Exchange Gossip

Bridgeport

Bridgeport Herald:
Miss Maye Hagerty was a passenger to Alliance Wednesday.
Miss Mabel Sauquitt went back to her store at Alliance Tuesday after a visit with home folks.
Attorney Robert Reddish of Alliance was looking after business here Wednesday.

County Judge J. H. Steuterville issued licenses and married the following couples on Christmas eve: Harry H. Hoppen of Eckley, Colo., son of our townsman, Leonard Hoppen, and Mary Wamsley, daughter of Mr. and Mrs. Wm. Wamsley of Northport; Harry L. Robertson of Wheatland, Wyo., son of Mr. and Mrs. Robertson north of Bayard, and Miss Fay Gilbert, daughter of Ward Gilbert, also north of Bayard.

Northport

Bridgeport Herald:
Our lumber yard is open for business again, under the firm name of "Carr & Neff Lumber Co.," who bought out the Carbon Timber Company.

The Northport school has two weeks vacation, beginning Dec. 28, and ending Jan. 10.
Thursday, December 23, while Charles Thompson, section foreman at this place, was running a motor car at a high rate of speed, the engine failed to stop when shut off, but instead, increased in speed, running into a push car, which was on the track. Mr. Thompson was thrown about 35 feet. Others were trying to get the push car off the track, and one of the men received a few slight bruises. Mr. Thompson has a bruised hip, but they were all fortunate enough to receive only slight injuries.

According to the Scottsbluff Star-Herald, the farmers of Scotts Bluff county have harvested an enormous crop of sugar beets. In part, the statement follows:

"The latest estimates of the size of the 1915 beet crop in this valley places the yield at 378,603 tons. The farmers receive, including the bonus, not less than \$5.50 per ton, in addition to which one-fourth or more of the crop is siloed, for which an additional 50 cents per ton is paid. On a basis of one-fourth of the crop being placed in silo—while this amount is greatly exceeded, for some farmers silo all that they raise, the average price paid would be \$5.62 1/2 per ton, and if our arithmetic is right the company will pay out \$2,129,641.87 to the farmers of this valley this season for beets. Some income, now, isn't it, and puts the farmers in the 'producers' class with a big C. On the basis that there were 31,000 acres of beets raised in the valley this year—which is pretty close to the amount—the average yield would be 12.21 tons per acre, which at \$5.62 1/2 per ton means a gross income of \$68.68 per acre, approximately the same as received by the growers a year ago. We imagine it is safe to say that the Scottsbluff Sugar Company will easily distribute \$3,000,000 in this valley this year when the cost of repairs, maintaining and operating the factory, etc., is taken into consideration."

Broadwater

Broadwater News:
Steve Petty arrived Tuesday from Torrington, Wyo., for a visit with relatives.

Mrs. A. C. Martindale received a telegram Saturday night advising her of the death of her mother at Clarinda, Iowa, she left Sunday via Bridgeport to attend the funeral.

M. L. Wehn and wife returned Wednesday from Harrison, Nebr., where they spent Christmas with Mr. Wehn's parents.

Mrs. John Adams and son left Wednesday for Torrington, Wyo., where they will visit Mrs. Adams' sister. John went as far as Bridgeport to see that they got out on the right train.

Mr. and Mrs. Bennett of Lamoyne, Nebr., left Tuesday for their home, after spending Christmas with their daughter, Mrs. Elwood Singer.

The stork played Santa Claus at the home of Mr. and Mrs. Allen Comstock, Christmas morning, and left a real live boy.

P. G. Armbus returned Monday from Sheldon where he was called by telegram last week on account of the sickness of his mother, whose death occurred before his arrival, funeral services being held Sunday. She was 74 years of age and the family was one of the pioneer settlers of Buffalo county.

W. R. Evans and family are enjoying a visit by Mr. Evans' mother and brother, both of Villisca, Iowa.

An unusual amount of sickness prevails in the Broadwater territory and Dr. Scholten is kept busy attending the many calls.

For Rheumatism

As soon as an attack of Rheumatism begins apply Sloan's Liniment. Don't waste time and suffer unnecessary agony. A few drops of Sloan's Liniment on the affected parts is all you need. The pain goes at once.

