THE OMAHA DAILY NEWS

IRRIGATION EXPERIMENTS

Work on First Well Will Be Started Within a Few Weeks—Probably on Powell Farm

According to Senator Earl Mallery, the experimental irrigation in this county will start in a very short time. The necessary arrangements have been made, and while it is not yet an assured fact, it is very probable that the first well will be put down on C. L. Powell's place, three miles north of town. While it is known that there are surer places than this, especially in the Snake creek valley, the Powell location is more advantageous as it will "prove" the territory in which it is located and is in a territory where irrigation is needed more.

Before it is declared a success, the well must furnish 200 gallons a minute for a considerable length of time. In case the first well is a success, the second one will be put in a place where indications are less sure, in order that it may all be tested. If the well is a success, it will be immediately transferred to the ownership of the farmer on whose place it is put. If it is not a success, it costs the farmer nothing, and it is not considered that there is a farmer in the country, who, if a good well was found on his place, would not willingly pay the costs.

C. A. Newberry will furnish the machinery for the wells, so that but little expense will have to be borne by the county.

CHILDREN'S DAY

Will Be Observed at Baptist Sunday School Sunday at 10 O'clock

Children's Day will be appropriately observed at the Baptist church next Sunday at 10 o'clock. A program will be rendered by the children, consisting of flag and flower drills, readings, recitations and songs.

All children not attending Sunday school elsewhere are cordially invited; grownups are especially welcome.

ENJOYING FINE INCREASE

Best Year So Far in the History of Alliance Creamery

That the Alliance creamery is a growing institution is evidenced by the fact that so far this has been the best year since it has been in business. Compared with the first five months of 1914, the first five months

of this year show an increase in sales of 15,167 pounds of butter, a record that cannot be shown by many institutions of a like nature in towns even larger than Alliance. The quality of the product, together with the excellent service, has caused this increase. An even greater increase is expected during the remainder of the year.

WALK CONTRACT LET

J. J. Vance Successful Bidder for Walks—Work Now Well Under Way

J. J. Vance was awarded the contract for the concrete walks on the court house yard, the price, including the work of removing the front walk to the north and south sides, being \$1,277.66. The price for the curb and gutter was 72 cents a foot and for the curbing 26 cents. The price for the sidewalk was 12½ cents per square foot. \$80 was allowed for removing the front walk. The work is now well under way, the front walk having been completely torn up, and construction work on the new walk will start at once. The blocks were removed with but little damage, only a small number of them being broken. The damaged blocks will be sold as soon as the work is completed. Planting of the lawn has been held up for some time on account of the walks, and this will also be completed at once.

WILL SUE CITY

Property Owners Along Box Butte Want Damages for Change in the Grade

Glenn Miller, Nelson Worley, Wm. Bignell, Al Wiker and Enoch Boyer, property owners along Box Butte avenue, have made known their intention to bring suit against the city for damages, which they allege will be incurred by placing the Box Butte avenue walks to the recently established grade. Part of them allege that they will suffer by the deep cuts in front of their lots, and others will be affected by deep fills in front of their property. As the alleged damage is not really caused until the walks are placed to grade, these property owners will not bring suit until after the walks are completed. They have retained William Mitchell as their attorney.

ESTIMATE FOR YEAR

City Council, at Special Meeting Held Monday Evening, Plans Budget for Year

The city council, at the special meeting held Monday evening of this week, made the following estimate for the expenses of the coming municipal year:

Park maintenance	\$2,000
Interest, city park bonds	250
City hall bonds	1,000
Sewer maintenance	1,500
Lighting bonds	1,000
Sewer bonds	1,600
Water extension bonds	1,000
Water bonds	3,000
Street and lighting	4,000
Stationery and printing	500
Fire and water	4,000
Streets and alleys	5,000
Officers' salaries	5,000
City library	2,000

TOTAL \$31,850

The estimate for last year was a total of \$30,630.

READY FOR SWIMS

Alliance Volunteer Fire Department Putting Finishing Touches on the Big Pool

Visitors to the Stockmen's Convention in Alliance next week will have the opportunity to make use of the new swimming pool which is being completed this week by the Alliance Volunteer Fire Department. The finishing touches are being added and by Saturday it is expected that the water will be turned on and the pool opened.

This enterprise will be an enduring monument to the fire department. It will be open to the use of all and will be a desirable addition to the benefits of living in western Nebraska.

WEATHER FORECAST

Issued by the U. S. Weather Bureau, Washington, D. C., for the week beginning Wednesday, June 9.

FOR UPPER MISSISSIPPI VALLEY AND PLAINS STATES: Showers are probable about the 11th and again on the 15th. The cool spell at the beginning of the period will quickly give way to warmer weather, and a short period of cool night temperatures will set in about the 11th, alternating with warmer weather until the end of the period.

Best Washing Machine Offer Ever Made..

"No Rub. No Wear. No Tear"

The E-Z Washing Machine

Easy
to
Run
Economical

Simple
in
Construction
and
Operation

THIS MACHINE WILL WASH PERFECTLY EVERYTHING THAT ANY OTHER MACHINE WILL WASH AND SOME THINGS THAT CAN NOT BE WASHED ON ANY OTHER MACHINE. IT WILL WASH WITHOUT INJURY ANYTHING FROM LACE CURTAINS TO BLANKETS, AND THE ONLY MACHINE ON THE MARKET THAT WILL DO IT. IT IS THE EASIEST RUNNING MACHINE MADE.

SPECIAL OFFER

A \$15.00 MACHINE FOR \$7.65, DIRECT FROM MANUFACTURER. TO GET THIS MACHINE STARTED WE ARE MAKING THIS SPECIAL OFFER: THE E-Z WASHING MACHINE HAS BEEN THOROUGHLY TESTED. IT IS FULLY GUARANTEED TO DO THE WORK AS REPORTED. SEND YOUR ORDER AT ONCE WITH \$7.65, AND THE MACHINE WILL BE SHIPPED CRATED FROM OMAHA IMMEDIATELY.

FULL DESCRIPTION SENT FREE ON APPLICATION.

The E-Z Washing Machine Co.

318 South 18th Street, Omaha
