THE COMING PRIMARY

List of State Candidates for Office on the Democratic Ticket Shows Many Names

(By Herald Correspondent)
Lincoln, Neb., March 29—Secretary of State Charles W. Pool and his office force have been busier than the proverbial cranberry merchant near Thanksgiving, being almost buried under an avalanche of nominating petitions, personal filings, acceptances, withdrawals, etc.

The Democratic ticket is headed by Woodrow Wilson for president, but contains also the freak filing of one Robert G. Ross, whose name appears also on the republican ticket. For vice president there is a real contest between Governor John H. Morehead of Nebraska and Thomas R. Marshall of Indiana, the present incumbent.

For presidential electors at large Otto J. Baumann of Omaha and Felix L. Gallagher of Rosalie have no opposition. For district electors the only contest is in the First District between Dr. E. Arthur Carr and Attorney W. M. Morning, both of Lincoln. The other district candidates are: Second, Sophus F. Neble, Omaha; Third, Louis Lightner, Columbus; Fourth, H. J. Requette, York; Fifth, John M. Teeling, Hastings; Sixth, James A. Donohue, O'Neill.

For delegates at large to the St. Louis convention there are seven contestants for the four places. The first four named are the so-called Bryan slate, while the last three are the so-called anti-Bryanites or, as others classify them, the four "drys" and the three "wets". Their names are: William J. Bryan, Lincoln; W. H. Thompson, Grand Island; Louis J. Piatti, Omaha; J. J. Thomas, Seward; William B. Price, Lincoln; W. D. Oldham, Kearney, and Douglas Cone of Pierce.

For district delegates there is a contest among three or four in most of the districts, and no filings at all for alternates.

Mayor James C. Dahlgren (Bryan) and Arthur Mullen (anti) both of Omaha, contest for national committeeman; and Ignatius J. Dunn has entered the lists against Gilbert M. Hitchcock for United States senator.

On the state ticket Auditor Wm. H. Smith, Secretary of State Charles W. Pool and Attorney General Willis E. Reed have no opposition. Harry Adams of Chadron aspires to take State Treasurer George E. Hall's place, and Lieutenant Governor James Pearson has camping on his trail that eminent Episcopalian, democrat and editor, Edgar Howard of Columbus; and William B. Banning of Union.

There are four entries in the gubernatorial free-for-all, but the favorites in the betting ring seem to be Charles W. Bryan ("dry") of Lincoln and Keith Neville ("wet") of North Platte. Friends of Deputy Food Commissioner Clarence E. Harman filed a petition for him but it is not known that he will make the race. W. F. Stoeker, the other entrant, is regarded as not better than a thirty-to-one shot.

For State Superintendent, John A. Woodard of Seward and W. H. Clemmons of Fremont. For Land Commissioner, A. J. Slinger, Hastings; G. L. Shumway, Scottsbluff; Henry Obermann, Snyder; and E. B. Zimmerman, Lincoln. For Railway Commissioner, Andrew Clute, Hastings; Victor E. Wilson, Stromsburg; Edward Sughroue, Bartley; W. S. Ridgell, Alliance; R. W. Ralston, Omaha. For Regent of the University, Dr. P. L. Hall, Lincoln; H. D. Landis, Seward, and John W. Long, Loup City.

For Congress, Dan V. Stephens, Fremont, present incumbent, has no opposition in the Third, nor has Wm. C. Stark in the Fourth, while the Sixth has no candidate. In the First John S. McCarty of Lincoln and Daniel W. Livingston of Nebraska City cross swords with former Congressman John A. Maguire in a triangular duel. In the Second, Congressman C. O. Lobeck has "three men in buckram" at his throat—State Senator Laurie J. Quinby, Anthony T. Monahan and Harry B. Fleharty, all of Omaha.

