EPW. LEAGUE CONVENTION

Paul W. Thomas of Alliance Elected
an Officer of Epworth League
Association at Crawford

The Alliance delegation composed of Miss Marian Grebe, Miss Janet Grassman, Paul Thomas, and Mr. and Mrs. C. A. Dow, returned Thursday from Crawford where the District Epworth League Convention was held. All reported that the meeting was very helpful and that they intend to carry out some of the ideas discussed. Over fifty delegates were present from the various towns in this district. The following program shows what was accomplished:

1 Tuesday evening was given over to devotional exercises led by F. C. Lewis and a musical program, with address of welcome by Rev. Fisher, with response by C. A. Dow of Alliance.

The musical program began with a beautiful solo by Wanda Richards, followed with an excellent cornet solo by Charles Minick. A violin and piano instrumental duet were then given by Alliance parties followed with a reading by Prudence Macomber, the program closing with music by the Misses Ruth and Helen Forber, Lela Pittis and Edith Jones, all the numbers being very pleasing and well received by the large number present.

Wednesday morning, 5 o'clock, a devotional service was held with 47 present, led by Mrs. Palmer of Hemingford, one of the best meetings of the convention.

After breakfast, a devotional service began at 9:30, led by Paul Thomas of Alliance, which was well attended.

A business session convened at 10 o'clock, many items of importance being brought up and discussed. The following officers at this time elected for one year:

President—O. P. Burrows of Mitchell.

First Vice President—Mary Eastwell of Scottsbluff.

Second Vice President—Dora Argobright of Chadron.

Third Vice President—Mrs. F. C. Lewis of Crawford.

Fourth Vice President—Paul W. Thomas of Alliance.

Secretary—Ray Bigelow of Harrison.

Treasurer—Thomas Holding of Whitney.

Junior Superintendent—Mrs. N. G. Palmer of Hemingford.

The afternoon session opened at 1:15, with devotional exercises led by Miss Ruth Forbes. Then came papers on the following subjects:

"Recreation and Culture," by Mary H. Eastwell of Scottsbluff; "Epworth League Finance," by Dora Argobright of Chadron; "How to Conduct an Effective Devotional Meeting," by Ray Bigelow of Harrison; "Practical Ideas on Leading a Missionary Meeting," by Mrs. Ed Zuercher of Crawford; "How a Secretary Can Count on Epworth League Work," and a song table, led by C. A. Dow of Alliance.

Following the afternoon session came an auto sight-seeing trip around Crawford, to Fort Robinson, and ending with a picnic supper in the park.

An evening service, the selection of Chadron for the next convention, songs by the Crawford male quartet, composed of Messrs. Fritts, Selby, Hey and Minick, an address by N. G.

Palmer of Hemingford and followed by a consecration service, ended one of the best conventions ever held by the Leaguers in this part of the state.

WOMAN'S DREAM IS TRUE AT LAST

She Knows Why Multi-Millionaires Offer to Divide Fortunes

To be a sufferer from nervous dyspepsia for ten years, and to bear all the tortures, mental and physical, that this all too common ailment brings, and then to find relief almost over night, is like having a happy dream come true.

But this was the delightful experience of Mrs. Margaret Hunter, of 40 Eighteenth st., Newport, Ky. Mrs. Hunter, the wife of a well-known and highly successful real estate dealer in the Kentucky city, recently told of the long hoped for change in her life.

"For ten years," explained Mrs. Hunter, "I have suffered from nervous dyspepsia. When I read of the offers of multi-millionaires to divide their fortunes if they might be cured of this terribly distressful malady, I felt that in this way they were eloquently told of their sufferings, and I felt, too, that I would never be cured, because I had no millions to offer.

"I used all manner of remedies without avail. Even the strictest dieting did not help me materially. Food in any form was absolutely repellant at most times. But worst of all, of course, was the constant nerve strain. I had all of the symptoms of indigestion and indigestion.

That dyspepsia causes—headaches, backaches, and pains in the kidney regions, nausea, dizziness, sleeplessness, bad taste in my mouth, a coated tongue, forming of gas in my stomach and bloating, and I was in a generally runing down and thoroughly nervous condition.

"And then came the joyful surprise. After the first few doses of Tanlac I was benefitted. Now I am back to a normal condition, nerves quieted, restful sleep, and my food digesting as it should, and, of course, I am gaining strength daily.

"My husband, who has seen the splendid effect of Tanlac on me, has also taken it."

Tanlac, that inspired this intensely interesting story, big in importance to men and women everywhere, now is being introduced in Harry Thiele's Drug Store, where it is being fully explained daily.

ATTENTION, DRUGGISTS
An exclusive Tanlac agent is wanted in every Nebraska town.

Suitcase Thieves Are Busy
The Alliance police are of the opinion that an organized gang of suitcase thieves are at work in the city. Within the last two weeks five suitcases have been stolen and none recovered. Friday morning two young men on their way to Scottsbluff left their suitcases in the depot and on returning a few minutes later found them missing. They have not been located.

The Same Old Story
Under the spreading willow tree a stubborn auto stands and Smith an angry man is he with trouble on his hands. He curses softly to himself and crawls beneath the car, and wonders why it didn't bust before he got so far. The carburetor seems to be the cause of all the woe; he tightened half a dozen bolts, but still it does not go. And then he tries the steering gear, but finds no trouble there, till wet with perspiration, then quits in sheer despair. He squats beside the road to give his brain a chance to cool and ponders on his training in the correspondence school and then he starts the job once more, until by chance it's seen the cause of all the trouble is he's out of gasoline.
