SALTS IF KIDNEYS OR BLADDER BOTHER

Marmless to flush Kidneys and neutral ize irritating acids-Splendid for system.

Kidney and Bladder weakness result from uric acid, says a noted authority. blood and pass it on to the bladder, where is often remains to irritate and inflame, causing a burning, scalding sensation, or metting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the scid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by wric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves ladder trouble.

Wash the poisons and toxins from system before putting more food into stomach.

Says inside-bathing makes anyone look and feel clean, sweat and refreshed.

Wash yourself on the inside before oreakfast like you do on the outside. This is vastly more important because he skin pores do not absorb impurities into the blood, causing Illness, while the bowel pores do.

For every ounce of food and drink taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day it quickly ferments and generates oisons, gases and toxins which are absorbed or sucked into the blood stream, through the lymph ducts which should suck only nourishment to sustain the body.

A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons, gases and toxins from the stomach, liver, kidneys and bowels; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into

Politicians and Newspapers

Legislators of Alabama have been tepping on the toes of the newspapers of that state, and now the newspublishers are making a mighty howl for protection of their business against the marauders. This is the first time the newspaper publisher of Alabama has felt the devastating hand of business legislation. and it has been found to hurt.