Small Pox at Ravenna

Ravenna, Neb., March 23—Since quarantine regulations were enforced about two weeks ago several new cases of smallpox have developed and there are now about ten homes under quarantine. Every effort is being made to keep the disease from spreading, but a great many people were exposed before quarantine was enforced. No one who has the disease is sick enough to be confined to bed.

NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period when nature's demands are greater than in mature life. This is shown in so many pale faces, lean bodies, frequent colds, and lack of ambition.

For all such children we say with unmistakable earnestness: They need Scott's Emulsion, and need it now. It possesses in concentrated form the very food elements to enrich their blood. It changes weakness to strength; it makes them sturdy and strong. No alcohol.

PROSPECTING FOR OIL

Ardmore Oil Company Expects to Soon Be Ready to Resume Their Operations

According to the Harrison Sun, the Ardmore Oil Company which commenced prospecting for oil in the vicinity of Ardmore some time ago, and in which there are quite a number of Alliance stockholders, will soon be ready to resume operations after a lapse of several months occasioned by lack of funds.

The Harrison Sun says: "The board of directors of the Ardmore Oil Company met at Crawford, Nebraska, last Saturday afternoon. Judge W. H. Westover was re-elected president.

"Work will be commenced within a few days to complete the well, as the committee having in charge the raising of the additional funds have almost completed their work. Trustee Minick reports that they have almost reached the \$7,000 mark. As soon as the full amount is raised the work will go forward rapidly and it is expected that the committee will have no difficulty in raising the additional amount now that it is an assured fact that the well will be completed and the money judiciously expended."

AT THE MEXICAN BORDER

At Robinson at Crawford Nearly Deserted—Soldiers Have Gone to the Mexican Border

Crawford Tribune: "The troops of the 12th U. S. Cavalry, including the band, left Tuesday morning for the Mexican border to assist in capturing Villa, and his band of Mexican bandits. Only eleven soldiers, four civilians and Ben Itzkovitch are left to look after the garrison, with Sergeant Franke as commanding officer.

"The loading of equipment and supplies passed off without accident, except that Abe Oleson was unfortunately in being caught between two wagons and having his right shoulder bone fractured. He was brought to Crawford by Wheelwright T. G. Harris, and placed in care of Dr. R. L. Ivins.

"J. J. Habegger was transferred from the Quartermaster's office at Fort Robinson to serve as paymaster's clerk at San Antonio, Texas."

GERING NOW A CITY

Private Census Shows Gering Has Graduated from the Village Class

Gering Courier.—"Gering is a city. This is not a mere statement, but a legal fact, the necessary population having been demonstrated by a superficial census taken far enough to show over 1400 people, whereas under the law a village automatically becomes a city when it has 1,000 or more people. There was no doubt of the fact, but it was deemed best to compile a list to make the proceedings entirely legal, but after reaching the 1400 figure the census was carried no further. Later, it was learned that an area not supposed to be in the limits was there in fact, containing at least two or three hundred more, so that the actual population of Gering now is probably 1600 or 1800. At the meeting of the trustees the matter was taken up and the necessary ordinance passed and notice of election for city officers, mayor, clerk, treasurer and water commissioner, and two councilmen for each of the four wards into which the city is divided are to be elected."

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if Kidneys feel like lead or Bladder bothers you—Meat forms uric acid.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here. Make a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he has lots of Jad Salts to folks who believe in overcoming kidney trouble while it is in its early stage.

PAVING AT NORTH PLATTE

Laying New Mains in Preparation for Paving of Twenty-Five Blocks

North Platte, Neb., March 23—The laying of new water mains preparatory to the paving of twenty-five blocks in the business section of North Platte will begin soon. The city council has passed an ordinance compelling the substitution of lead service pipes for those of cast iron that they may now be connected with the water mains in the paving district. This statute was passed with a view to preventing the necessity of tearing up paving to repair pipes, since the lead service pipes are much more lasting than those of iron. A period of thirty days is allowed the patrons of the water department in which to comply with the ordinance. At the end of that time the city will make the changes and will collect from the patrons for the work.
