

Our "Open Book" Policy

We believe that "he profits most who serves best."

Following our best judgment, supplemented by the best obtainable advice from public administrative and judicial bodies, we constantly endeavor to conduct our business so our service will be of the greatest good to the largest number of people.

Our business methods and policies, the amount of our investment, even the dividends we pay, as well as the details of the transaction of our business are matter of common knowledge.

Analyzed and sworn to in the annual reports to our stockholders and to the public, the minutest details of our business are taken up and explained.

We aim to give the best and broadest service to the greatest possible number at the lowest rate at which it can be produced and still pay a fair wage to the employee and a reasonable return to the investor.

We believe that such success as we have had has been because our business has been conducted on these lines.

Events in the Social Realm

The members of the Woman's Choral Club were hostesses to a large company of gentlemen friends Monday evening, at the Reddish hall, and from the first greeting to the last good night, the time was surely one long to be remembered. Charades were enjoyed by groups, each one impersonating in a clever manner some "kid prank". After this diversion it is safe to say that everyone felt acquainted and heartily entered into the spirit of a jolly good time whether it was the different figures of the old fantastic Virginia reel, indulging in the daintiest of refreshments, or games which were played after the luncheon hour. Somehow the ladies have always felt that they had the best wishes of the gentlemen in their endeavors and were not disappointed in this event, and whenever a like affair will be given, we are sure that no one will decline the invitation if such can be possibly avoided.

On Saturday afternoon Mrs. W. E. Spencer was hostess to a well appointed five-course dinner, the hours previous to the repast being passed with a contest in crocheting, in which Mrs. Lunn won the first prize, it being a crochet book, and Mrs. B. J. Sallows second, and was presented with a bouquet of carnations. The hostess was assisted by Mrs. Lunn, Miss LaRhea Lunn and Miss Flora Spencer. Mesdames, W. W. Johnson,

T. H. Barnes, Rolla Wilson, B. J. Sallows, J. F. Tiller, H. J. Ellis, A. T. Lunn, M. E. Grebe, Claude Vaughn, J. S. Adams, Sewell, W. R. Pate were among the list of guests.

Mrs. M. M. Reynolds entertained in honor of Mrs. H. C. Reynolds, Monday afternoon previous to her departure on Tuesday for her home in Lincoln, after an extended visit with her sons, M. M. and A. R. Reynolds, and their wives. The hours were socially spent and a delicious luncheon served at the close. Mrs. Reynolds has made many friends during her visit in Alliance, who will be glad to welcome her to their midst at any time she finds it convenient to come to Alliance.

Mrs. Oscar O'Bannon pleasantly entertained in honor of Mrs. C. F. O'Bannon of Seward, who has been visiting here for several weeks, and the time was enjoyed at Kensington, after which a two-course luncheon was served. Music was furnished by an Edison. The guest list included Mesdames Carns, Phelps, Lunn, Gilbert, Reynolds of Lincoln, and the two Mrs. Feagins.

A social session of the Woman's Club will be held Friday afternoon of this week, at the home of Mrs. E. G. Laine, and every one is asked to have an Irish joke ready for the roll

call. A St. Patrick's day program will be given, and the committee who have so efficiently arranged for same are Mrs. Myrtle Wilson, Mrs. Ida Johnson and Mrs. Lunn.

The Elks Club are to entertain at a St. Patrick's dancing party Friday evening, and if the time proves as enjoyable as previous parties have been, we are sure that no one will regret the social evening spent.

Mrs. B. J. Sallows entertained on Tuesday afternoon at a well arranged Kensington, and at the close of the informal afternoon hours served a delicious luncheon to her guests.

Attorney Robert Simmons, of Gering, was in Alliance the first of the week on business and visiting his friend and former class mate, County Attorney Lee Basye. Mr. Simmons is a candidate for county attorney of Scotts Bluff county.

Mrs. Mary E. Parker arrived Tuesday from Mitchell, S. D., for a visit with her son, F. W. Hicks, and family. Previous to her arrival in Alliance, she visited some time at Elk Point, S. D., and Sioux City, Ia. We trust that Mrs. Parker will enjoy her stay here, and find that Nebraska has many interesting features as does the "Sunshine state".

Hopes Women Will Adopt This Habit As Well As Men

Glass of hot water each morning helps us look and feel clean, sweet, fresh.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of stinky, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.

Sign of Good Digestion

When you see a cheerful and happy old lady you may know that she has good digestion. If your digestion is impaired or if you do not relish your meals take a dose of Chamberlain's Tablets. They strengthen the stomach, improve the digestion and cause a gentle movement of the bowels. Obtainable everywhere. Adv.—March

EASTER, APRIL 23RD.

Latest Date but One This Century for Easter—How the Date Is Fixed

Easter this year falls on April 23, the latest date but one on which it falls during the rest of the twentieth century. In 1943 it will be celebrated on April 25. In the year 2000 it will come on April 23, again. Every other year in the century Easter will come earlier than April 23.

Easter is fixed by ecclesiastical custom as the first Sunday following the first full moon after the spring equinox, March 21. If the moon falls on Sunday, then Easter is the Sunday following.

In 1905 Easter came on April 23, the same date as this year. In 1886 it came on April 25, which is the latest date on which Easter can possibly fall.

The next late Easter will be April 26, 1919, and on the same date in 1924 and 1930. In 1935 Easter will be on April 21. In 1889 Easter was celebrated on April 21, and on the same date in 1878 and 1867.

ONCE IS PLENTY

Jail Offense to Sign More Than One Candidate's Petition for the Same Office

Be careful about signing petitions, says the Callaway Queen. A great many people have a habit of signing a petition whenever asked to, without taking pains to find out what it is for. This is a risky practice, for if you sign a petition for more than one candidate for the same office, under the laws of Nebraska, you are guilty of a misdemeanor, and if convicted may be punished to the extent of a six months term in the county jail. The conviction would be simple enough, too, if one's name appeared too many times. So when someone asks you to sign a petition, make sure that it is the only one of that particular kind that you do sign, or you may find yourself in trouble.

The following is an extract from the state law:

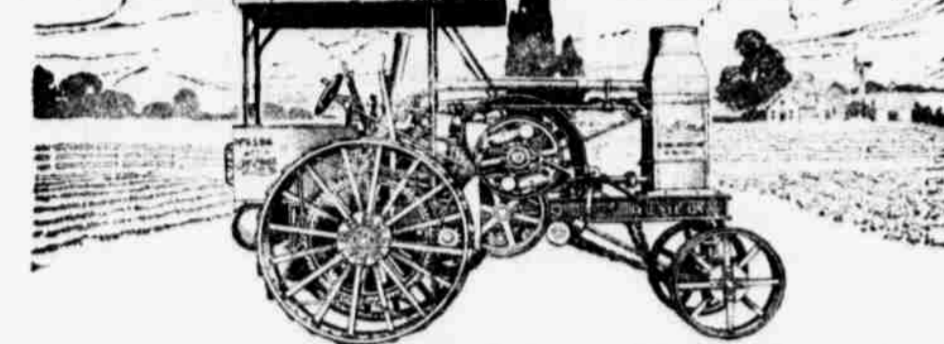

"Any person who shall sign more nomination petitions than there are positions to fill in any kind of offices shall be guilty of a misdemeanor, and upon conviction thereof be punished by imprisonment in the county jail not less than one nor more than six months."
