## THE FLAVOR OF "SPEAR HEAD" IS UNIQUE

A Chew That Has Been Famous for a Third of a Century

HAS THE RICH RED BURLEY TASTE

Chewing is the only way to get the rich taste of the tobacco leaf. And the only form of tobacco in which you get the leaf as Nature made it is the plug form.

A chew of Spear Head plug tobacco has a wonderful flavor such as you never did and never will taste in any other tobacco.

That Spear Head flavor is unique, mellow, fruity, everlastingly delicious and satisfying.

Spear Head has been famous for a third of a century as the richest, tastiest of chews.

It's made of sun-ripened red Burley. And it's produced by the most modern methods, which develop the luscious flavor of the leaf to the supreme degree.

It is safeguarded at every step in its making. The factory is clean and sanitary—the processes are pure-food processes.

When the choice red Burley has been pressed into mellow, sweet Spear Head plugs you have a chew that simply can't be equalled.

Spear Head is the high-quality chew of the world.

## SIXTH ANNUAL SESSION

Nebraska Farmers' Congress to Be Held at Rome Hotel, Omaha, Nov. 30 to December 2

The Sixth Annual Session of the Nebraska Farmers' Congress, to be held at the Rome Hotel, Omaha, from November 30 to December 2, promises to be a record breaker in attendance and interest. If you are a farmer or ranchman you cannot afford to miss this session of the congress. This is your congress and is the one organization where Nebraska farmers can come together and secure a few things of value to the agricultural interests of this state. At the session last year there were in attendance over half the Nebraska legislators, who were there for the purpose of finding out the needs of Nebraska farmers.

Each farmer's organization is entitled to ten delegates. Over 100 have already paid their membership dues and sent in the names of their delegates. If you are a member of some organization of this nature, it is your duty to see that your organization is represented. The names of delegates should be sent to Secretary J. B. Grannell, Papillion, Nebraska, at once, with the membership dues of \$5. If you are not a member of any organization of this kind you are just as welcome and can become a member and have full voting power on the payment of \$1 dues when you arrive at the congress. Anyone desiring further particulars should address Mr. Grinnell.

## Heart Disease Almost Fatal to Young Girl

"My daughter, when thirteen years old was stricken with heart trouble. She was so bad we had to place her bed near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is cured to me today; a fat, rosy checked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. R. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.
