

A BANNER CROP YEAR

An Unprecedented Yield of Wheat, Oats, Barley and Alfalfa—Harvest Now in Progress

BOX BUTTE COUNTY A LEADER

Box Butte county is now in the midst of a harvest the like of which was not dreamed of a few years ago, and if the present weather holds out for a few days longer, the golden grain will soon be housed in the farm buildings, which will be bursting with their load. Growers of alfalfa, oats, and barley will be riding the crest of a wave of prosperity that will bury mortgages, notes and other incumbrances in its smothering foam.

From all sections of the county come cheering reports of bumper yields. There has been moisture a plenty—so much, in fact, that ripening has been delayed considerably, but the warm sunshine of the last two weeks has worked wonders, and has filled out and rounded the grain with an almost magic touch. Everywhere the traveler's footsteps wander there are evidences of unusual prosperity, wheat fields give way to billowy oceans of oats, and oats to an emerald-green field of alfalfa. It is the triumph of the dry land farmer—his own year. Men who were laughed at when they announced that they could grow crops on the lands they now occupy were ridiculed, for everyone positively knew (?) that nothing could be raised in the sand hills except potatoes. Think of land bought for less than a song producing 30-bushel wheat and 2-ton-to-the-acre alfalfa. The irrigator of course will get his share, but it will not be as large a share proportionately as that of the dry land farmer. Owing to the continued wet weather the first of the season, the hay crop is not as heavy as it could be, but even at that it is a dandy.

The only fly in the ointment for the farmer and rancher is the absence of good roads in many of the districts. Some of these highways are in excellent condition, but no matter what the condition now is, they can be bettered, and the great cry is for more roads—first get the roads and then better them. The county commissioners are now working on the road proposition to some extent, and the next year, or even less time than that, is expected to see some wonderful transformations in the road systems in Box Butte county.

The stock grower is also having his tining in the game. The same moisture that served to hold the farmer back in his harvesting served the pasturage green and sweet. A recent trip to a ranch near Alliance was one of surprise, for all the cattle are sleek and fat, and they will bring top prices on the market this fall.

Everyone says that crop conditions

PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache, no sneezing, sniffling, mucous discharge or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly. It is just what every cold and catarrh sufferer needs. Don't stay stuffed and miserable.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

in Box Butte county this year are superior to any before known. While it must be admitted that the frequent heavy rains put fear into the hearts of some, everything is coming out more than satisfactory, and there is going to be a great influx of people from other states here this fall. Those people have come to the conclusion that it doesn't pay to hold an investment of \$100-an-acre land when land costs a tenth as much can be made to produce nearly as great results. This year has "made" western Nebraska as an agricultural section, and people outside of the state have already found it out.

A Good Household Salve

Ordinary ailments and injuries are not of themselves serious, but infection or low vitality may make them dangerous. Don't neglect a cut, sore, bruise or hurt because it's small. Blood Poison has resulted from a pin-prick or scratch. For all such ailments Bucklen's Arnica Salve is excellent. It protects and heals the hurt; is antiseptic, kills infection and prevents dangerous complications. Good for all Skin Blemishes, Pimples, Salt Rheum, Eczema. REED WON VICTORY

Attorney General Reed of Nebraska Held Railroad Rates in Favor of Stock Shippers

(By special correspondent)

Lincoln, Nebr., August 18.—The termination of the case on trial before the interstate commerce commission in Washington this week, in which the railroads asked for radical advances in freight rates, resulted in a partial increase only being granted, and as the raise of rates the railroads asked for on grain products, live stock and packing house stuff was refused the people of Nebraska have won a victory. To Attorney General Reed belongs in large part the honor of winning this victory. Mr. Reed and Clifford Thorne, of the Iowa Railway Commission, represented the shippers at the western hearing, and Nebraska's attorney general made a strong argument against the raise before the interstate commerce commission in Washington about two months ago. Mr. Reed is the first attorney general of this state who has ever taken such action in favor of the stock and grain raisers of Nebraska, and that he was an able representative is attested by the result attained.

That George E. Hall, state treasurer, was working on the right lines and to the best interests of the state of Nebraska in his fight with the county treasurers of the state, forcing them to make monthly remittances of the state's money to the treasury, is attested by the following figures:

On the 14th day of August, 1914, Nebraska was paying interest on \$311,679.13, state warrants outstanding, while on August 12, 1915, not a warrant was outstanding and there was \$394,842.63 cash in the state treasury.

