

STATE CAPITAL NEWS

State Board of Equalization Is Arranging for Series of Meetings on Assessment Matters
(By Herald Correspondent)
Lincoln, Neb., Oct. 23—State Auditor Smith has received \$2600 from Boone county as part payment on what it owes for the In sane Fund Tax levied prior to 1901. Originally Boone county owed \$5772. The sum of \$500 was paid some time ago, leaving a balance of \$2612, which will be taken up as rapidly as the county can get to it.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't stay gray! Here's a simple recipe that anybody can apply with a hair brush.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is mummy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Weyth's Sage and Sulphur Hair Remedy," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry feverish, itchy scalp and falling hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw it through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark, glossy, soft and abundant.

Alliance —:— Nebraska

Green, of Lincoln, has been appointed to fill the vacancy. Mr. Seymour will go to Omaha, where he expects to manage R. L. Kennedy's senatorial campaign next year.

Food Commissioner C. E. Harman, on advice of Governor Morehead, has finally decided to retain sufficient of the funds of the department to pay running expenses, turning the balance over to the treasurer and filing his report with the auditor each month. From now on he will have eleven men in the field and the general work of the office and field will swing along in the accustomed way.

State Auditor Smith will issue his third quarterly statement of state disbursements in a day or two. These quarterly statements are a new departure in the auditor's office, and in conformity with a law which Auditor Smith formulated and had presented to the last legislature. It is in keeping with his up-to-date business methods of conducting the office since he took charge last January. It gives the public an opportunity at all times to know just how, where and for what purposes the tax payers' money is being spent.

The state board of equalization, through its secretary, O. E. Bernecker, is arranging for a series of meetings to be held throughout the state at which assessment matters are to be considered. The state has been divided into eight districts, and the county assessors in the various districts will meet at one of the following points: Lincoln, Fremont, Norfolk, Grand Island, Hastings, McCook, North Platte or Alliance. The meetings will be held the latter part of the present month, or in November. The real estate of the state will be assessed again in 1916, and its assessment will be the principal subject to be considered. Secretary Bernecker has prepared blanks upon which the assessors of the various counties will be requested to report the sales value of farm lands during a given period, and these reports will be used in adjusting assessments next year. It is the contention of the various railroad operating in Nebraska that farm lands are assessed too low in proportion to other property, and they have already compiled a list of land sales in counties through which they operate. Without the compilation now under way by Mr. Bernecker the board would have to accept for consideration the figures offered by the railroads, but it prefers to have its own figures compiled by the persons elected for that purpose. The board of equalization is composed of Governor Morehead, Secretary of State Pool, State Auditor Smith, State Treasurer Hall and Land Commissioner Beckmann.

Secretary of State Pool has instituted a suit in the district court at Lincoln, against the Chicago, Rock Island & Pacific Railway for occupation tax and penalties for years 1914-15; this suit being brought by Attorney General Reed. This corporation should have paid \$2500 per year but has only paid \$550 per year. The suit is brought for \$1950 for the tax of 1914 with a 15 per cent penalty, together with 7 per cent interest from September 1, 1914, and for a like sum, tax and penalty for 1915.

Sickening headaches, indigestion, constipation, indicate unhealthy condition of the bowels. Hollister's Rocky Mountain Tea makes the bowels work naturally and restores your system to perfect health and strength—begin tonight. H. F. THIELE.

PERU NORMAL NOTES

Many Western Nebraska People Are Attending the Big State Normal in Southeastern Nebraska

(By Henrietta Myers)
Peru had one of the best exhibits at the State Fair this year that it has ever had. The exhibit was arranged by members of the faculty, with Prof. F. C. Smith, head of the Manual Training department, as chairman. Peru won first prize in general appearance among educational exhibits, and also won first prize for the best exhibit of drawings.

The chapel period on Wednesday, September 29, was occupied by members of the Budget committee, who explained the budget system which was introduced into the school two years ago. This system makes it possible for any student to procure, for three dollars, a ticket which admits to practically all school functions which require paid admission. The following events are included in the budget this year: four football games, five lecture course numbers, seven basket ball games, one inter-collegiate debate, one glee club entertainment, one band concert, one Dramatic Club play, four baseball games, and one track meet. If paid in single admissions, the cost would amount to ten dollars. The holder of a budget ticket is also entitled to a subscription to the school paper. This system has proved very popular financially.

The school paper will be edited weekly this year instead of monthly as heretofore. It will be known as the Peru Weekly Normalite. At a meeting of the Normalite board, Saturday morning, the following editorial staff was elected: Editor, L. F. Chard, of Brock; business manager, A. Ray Scott, of Palsade; class reporter, Minnie Applegate, of Peru; literary and debating, O. W. Osnes, of Burke, S. D.; religious, Margaret Mitchell, of Elm Creek; music, Miss Abba Bowen; athletics, A. A. Wolfe, of Indianola; clubs, Marjorie Bodwell, of Beatrice.

