### COMMISSIONERS HELD A BUSY SESSION

City Allowed \$100 to Commercial Club as Aid in Making Soil Survey—Receive Petitions

Alliance, Nebr., Nov. 15, 1916. The board of county commissioners met pursuant to adjournment. Officers present: Geo. W. Duncan, chairman, C. L. Hashman and J. M. Wanek.

H. M. Bushnell, secretary of the Alliance commercial club, appeared before the board and explained the claim of the commercial club filed against Box Butte county in the sum of \$100, on account of expense in connection with a soil survey of Box Butte county, which claim, after being duly considered by the board, was allowed.

The Board of Health, consisting of the Board of County Commissioners and County Physician, investigated a complaint made by Mrs. Collins against Mrs. Victor Thompson, but took no action in the matter.

Whereupon the board adjourned until tomorrow morning, November 16, 1916.

Alliance, Nebr., Nov. 16, 1916. The board of county commissioners met pursuant to adjournment. Officers present: Geo. W. Duncan, chairman, C. L. Hashman and J. M. Wanek.

P. H. Dillon appeared before the board and complained of his assessment for the years 1897-1898 and 1899, complaining that he had received no notice regarding this assessment until the year 1915, and after considering the same the treasurer is instructed to accept the amount of the principal and interest to the year 1900, and that assessment for the year 1902 in Lawns precinct be cancelled on account of same property being assessed in Box Butte precinct for that year.

A committee representing the Farmers' Agricultural Society appeared before the board and presented a petition signed by J. F. Jensen and three hundred and eighty other taxpayers praying that said board appropriate a sum of money for the local support of county agent work in Box Butte county, Nebraska, beginning January 1, 1917, as provided in Article 21, Section 70, Revised Statutes of Nebraska, and after hearing the argument by the chairman of the committee, in favor of the proposition, it was taken under advisement by the board.

Whereupon the board adjourned until tomorrow morning, November 17, 1916.

Alliance, Nebr., Nov. 17, 1916. The board of county commissioners met pursuant to adjournment. Officers present: Geo. W. Duncan, chairman, C. L. Hashman and J. M. Wanek.

C. A. Newberry appeared before the board and asked that adjustment be made on the personal schedule of the Newberry Hardware Company on account of said corporation being taxed on its capital stock, said capital stock covering the real estate of said corporation and deduction not having been made for the total value of the real estate assessed. The board being fully advised finds the facts as stated by Mr. Newberry to be true, and refund is ordered for the amount claimed.

The treasurer is instructed to accept the personal taxes of Dr. C. E. Teter less \$500 worth of book accounts as shown on his schedule, on account of same being uncollectable.

A. S. Gerdes complained of the assessed value placed on the improvements on the north half and southeast quarter of Section twenty-four (24), township twenty-seven (27), range forty-seven (47), and after duly considering same it was found that the improvements were valued too high and refund was allowed for \$19.84.

The official bond of J. O. Donovan, road overseer District No. 9, Wright precinct, was examined and approved.

Whereupon the board adjourned until tomorrow morning, November 18, 1916.

Alliance, Nebr., Nov. 18, 1916. The board of county commissioners met pursuant to adjournment. Officers present: Geo. W. Duncan, chairman, C. L. Hashman and J. M. Wanek.

ing the school longer as he has no funds and is considerably obligated, assistance financially toward maintaining.

First reports were to the effect that Roush had taken advantage of the students, had sold their notes and skipped the country. However, he was but at Grand Island, being called there by the death of his mother. On his return to Scottsbluff he conferred with members of the commercial club and others but had no remedy to offer. Roush is unable to continue the school on his own resources. It appears that he has negotiated a considerable portion of the notes given by students in the college. The physical assets of the college are said to be incumbered. The situation, in a way, is said to be serious. The Scottsbluff Commercial Club is endeavoring to work out a scheme whereby the school can be continued. There are some ninety students enrolled in the college at this time.

**BAPTIST REVIVAL TO START SUNDAY**

A series of revival meetings will begin at the Baptist church in this city Sunday, November 26, with Rev. W. M. Martin as the directing evangelist. A. E. Calhenger will be in charge of the music and will direct the choir. Rev. Martin and Mrs. Martin have their home in Lincoln, Nebr. They have conducted many successful evangelistic campaigns in Nebraska, Iowa, Kansas and Colorado.

In speaking of Rev. Martin, Dr. Wilson Mills says: "He is a dependable man, with a record as clean as daylight and as steady as the stars. As a speaker he is pleasing, practical, forceful and true to the Word."

Rev. W. E. Stone, pastor of the Presbyterian church at Loup City, Nebr., says: "I have found him a delightful man to work with. He is a forceful preacher because he stays close to the old Book, and his methods are absolutely safe and sane."

Mr. Martin came from Colorado, Nebr., where they had an excellent meeting. The public is cordially invited and urged to attend these meetings at the Baptist church.

**SCOTTSBLUFF BUSINESS COLLEGE IN DISTRESS**

The Scottsbluff Business College, which has been conducted at Scottsbluff for several years by C. W. Roush, is seemingly wrecked on the reefs of financial disaster. Mr. Roush states that he can offer no real as-