On the same date in 1914 there was \$106,000 normal school warrants outstanding, and \$101,000 University fund warrants. At the present there is \$17,618.43 cash in the normal school fund and \$36,486.22 in the University cash box. These figures tell their own story and need no explanation.

During the month of July the Nebraska Board of Educational Lands and Funds, consisting of Governor Morehead, Secretary of State Pool, Treasurer Hall, and Land Commissioner Beckmann, transacted a large amount of business, having purchased \$237,100 worth of school and municipal bonds. This plethora of cash for investment was in part made possible by making use of cash received from the state of Idaho, that state having paid off its bonds which Nebraska held.

The Clerk Guaranteed It

"A customer came into my store the other day and said to one of my clerks, 'Have you anything that will cure diarrhoea?' and my clerk went and got him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and said to him, 'If this does not cure you, I will not charge you a cent for it.' So he took it home and came back in a day or two and said he was cured," writes J. H. Berry & Co., Salt Creek, Va. Obtainable everywhere. Adv.—August

ONE MILLION CATTLE

Great Britain Wants 1,000,000 Cattle to Supply Demands of Armies and for Home Use

Helena, Montana, August 13.—C. O. Robinson, representative of a large packing company of Chicago, made public here today a copy of a cablegram from Liverpool sent to the Chicago office, asking that an estimate be furnished of the cost of 1,000,000 head of American beef cattle, delivered at Liverpool.

The order, if filled, said Robinson, would require a payment of about \$100,000,000, and would make vast inroads on the available cattle in the United States.

Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy. "I never hesitate to recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Sol Williams, merchant, Jesse, Tenn. "I sell more of it than of any other preparations of like character. I have used it myself and found it gave me more relief than anything else I have ever tried for the same purpose." Obtainable everywhere. Adv.—August

THEY'RE COMING

School Days With Their "Terrible Trials and Tribulations" Will Soon Be Here

Of course the thought doesn't bother you now, but you don't have to stretch your memory very much to remember those terrible days just about a month before school began. You remember, they began just about the middle of August, right when you were having the best time of the year. Some of the other kids would come over and you would make plan after plan for pleasures that would occupy the next six months—and then some one would incidentally remark that school began in a month. Then your plans fell to pieces, and you wished there never was such a thing as a school room. You said you never did like to go to school, and that you knew as much as some people who went to school almost all their lives.

And the kids today are just the same in mind as they were in your day. You don't have to go very far to find a repetition of your own thoughts and remarks these days, because the Alliance schools are going to open on September 6. Already the boys and girls are telling each other that there should be no schools, and that they know enough already, and that the terms and the vacations should be reversed—there ought to be three months of school and nine months of vacation, because they just can't carry out all their plans in the short space of three months.

SURPRISES MANY IN ALLIANCE

The QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-Ika, the remedy which became famous by curing appendicitis, is surprising Alliance people. Many have found that this simple remedy drains so much foul matter from the system that a SINGLE DOSE relieves constipation, sour stomach and gas on the stomach almost IMMEDIATELY. Adler-Ika is the most thorough bowel cleanser ever sold. H. THIELE, Druggist. Adv.

FAREWELL PARTY

Given by Miss Wilson, in Honor of S. L. Clements, Who Left Alliance Saturday Night

Last Friday evening, at the Christian parsonage, 809 Box Butte avenue, occurred a social event that will not be forgotten for some time. In response to invitations issued by Miss Wilson, a teacher in the high school, about twenty young people gathered to enjoy the pleasures of the evening which had been prepared by the hostess.

Several games were indulged in which tested the skill and knowledge of the players. Miss Alta Young won the prize in a "seeing America" trip. Miss Anna Senner was the lucky winner in the "Who's Who" contest. Stationery was given to all present, who were asked to each write a letter to the guest of honor, S. L. Clements, to be opened at the place and time stated on the envelope.

Miss Irene Rice assisted in serving refreshments, after which vocal music was furnished by Miss Eva Duncan, and instrumental music by the Mozart Quartet.

Following are the names of the guests: Misses May Nation, Marian Grebe, Devona Dickenson, Anna Senner, Mable Worley, Eva Duncan, Hattie Renswood, Alta Young, and Ruth Rice, and Messrs. William LaMon, S. L. Clements, Merritt Chaffee, Norman McCorkle, Paul Thomas, Charles Spacht, Eugene Black, and Carl Thomas.

Heart Disease Almost Fatal to Young Girl

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her bed near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is cured to-day; a fat, rosy checked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. R. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet, or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.

Dr. Miles' Heart Remedy is sold and guaranteed by all druggists. MILES MEDICAL CO., Elkhart, Ind.