A grateful sufferer writes:—"I was suffering for three weeks with Chronic Rheumatism and Stiff Neck, although I tried many medicines they failed. Fortunately I heard of Sloan's Liniment and after using it three or four days am up and well. I am employed at the biggest department store in S. F. where they employ from six to eight hundred hands, and they surely will hear all about Sloan's Liniment.—H. B. Smith, San Francisco, Cal.—Jan., 1915. 25c at all druggists. Adv.—No 2

December 28—Work among Railroad employees; Mrs. Hurst, leader; Mrs. Thomas, hostess, 408 Sweetwater avenue.

That Sick Headache
The victim of a sick headache wants relief—and wants it at once! Unfortunately certain drugs and widely advertised "headache cures" will bring very prompt relief, temporarily. Naturally the temptation is great to resort to these so-called cures, because they may be taken without loss of time and with very little exertion. But despite all this, never take any drug unless your doctor prescribes them for you. There are safe ways of relieving headaches, but so-called headache cures is not one of them, says Dr. W. Peabody Bartlett, in Farm and Home.

First take some quick-acting laxative. A saline laxative is good for quick results, epsom or rochele salts. This is to clean out the intestinal tracts, and help in permanently curing your headache. For the prompt relief, or as prompt as it is possible to secure with safety (which means without the use of dangerous drugs), first secure absolute rest and quiet.

An emetic is almost always advisable in case of a very serious sick headache. Especially is this true if the suffering comes on right after, or soon after, a hearty meal. There are all sorts of emetics, some good, some too strong and wrenching to be desirable, but the emetic that seldom fails—the one I approve above all others—is so simple that I find it difficult to make patients take it. That is lukewarm water!

One glass won't do it, nor two nor three, will not always do it. But if you will continue to drink down, one after the other, glass after glass of lukewarm water, the desired result will come about, and it will come easily and painlessly. It is best to stand up while drinking the water, and near a receiving bowl. I have made reluctant patients drink warm water, standing over them and literally forcing them to do it, and the result was always a thorough cleansing out of the stomach until all poisons were gone, and after that the patient would readily fall asleep, only to wake with the headache gone—not "relieved," but literally cured.

The Knocker and the Booster
When the Creator had made all the good things there was still some dirty work to do, so He made the beasts and reptiles and poisonous insects, and when He had finished He had some scraps that were too bad to put into the rattlesnake, the hyena, the scorpion and the skunk; so He put all these together, covered it with suspicion, wrapped it with jealousy, marked it with a yellow streak, and called it a Knocker.

This product was so fearful to contemplate that He had to make something to counteract it, so He took a sunbeam and put it into the heart of a child, the brain of a man, wrapped it in civic pride, covered it with brotherly love, gave it a mask of velvet and a grasp of steel and called it a Booster; made him a lover of fields and flowers and many sports, a believer in equity and justice, and ever since these two were, mortal man has had the privilege of choosing his associates.—Anon.

Many People Don't Know
A sluggish liver can cause a person an awful lot of misery. Spells of dizziness, headaches, constipation and biliousness are sure signs that your liver needs help. Take Dr. King's New Life Pills and see how they help tone up the whole system. Fine for the stomach, too. Aids digestion. Purifies the blood and clears the complexion. Only 25c, at your druggist.

TO THE SOUTH WINTER TOURIST FARES

The warm and beautiful "Southland", with its Gulf and Florida seacoast, its attractive cities and hotels, is a winter playground and outdoor region. Railroad tours comprehend the whole South, going through one section and returning through another, including New Orleans, Mobile, Jacksonville, Atlanta, Savannah, Washington, D. C. Jacksonville is the destination of the general circuit tours. Then there are lower rates applying over the same route in both directions to Southern and Texas Gulf destinations.

The Burlington has three gateways to the South—Kansas City, St. Louis or Chicago, with excellent service via each one. Inquire for the Burlington's new "Winter Tours" leaflet. Complete presentation of tours to the South, West Indies, Cuba and the Canal Zone.
