

GLYCERINE AND BARK
PREVENT APPENDICITIS
 The simple mixture of buckthorn bark, glycerine, etc., known as Adler-I-ka, astonishes Alliance people. Because Adler-I-ka acts on BOTH upper and lower bowel, ONE SPOONFUL relieves almost ANY CASE of constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-I-ka is astonishing. SHORT ON POTATOES

Report of Federal Bureau of Crop Estimates Shows 38 Per Cent Less Than Year Ago

The report of the federal bureau of crop estimates shows that unusually small stocks of potatoes were held in the country January 1, a reverse of the condition a year ago. Supplies are 38 per cent short of that a year ago, and 15 per cent under two years ago.

The statement is made that but few potatoes are exported and that high prices are due to local demand. If, for the purpose of comparison, the estimates in percentages of marketable stocks of potatoes on January 1 be applied to the estimates of total production, it shows, in the states included (which produced 66 per cent of the 1914 crop and 78 per cent of the 1914 crop of the United States), a total of 165,345,000 bushels January 1, 1916, compared with 169,554,000 a year ago, 123,292,000 two years ago and 90,778,000 four years ago. These figures indicate that southern growers need not fear a burdensome competition with northern stocks of potatoes this spring.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Teat Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a tea-cup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened-up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It's magical, yet absolutely harmless. It doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

WHEN YOU GO TO DENVER

You Can Find Modern Accommodations, at Moderate Price Hotel, Conveniently Located

In visiting a city of hotels, such as Denver is, one is sometimes at a loss to know where to put up. Few people care to stop at some of the bum places that have out a hotel sign, and yet most of us prefer to not pay extravagant prices for hotel accommodations.

To those who wish to find a moderate price hotel, with modern conveniences, well located, Hotel Midland, at Seventeenth and Arapahoe streets, will be quite acceptable. It is only a few blocks up Seventeenth street from Union Station, and yet it is near the business center of the city.

Hotel Midland is conducted on the European plan, guests pay for their rooms only, getting their meals elsewhere. There are good restaurants and cafes nearby. The rates at the Midland are low, considering the fine location and good accommodations. Well furnished, steam heated rooms, with clean, comfortable beds, and privilege of bath, may be had at 75 cents and one dollar per day; room with private bath, \$1.50 per day. 7-44-7159.

The strongest recommendation any article may receive is a favorable word from the user. It is the recommendation of those who have used it that makes Chamberlain's Cough Remedy so popular. Mrs. Anna M. Chamberlain, Waynesfield, Ohio, writes: "Chamberlain's Cough Remedy has been used in my family off and on for twenty years and it has never failed to cure a cough or cold." HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.
