ranch and stock and is going to make a trip through the east with his wife and dog in their Ford car. We trust he will not have to harness the dog and drive it when he strikes the mud of Missouri.

Rev. J. S. C. W. Hivner has traded his buckskin horse to Tod Berry for a little black mare. Mr. Hivner is planning to raise a few fancy steppers to hit the high places of the sand hills.

There will be preaching services at the First Congregational church of Antioch next Sunday both morning and evening. Sermon themes will be posted at the Antioch Merc. store.

Look for the Children's Day announcement in next week's paper. We don't know of any Antioch people stealing any old R. R. ties.

Will Assist Dawes Co. Agent
A. E. Anderson departed Sunday for Chadron where he will assist C. S. Hawk, Dawes county farm agent, in the demonstration work. Mr. Anderson had been here for several days assisting County Agent Seidell in the work, and will return next Tuesday and spend a few more days here.

Woman Finally Recovers From Nervous Breakdown

Impoverished nerves destroy many people before their time. Often before a sufferer realizes what the trouble is, he is on the verge of a complete nervous breakdown. It is of the utmost importance to keep your nervous system in good condition, as the nerves are the source of all bodily power. Mrs. Rosa Bonner, 825 N. 18th St., Birmingham, Ala., says:

"I have been suffering with nervous prostration for nine or ten years. Have tried many of the best doctors in Birmingham, but they all failed to reach my case. I would feel as if I was smothering; finally I went into convulsions. My little girl saw

Dr. Miles' Nerve
advertised in the papers and I at once began to take it. I continued to take it for some time and now I am well."

If you are troubled with loss of appetite, poor digestion, weakness, inability to sleep; if you are in a general run down condition and unable to bear your part of the daily grind of life, you need something to strengthen your nerves. You may not realize what is the matter with you, but that is no reason why you should delay treatment.

Dr. Miles' Nerve
has proven its value in nervous disorders for thirty years, and merits a trial, no matter how many other remedies have failed to help you. Sold by all druggists. If first bottle fails to benefit your money is returned.

What Brand of Matches Do You Use?

Who makes them?

Are they poisonous or non-poisonous?

Are the sticks long and strong or short and weak?

Do the heads fly off or do they stay on?

Do they burn evenly or explosively?

If people knew as much about matches as they should, they would use Safe Home Matches made by the Diamond Match Company.

KRUMBLES

Now that your Grocer can give you KRUMBLES

—the question of the morning cereal is just about three times easier to solve

You and the family may want KRUMBLES every day. You may want to alternate with Kellogg's Toasted Corn Flakes.

Anyway, you'll like KRUMBLES—the first Wheat breakfast food with a distinctive flavor and sweetness of its own, the first that you don't eat simply for the sugar and cream.

KRUMBLES is wheat—all wheat—the whole of the wheat, cooked, "krumbled" and delicately toasted.

The idea is new—the method is new, original and exclusive with W. K. Kellogg, of Battle Creek.

Try a saucerful of KRUMBLES, with cream or milk. See how new the flavor is—how pleasing—and how KRUMBLES tastes sweeter and sweeter the more you chew it!

Completing the Family Circle by Telephone

The space between those at home and those who are away is bridged by the long distance lines of the Bell Telephone System.

Almost regardless of distance, the Bell Telephone brings the voice of the absent one right into the home circle.

To hear one's cheery voice and merry laugh over the wire is almost like a face-to-face chat.
