To the T. P. A. Members,
In Convention Assembled,
Alliance, Nebr.

Dear Friends--

I take this means of reaching every one of you, and want you to take this letter as a personal invitation to you, to come into my store and meet me and the young men who help me here in the store.

We want you to know that we want you to make this store your "Headquarters" at all times. If it is cold enough that we will need a fire, we will have a fire, and if it is warm enough that we can leave the doors open, the doors will be open. We will, in other words, try to make you know that you are as welcome as we know how to make you feel, and we will contribute to your comfort, pleasure, and enjoyment, as much as your necessities require, and our ability permits.

Will you be in? Will you?

Yours Very Truly,

First Recordings of Louis Graveure The Musical Sensation of the Season

FROM the greatest of operatic arias to the simplest English ballads, Louis Graveure displays an amazing gift of interpretation. Never before has such clarion power and vocal abandon been heard as in Graveure's singing of the "Pagliacci" Prologue, nor such tenderness of tone expressed as in his rendering of "Mary," Richardson's famous ballad.

With the new records by Godowsky, the poet-genius of the piano, and the latest recordings of dainty, vivacious Merg's Teyte,

These records fitly represent the artistic quality of all the

New Records for May
