## BE ENERGETIC NOT LANGUID

Medical Authority Tells What This Condition Really Means

"When you are languid and listless, or lack ambition and feel so melancholy that life seems scarcely worth the living, it is absolutely necessary that you take treatment to correct these sub-normal conditions, because you are suffering from derangements of a vital organ," declares one of the greatest medical authorities.

That "tired feeling" means a good deal more than is generally realized. It is not laziness, it is a physical ailment that needs correction quickly before it becomes even more serious by taking a firm hold on you.

Throw off that nervous depression. It is your duty.

Tanlac, the tonic, appetizer and invigorant, that builds new tissues, vitalizes the blood and acts so favorably on ailments of the stomach, liver and kidneys and catarrhal affections of the mucous membranes, is designed especially to correct these conditions. The results of the Tanlac treatment are amazing. It tends to put you back in body and mind like those old-fashioned, but most sensible folks—the pioneers—and to make you sturdy and of real manhood and womanhood.

Men and women, from the highest to the lowest walks of life, everywhere are testifying to the relief Tanlac has brought them. No other remedy has ever won such great endorsements that can only come from superlative merits.

Tanlac can now be had in Alliance at the Thiele Drug Store, where it is being fully explained to all questioners.

**ATTENTION, DRUGGISTS**  
An exclusive Tanlac agent is wanted in every Nebraska town. For particulars address Agency Department, Cooper Medicine Co., Dayton, Ohio.

**Economy.**  
An old couple who used to buy a quart of ale every night were persuaded by a friend to purchase a keg of the beverage on economical grounds. The evening that the keg was broached, and the first quart consumed, the old wife said: "Well, George, we've saved five cents on our ale tonight, and five cents saved is five cents earned." "That's so," replied her husband. "Let's have another quart and save ten cents."

**Forethought**  
People are learning that a little forethought often saves them a big expense. Here is an instance: E. W. Archer, Caldwell, Ohio, writes: "I do not believe that our family has been without Chamberlain's Colic, Cholera and Diarrhoea Remedy since we commenced keeping house years ago. When we go on an extended visit we take it with us." Obtainable everywhere.

**Minnie's Occupation.**  
"And where is your daughter Minnie this year, Mrs. Noovo?" asked the visitor. "Why," said the old lady. "Minnie wants to be a teacher in domestic science, and she's taking a course in household derangements down at the Abnormal school."—Life.

We will furnish the money to build homes in Alliance. We inspect the property ourselves and furnish money quickly at a low rate of interest. Nebraska Land Company, Alliance, Nebr.

**Russian Way of Drinking Tea.**  
In Russia the natives never drink milk in their tea, and cups and saucers are never used for tea. It is drunk from glasses.

**Impression That Remained.**  
A darky philosopher says: "I has noticed dat all great men retains in arter life de early impressions of childhood. Dis scar heal is whar my fader hit me wid a broomstick."
