## ABSOLUTE PURITY

in our milk, cream and butter is a hobby with us. Our policy always has been to act in the initiative in this regard and we adopt all the methods and means known to modern science in carrying out this policy without waiting for orders or instructions from the state, county, city or any other authority.

Many municipalities are just beginning to learn what we have realized for a long time—that the health of any community depends largely on the pasteurization of the milk supply.

### YOU SHOULD DRINK MORE MILK

Much of the food on the modern table is refined to the point of being foodless. Milk helps to make up these deficiencies. The more milk you drink the more it makes for a balanced diet. Good milk contains everything required to build healthy bodies and is rich in the vital mineral salts needed for red blood and sound teeth.

Use plenty of milk, but be sure it's

We, as citizens of this state, have many things to be thankful of pride. Nebraska is one of the largest food producing states in should be brought home to every citizen of the state.

STAND UP FOR NEBRASKA is a good slogan, but in food, and every effort should be made to keep this slogan in the food to realize that the foods produced and manufactured here are seen in justice to ourselves as consumers, we should all join hands in or manufactured within the state.

It would seem proper that a certain time be fixed wherein the state and also of the producers and consumers of food produce **FOOD WEEK.**

All organizations of commercial endeavor, all societies of ing an dmanufacturing foods, and all persons engaged in the pro ment.

Believing that our citizens will agree with me in this matter, I hereby set apart the week of April 3rd for the purpose.

Pure Food

In harmony with the proclamation of Governor Morehead Food Week in Nebraska, it is suggested by this department that effort during the time mentioned to display and advertise such foodness that the best possible state of cleanliness and attractiveness

The slogan "Nebraska Foods First" should be adopted by should be given the preference in displays and advertising.

As this is the land of peace and plenty it is suggested that "Our Flag" will represent peace and the foods will stand for plenty. Your co-operation is very necessary to make the Pure Food sist in every way possible.

Every Day—

you hold on to that old refrigerator, you lose money and take chances.

☛ You are throwing away nickels and dimes for ice, dimes and quarters for food—that you should save.

☛ You are taking chances on your health; your family's health. You are holding onto an enemy—a bad investment.
