## A Gift Suggestion

Doesn't this describe to you a most suitable gift for the person for whom you seek something useful and distinctive?

A dainty one-quire box of Crane's Linen Lawn, the socially correct writing paper, in note or letter size, or correspondence cards, plain or with gold bevel.

Then, for added character and to make the gift more truly individual, have this stamped with an initial or monogram embossed in dainty colors, or in plain gold or silver.

The name "CRANE'S" insures the correctness of the paper, and the embossing, which is done by the C. C. Gill Engraving Company, insures painstaking care and the best of workmanship.

Why not order several boxes now and let this be the solution of your troubles in finding a gift that will be truly prized?

This tested remedy has been used in kidney trouble over 50 years—is recommended all over the civilized world. Read the following:

James A. Kersey, Chadron, Nebr., says: "I had slight symptoms of disordered kidneys. There had been Bright's disease in my family for several generations and I decided to try Doan's Kidney Pills. This medicine soon cured me." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Kersey. Foster-Milburn Co., Props., Buffalo, N. Y.
