GO SOMEWHERE! 'TIS THE THING TO DO

Do not let the Summer slip by without joining the vacation throng. With Europe out of the question, with industrial, financial and agricultural prosperity throughout the land, you will find large numbers of pleasure-seeking Americans wherever you go.

TO THE EAST: A complete scheme of low excursion fares are daily in effect to all resort regions of the East,—New England, Atlantic Coast, etc.; diverse routes that embrace the historical and most beautiful sections.

TO THE BLACK HILLS: Here is a summer vacation region that is increasing its patronage each year.

THE YELLOWSTONE PARK: Commencing July 1st we have through standard sleepers direct to Cody, the scenic and automobile gateway. No tour of the Park is complete that does not include this 90-mile automobile journey.

TO COLORADO: Colorado is ideal for a vacation. The change is complete. Beautiful Estes Park, Colorado's typical resort, is reached over night. We have low rate tours everywhere. Tell us what you have in mind. Let us help you.
