SUPPER AT THE CITY MISSION NETS \$90.00

Large Crowd Patronizes Supper Conducted at Mission by Ladies of the Local W. C. T. U.

Ninety dollars in real cash was added to the Alliance City Mission fund Thursday evening when one of the best suppers of the kind ever served in Alliance was patronized by one of the largest crowds that ever attended an affair of the kind.

Another one of these suppers will be put on in a short time. When the W. C. T. U. decided to have this supper they chose up sides and drew lots to see which side should put on the first supper. This was the one put on Thursday night, and members of the other side state that after the success of this event they hardly dare to anticipate any greater success.

Supper was served from 5 to 8 o'clock, and the tables were full most of the time during the three hours. Nearly everything was donated so that after all bills were paid there was \$90 left to add to the Alliance City Mission fund. The ladies had everything well in hand. They had supplies enough to have handled twenty-five or thirty more and there was no delay in the service. An effort will be made to net \$100 on the next supper.

Fifteen Hundred Dollars for Fifty Send your boy to an agricultural college if you can, but if you find that impossible get him a scholarship in the Campbell Correspondence School of Soil Culture. It will cost you fifteen hundred dollars to send him to an agricultural college for three years. You can buy a scholarship in the Campbell Correspondence School for fifty dollars and educate your boy at home. If he applies his spare time to study and takes pains with his work on the farm, he will know as much about scientific farming at the end of three years as he would if he spent that time and that fifteen hundred dollars at an agricultural college. He does not have to pass an examination and can begin at any time and go as fast as he pleases.

Of course you are too old to go to college, but you are not too old to study at home. We have students all the way from 19 years old to 84 years young. Write for a catalog and save \$1450. You can't make that much money as easy in any other way.

FOR COUNTY COMMISSIONER

Old Resident of Box Butte County Filled Last Saturday for Democratic Nomination for Office

Anton Uhrig, who settled in Box Butte county at its beginning and who homesteaded just east of Hemingford in 1885, on Saturday filed for the Democratic nomination for county commissioner from the First District of Box Butte county.

Mr. Uhrig came from Missouri thirty-one years ago. He still lives on the old homestead which adjoins the town of Hemingford. He was in business for twenty-five years at that city and brought in the first hardware, furniture and saddlery stock in 1886. He was the first mayor of Hemingford and has always been a staunch Democrat. His long residence in the county is believed by himself and friends to fit him well for the office. He helped dig the first well in Hemingford and built the first schoolhouse there.

THE BEST PROOF Alliance Citizens Cannot Doubt It Doan's Kidney Pills were used—They brought benefit.

The story was told to Alliance residents. Time has strengthened the evidence.

Has proven the result lasting. The testimony is from this locality. The proof convincing.

Mrs. Herman Schroeder, Washington Ave., Sidney, Neb., says: "I was in a bad way as the result of kidney trouble. I suffered from pains in the small of my back, dizzy spells and I was unable to stoop. On a physician's advice, I put a plaster on my back, but this did not relieve me. I also tried many kidney remedies, but to no avail until I began using Doan's Kidney Pills. One box stopped the pain in my back, and I continued using this medicine until the trouble disappeared."

Shakes Dust from His Feet L. L. Kish, formerly night marshal of the city of Alliance, who recently was suspended permanently by the city council, has wiped the dust of the city from his feet and gone to other parts—it is rumored that Lincoln is his abode now. Just who will pay the unpaid bills around town is still a question and from the present outlook will continue to be an unknown quantity. "Anthony Comstock" to the contrary.

WHY MEN CHEW TOBACCO

It's the Only Way That Real Tobacco Hunger Can Be Entirely Satisfied

"OLD KENTUCKY" IDEAL CHEW

Since tobacco was first introduced to civilization, nobody has ever discovered so supremely satisfactory a way to get all the flavor and enjoyment out of it as chewing it. And no other form of chew can give you the hearty, wholesome, juicy flavor that you get from a delicious high-grade plug tobacco like Old Kentucky.

The secret of the greatest chewing satisfaction lies in the selection of your chew. Among plug tobaccos the brand that sets the most enthusiastic endorsement is undoubtedly Old Kentucky. The reason for this is not hard to find.

Old Kentucky is made exclusively of ripe Kentucky Burley—the most richly-flavored chewing tobacco that grows. Still more, only the very choicest of all the Burley leaf is used for Old Kentucky.

This choice leaf is selected with the most painstaking care, is stemmed by hand, is thoroughly washed free of all foreign matter and is pressed into plugs so slowly that not a drop of juice or an atom of flavor escapes. Moreover, Old Kentucky is made under the most rigid, cleanly and sanitary conditions.

The result is a sweet, mellow, luscious, satisfying chew that cannot be obtained in any other tobacco than Old Kentucky.

Try a 10c pocket plug to-day.

Rank Foolishness You occasionally see it stated that colds do not result from cold weather. That is rank foolishness. Were it true colds would be as prevalent in midsummer as in midwinter. The microbe that causes colds flourishes in damp, cold weather. To get rid of a cold take Chamberlain's Cough Remedy. It is effectual and is highly recommended by people who have used it for many years as occasion required, and know its real value. Obtainable everywhere. Adv—March

Want Depot Changed Citizens of Hemingford will ask the Burlington Railroad Company to move the Hemingford depot over to the south side of the tracks. A petition asking for this change is now being circulated among the residents. This would certainly be a good change and in keeping with the company's policy of "Safety First." The depot is now located on the opposite side of the tracks from the town and anybody going to or from the depot is compelled to cross the tracks.

The excellent work on the half tones is especially worthy of note."

A PERMANENT CURE ON A LATER DATE Mrs. Schroeder said: "I willingly confirm my former endorsement of Doan's Kidney Pills. The cure they made has been permanent."

CHRISTIAN CHURCH

Owing to the absence of the pastor, Rev. H. J. Young, who missed his railroad connections in returning from Hastings where he attended the School of Methods last week, J. L. Bennett occupied the pulpit at the Christian church Sunday morning. He gave a splendid talk that was much appreciated by the audience.

An especially fine sermon was given Sunday night by the pastor. There are hundreds of reasons why you should use Herald Want Ads; there are hundreds who read them carefully. Full line of potted plants at the Alliance Greenhouse.

Always Get a Receipt

An Oklahoma editor tells of an old Indian that came to his office to subscribe for his paper. The editor took the Indian's money, then the Indian wanted a receipt. The editor tried to talk him out of it, but Mr. Indian wanted a receipt. After writing it, the editor asked him why he was so persistent in wanting a receipt. He said: "Me die some time. Go to gate and St. Peter ask me if I been good Indian. I say yes. He say did you pay your debts? I say yes. He say did you pay editor of Chief for paper? I say yes. He say, where is receipt? I don't have it. I have to run all over hell to find you and get receipt."—Exchange.