Miss Elva Rulon, librarian, attended the librarians' convention which was in session at Lincoln during the past week.

The first football game of the season was played Friday on the home field, at which time Peru met defeat at the hands of Wesleyan University, one of the strongest football aggregations in the state. The final score was 26 to 0, and would indicate a decisive victory for Wesleyan. However, the result was not altogether discouraging to Peru in view of the fact that the Wesleyan team are the present champions of the state.

The following officers were elected for the Senior class at a recent meeting: President, Roy Hull; vice president, Blanche Jimersen; secretary, Mary Hilber; treasurer, Harry Amende; sergeant-at-arms, Merritt Chaffee. Louis F. Chard was also elected business manager of the Peruvian at this meeting.

The Peru Alumni Association is planning for the annual banquet for former students of Peru. This event will occur on the evening of Thursday, November 4, at Omaha.

It is hoped that September 5 will be a red-letter day in the history of Peru Normal. On this date Miss Arta Draper, class of '13, opened the first rural demonstration school affiliated with a Nebraska normal school. There are thirty-nine pupils enrolled in the school and six grades represented. The work has opened very auspiciously, and Dean Rouse and Mrs. Crawford, who are supervising the work, trust that the school may be ready for observation purposes, and even for practice teaching, by the second semester. The children are enthusiastic and apparently pleased with the new arrangement. The movement is new and the way unplotted, but the crying need for such a school makes it imperative that the problem be worked out.

The Zoellner Quartet, which is recognized as one of the great string quartets of the world, entertained a large and appreciative audience Tuesday evening in the opening number of the Lecture Course. The committee is to be commended for bringing to us the opportunity to hear this rare concert.

Receptions were given at the Methodist and the Christian churches, Saturday evening, October 2, and at the Baptist church, October 17. Invitations were extended to all students to attend the church of their preference, and those who responded to the invitation report a very enjoyable evening. The young people appreciate the effort of the churches to keep in touch with all students.

Prof. M. C. Leifer, who has a year's leave of absence from the Normal, is taking work at the University of Nebraska. His friends are delighted to hear that he has been given a scholarship with Dr. Luckey.

At a recent meeting of the Junior class the following officers were elected: President, Sidney Johnson; vice president, Amelia Chard; secretary, Mary Boyd; treasurer, Charles Spacht; sergeant-at-arms, Elmer Wilson; chorister, Louis Laufman; pianist, Ruth Redfern.

Fifteen students are registered in the graduate class. These persons will receive the Bachelor of Education degree within from one to two years.

Complexion Blemish?

Yes, that sluggish liver often causes it. Dr. King's New Life Pills clears the complexion, throws off impurities and releases bile naturally and easily. Unless the bowels move freely and regularly all the powder in the world will not permanently cover "that muddy complexion." This laxative is mild yet effective. It does not gripe or sicken in its effects. You will not dispute the merits of Dr. King's New Life Pills. Start a treatment today. 25c. Adv.—No 3

Firestone Faith
The Firestone ideas of motor-ing are founded on a belief in the wisdom and common sense of the motor-ist—and this faith has been justified.

Firestone success has proven that the car owner wants safety, comfort and Most Miles per Dollar. He wants the quality that costs less to use. The Non-Skid lettering is an imprint of safety. You need it always—but particularly at this time of year. It holds the standard for endurance and economy. The letters prevent spin or skid in any direction, they radiate the heat of road friction, insure perfect traction with gasoline economy, car-protection and maximum comfort. Everywhere experienced motorists praise Firestone performance.

The Cost of Progress

Constantly the Bell Telephone System spends large sums of money in scientific, experimental and research work, pursuant to the policy of always providing the best.

In the working out of complex scientific and engineering problems alone, the Bell System has a staff of more than 500 skilled engineers, the graduates of seventy American and foreign universities.

New Telephone Inventions

Hundreds of improvements in switchboards, cables, and long distance lines have been made the last few years to better the service, and all has been done so quietly and without disturbance to telephone users, that the public has hardly realized they were going on.

Since work began on the Panama Canal, the Bell Telephone System has spent twice as much money on extensions and improvements as it cost the government to buy the right-of-way and build the canal.

It's Your Convenience We're Looking After

We take a personal interest in every customer that comes to the store, whether it is man, woman or child. We're just as careful to see that a purchase is satisfactory if it is for 5 cents as we are if it is \$10. That's the way we feel about the matter, and we want you to know that it is our greatest desire to see every customer leave the store satisfied.

At Our Soda Fountain

you'll find the proper drinks for the proper weather—if the weather's cold we have hot drinks—if it's hot we have cold drinks and ice cream, so that you're always sure of finding what you want. You'll find our store a delightful place to hold your theatre party. Delicious sandwiches and bouillons of all kinds—to suit every "taste".
