DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Brewster Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.
 Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil
 When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.
 Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.
 Nothing else stops lumbago, sciatica and lame back misery so promptly!

THE crude ovens pictured here may be all right for the preparation of food for the Mexicans, but they would never serve the purpose of a bakery that caters to the people of this community.

Our Fancy Pastries need the most modern of baking appliances, and also need expert care in their preparation. That they are of superior quality is proved by the statements of our large number of satisfied customers.

Quality and cleanliness are the twin mottoes of this bakery at all times.
