C. H. Tully's White roadster was not a total loss by fire, as was first thought. The engine and all working parts are in good condition although slightly charred, the only damage being to the bed. Mr. Tully does not know how the fire started, but thinks it was caused by a leaky carburetor. The loss was fully covered by insurance.

Mr. and Mrs. Bruce McDowell are the parents of a seven and one-half pound baby girl, who arrived at their home Tuesday afternoon. All day Wednesday Bruce was slightly agitated and grasped his razor with a nervous hand. As he has no rain barrel at his house he had to content himself going to and from the barber shop with his hat pulled well down over his face and mumbling "papa" until it sounded natural. It is thought he will survive.

### THE BEST PROOF

Alliance Citizens Cannot Doubt It Doan's Kidney Pills were used—They brought benefit.

The story was told to Alliance residents. Time has strengthened the evidence. Has proven the result lasting. The testimony is from this locality.

The proof convincing. Mrs. Herman Schroeder, Washington Ave., Sidney, Neb., says: "I was in a bad way as the result of kidney trouble. I suffered from pains in the small of my back, dizzy spells, and I was unable to stoop. On a physician's advice, I put a plaster on my back, but this did not relieve me. I also tried many kidney remedies, but to no avail until I began using Doan's Kidney Pills. One box stopped the pain in my back and I continued using this medicine until the trouble disappeared."

A PERMANENT CURE ON A LATER DATE Mrs. Schroeder said: "I willingly confirm my former endorsement of Doan's Kidney Pills. The cure they made has been permanent."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Schroeder has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

Chronic Constipation "About two years ago when I began using Chamberlain's Tablets I had been suffering for some time with stomach trouble and chronic constipation. My condition improved rapidly through the use of these tablets. Since taking four or five bottles of them my health has been fine," writes Mrs. John Newton, Irving, N. Y. Obtainable everywhere. # Great Majestic Ranges

One Week Only--October 18 to 23

Beginning Monday, October 18th, we will show the Great Majestic Range in actual operation. We will show you the Range running at baking heat, using a stove pipe made of common wrapping paper, proving thereby that the Majestic conserves the fuel and that the products of combustion do not escape up the chimney.

**\$8.00 SET OF KITCHENWARE WITH EACH RANGE FOR THE PRICE OF THE RANGE ALONE.—THIS WEEK ONLY.**

You don't even have to take it at once. Simply place your order and make a small payment to hold the range.

Remember, the Majestic is the only range on the market made from Genuine Charcoal Iron. You're tired of the way steel ranges go to pieces, are you not? Well, there's only one remedy. Buy the Majestic which contains no gray iron or steel. Made entirely from charcoal and malleable iron. Come in and be shown. Your visit will be appreciated whether you buy or not.

### MAY BUILD ADDITION

Third Story May Be Added to the Alliance Hotel in the Near Future—New Rooms

The matter has been taken up with the owners of the building by J. M. Miller, proprietor of the Alliance Hotel and Cafe, and it is probable that in the near future a substantial addition to the building will be erected. The rapidly increasing business of the hotel makes a move of this nature imperative. Another plan has been advanced, and that is to erect an addition on the north end of the building where there is a lot space of thirty feet, and another is to build a two-story addition at the rear of the building where the space is about 50x50 feet. Any of the plans will have the desired effect of increasing the capacity substantially, and will give from twenty-five to thirty-five additional rooms, all of which would be equipped with hot and cold running water, and some with private bath. Personally, Mr. Miller favors the erection of a third story the size of the present building.

If the plan is consummated, there will be some other notable improvements among which will be the preparation of a cozy lounging room in one corner, to be used by men and women. It would probably be provided with musical instruments, and would make a delightful spot for the guests to pass away their time.

You can't keep Alliance down—it is the biggest, best and most prosperous city in western Nebraska—the biggest city west of Grand Island, north of Denver, south of Lead City and east of Billings. Its future is assured; its railroad facilities are unchallenged—it will always be the biggest and best, and values of city property cannot help but increase rapidly. A lot in Fairview Addition, bought with a payment of only \$10 down and \$5 a month thereafter, will buy a place in which to invest your pin money and at the same time an investment that will bring you in good returns and big profits in future years—it will always be worth more money than you will have to pay for it at the sale beginning at 10 a. m., Wednesday, October 20th.

**METHODIST MINISTER ARRIVES**  
Rev. J. B. Carns, D.D., New Pastor of Alliance M. E. Church

Good audiences at the First M. E. church greeted Rev. J. B. Carns, D. D., at both morning and evening services last Sunday, the occasion of his first preaching in Alliance as pastor of the church. At the close of the morning service a large part of the congregation pressed forward to shake hands with the new pastor and give him a cordial welcome.

As a public speaker Dr. Carns is a man of exceptional ability. He is an earnest worker, has had a broad experience in the ministry and without doubt will meet with success as pastor here. During the last few years he has been superintendent of the Ainsworth district. Prior to that he was engaged for a while in interdenominational temperance work as superintendent of the Nebraska State Anti-Saloon League.

Preparing for Football Games Although no dates have been set for football games by the Alliance high school team, the matter of selection of dates has been taken up with the Chadron Normal team, the Scottsbluff high school team and the Sidney high school team. It is expected that two games will be played with each of the above teams. The
