BUT FEW CHANGES MADE IN BALLOT FOR GENERAL ELECTION

Heading "Proposed Amendment" to Be Printed over Proposition Involving Wet and Dry Issue.—Complete List of All Party Candidates

Very few changes were made in the draft for the ballot at the election to be held November 7, when a conference between Secretary of State Charles W. Pool and representatives of the Nebraska Dry Federation, the Prosperity League and the Democratic and Republican state committees were held at Lincoln recently.

It was agreed between Chairman W. T. Thomas of the Nebraska Dry Federation and President L. F. Crofoot of the Prosperity League that the heading "proposed amendment" should be printed over the proposition involving the wet and dry issue, which comes on the first ballot. Secretary Pool adopted the suggestion and said he would confer with Clarence Harman as to the headline to appear over the food-commission amendment, which comes second.

"Dry" Amendment First The proposed prohibitory amendment to the constitution of the state of Nebraska appears first on the general election ballot. The voter may vote "yes" or "no" on the question, which appears beneath the text of the proposed amendment, the question being, "Shall the above and foregoing amendment to the constitution be adopted?" The proposed amendment reads as follows:

"On and after May first, 1917, the manufacture, the sale, the keeping for sale or barter, the sale or barter under any pretext of malt, spirituous, vinous or other intoxicating liquors, are forever prohibited in this state, except for medicinal, scientific, or mechanical or sacramental purposes."

Pure Food Amendment Second The pure food amendment to be voted upon reads as follows:

"That Article V (5), entitled "Executive Department, of the Constitution of the State of Nebraska be and hereby is amended by adding thereto the following new section to be numbered Section 19B:

"SECTION 19B: The governor shall appoint an elector of the state who shall be known as the Food, Drug, Dairy and Oil Commissioner. Such commissioner shall be appointed for a term of six years and shall have power to administer all laws now administered by the Food, Drug, Dairy and Oil Commission, and the powers possessed by the governor and his deputy, and shall become vested in the Food, Drug, Dairy and Oil Commissioner, which commissioner without further authority of

law is hereby authorized and directed to assume all the powers and perform all the duties heretofore vested in, or exercised by the governor with reference to the Food, Drug, Dairy and Oil Commission, but nothing herein contained shall limit the general supervisory or examining powers vested in the governor by the laws or the constitution of the state, or such as are vested by him in any committee appointed by him. Said commissioner shall give bond, receive such compensation, perform all duties and comply with all regulations that are fixed and established by law."

Following the two proposed amendments on the ballot is provided a section whereby marking a cross in a given party circle the voter votes that ticket straight. There are six parties listed on the ballot to be used November 7, being Democrat, Republican, Socialist, Prohibition, Progressive and People's Independent.
