SMITH DREW CROWDS

Alliance's Clever Boxer Showed Himself a Champion in Ten Round Bout Last Friday Night

Tommy Smith, the Alliance boxer, proved himself worthy of the title of a champion by his clever exhibition in the ring at the Phelan opera house Friday night in his ten-round bout with Guy Buckles of Omaha.

The entire entertainment for the evening was well managed and a credit to the men who put it on. Athletic entertainments of this nature had in the past received a bad name but a good sized crowd attended and everyone seemed well satisfied.

The first preliminary was a wrestling match between Maurier and Traber, two of the Alliance fire department's athletes. The boys were in fine shape. Traber won by a fall in nine minutes.

The second preliminary was a four round boxing match between Bud Dineen and Kid Mahoney, two Alliance boys who are clever and fast. The boys will make top notchers if they keep up the game.

One of the most interesting and laughable incidents of the evening was the three-round boxing match

SHERIFF'S BOOKS AUDITED

J. W. Guthrie Finishes Checking Cal Cox's Records for the Period of Six Years

J. W. Guthrie, who has been employed by the county commissioners to audit the books of the county officials, has just finished work on the books of Sheriff Cal Cox, for a period covering six years.

The report as completed showed a net balance due the county of \$173.57 and the amount was immediately paid by Mr. Cox to the county treasurer.

Of this amount \$97.15 represented fees charged to Mr. Cox on cases in the Police Magistrate and Justice of the Peace courts for subpoenas served by various deputies which Mr. Cox probably never received any part of.

\$3.24 more is accounted for in a few incidental items including a difference in mileage charges on various work done and the balance of \$73.19 was due entirely to the new state law passed by the last legislature and effective last June, making changes in fees and in the amounts allowed for taking prisoners to the penitentiary and asylum. These changes in fees and allowances by state law, it seems, were overlooked by both the commissioners and the sheriff, and bills for this service presented by Mr. Cox had been allowed by the commissioners. Mr. Guthrie discovered this error in his work as auditor.

In speaking of the work on Mr. Cox's books, Mr. Guthrie said, "On account of the way the records had been kept in the different courts it was extremely hard to get at the different items. Many cases had not been docketed. When summons were issued the filing case was made and put away and the case settled without coming to trial, the various court officials during this period of time deeming it unnecessary to enter such cases on the docket.

"To show that Mr. Cox was honest in his intentions there were 146 cases of this kind in the different courts, not entered on any docket, that Mr. Cox collected, reported and paid over his part of the fees to the county treasurer and he had his receipts to show for the amounts involved. Had Mr. Cox been dishonest a great majority, perhaps all, of this money would have been lost to the county as it was only through his fee record and report to the county treasurer that these cases could be definitely traced."

ALLIANCE W. C. T. U. NOTES

Including Financial Report for February of Treasurer of the Alliance City Mission

The Mid-Continent Campaign Conference will be held in Lincoln, March 8 and 9, with Miss Anna Gordon, president National W. C. T. U., presiding. Alliance expects to furnish three delegates, Mrs. J. J. Vance, Mrs. J. W. Reed and Mrs. J. A. Keegan.

Mrs. Betty N. Sharp, superintendent of the Alliance City Mission and police matron of the city of Alliance, expects to leave the first of next week on a tour of inspection of charitable and reformatory institutions, such as orphanages, homes for old people, homes for girls and women, homes for boys, sanitariums, etc. In her work she often has need of sending persons to some kind of public institution, and it is her desire to know more about the practical workings of such institutions that she deals with or may deal with in the future. That here we have the climate, the moisture, the sunshine and the soil and that if we conserve the moisture by deep plowing and add the improvements and boosting a la California we can easily bring settlers from all over the country to western Nebraska. He said that he knew personally of farmers in the East where land sells from \$100 to \$400 per acre who have had only \$1,000 and \$1,500 to show for a year's work on a quarter section, while here where land is worth only a fraction of that amount, every quarter section of land suitable for cultivation will produce \$2,400. These figures, he said, are not guess work but the result of his own experience in farming from 1,000 to 2,000 acres of northwestern land through various methods for several years past.

Since Monday night several meetings of the parties interested have been held and the plans are well under way. D. A. Bartholow, who is managing the sale for Col. Paschal, remained in Alliance to assist local real estate dealers in listing property, preparing advertising and in completing the arrangements.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring back color, gloss and thickness with Grandma's recipe of Sage and Sulphur.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not snafu, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

WANT TULLY TO FILE

Many Friends of Charles Tully, Popular Ranchman, Want Him to File for Committeeman

Charley Tully, the well known and popular ranchman, who is a staunch Democrat, is being urged by his friends to file for the place of national committeeman to the national Democratic convention from the Sixth district.

Mr. Tully is one of the most widely known men in western Nebraska and his election would undoubtedly be a credit to this district. He has been urged to enter the race for state senator from the 28th district on the Democratic ticket. It seems certain that he would receive the nomination without opposition and that he would carry the district at the general election.

DISTURBED THE PEACE

Tom White, who was passing thru Alliance with an emigrant car and who stopped over long enough to disturb the peace of our tranquil city, was fined one dollar and costs in police court Wednesday. He was on his way to Torrington, Wyoming, to make his home.

MARRIED UNDER PROTEST

Maggie Patrick and James Dean, two colored people who, it is reported, have been living together in Alliance for about three years as man and wife, were arrested Tuesday and each fined \$25 and costs on charges of disorderly conduct. The couple were happily married Wednesday, and sentence suspended.

The Burlington has placed an order for the construction of forty-one coaches, eight diners and five mail cars. The cars are to be of steel construction and to be delivered during the early spring. It is asserted that the cost of the fifty-five new cars will approximate \$800,000.

In the decoration of the Burlington's dining cars something of an innovation is to be introduced and an effort made to get away from the straight lines that in the past have been the rule applied to all cars on all roads.

between the two colored boys, Joe Gans and Art Davis. Gans formerly boxed with Jack Johnson and easily put it over Davis. The crowd was kept in a roar from start to finish.

The match between Smith and Buckles was the main event and was full of thrills throughout. William King, the "old time referee", refereed the bout in masterful style. Buckles is fast and knows the game but he was unable to touch Tommy in a vulnerable spot. Tommy brought the Omaha boy to the ropes time after time and could easily have landed a knockout blow after the fifth round.

Smith took punishment without a murmur and always came back smiling. He seemed as fresh at the end of the tenth round as when he started in, while Buckles seemed to be in a state of near exhaustion and had to be assisted from the ring by his seconds. Both of the boys were clean fighters and did nothing to discredit the game in Alliance. Smith has made good and "is there with the goods".
