

DISTRESSING RHEUMATISM

How many people, crippled and lame from rheumatism, owe their condition to neglected or incorrect treatment! It is the exact combination of pure Norwegian Cod Liver Oil with glycerine and hypophosphites as contained in

SCOTT'S EMULSION

that has made Scott's famous for relieving rheumatism when other treatments have utterly failed. If you are a rheumatism sufferer, or feel its first symptoms, start on Scott's Emulsion at once. IT MAY BE WHAT YOU NEED.

FINE FOR ILLEGAL LIQUOR SELLING

The grand jury returned nine indictments after being in session a week at Falls City. Most of the offenses were against the liquor laws. Charles E. Stiles, a druggist at Dawson, was fined \$200 on a charge of illegal sale of intoxicating liquors. Dawson voted out the saloons last spring. The judge continued the sentence on the third indictment against Stiles pending good behavior.

lor. Marion Anderson of Rulo was given a fine of \$100 for selling to a minor. He and the minor fell out. It is said. The boy threw a brick and hit Anderson in the face, which Anderson resented by having the boy arrested and fined in the Rulo police court. When the boy's mother took an interest in the matter Anderson was sentenced to jail for thirty days.

Whereas, the Mayor and Council may by ordinance duly passed by a two-thirds vote issue bonds to pay off any bonded debt without a vote of the people, at a not higher rate than the debt outstanding; and

Whereas, the Mayor and Council deem it advisable to issue the negotiable coupon bonds of said city in the aggregate amount of twelve thousand dollars, bearing interest at the rate of five per centum per annum, for the purpose of refunding and redeeming the said valid outstanding bonded indebtedness of the said city as aforesaid, thus extending the time of paying the said indebtedness and materially reducing the interest; now

That by virtue, and in pursuance of Section 4830 of the Revised Statutes of Nebraska, 1913, and all other statutes thereunto enabling, there shall be issued the refunding bonds of the City of Alliance to the amount of twelve thousand dollars, for the purpose of refunding and redeeming the valid outstanding bonded indebtedness of the said city, as hereinbefore set forth.

Section 2. That said refunding bonds hereby authorized shall be dated December first, 1916, be absolutely due December first, 1936, and redeemable at the option of the city at any time after five years from the date thereof, and shall bear interest at the rate of five per centum per annum, shall consist of twenty-four bonds of the denomination of five hundred dollars each, numbered from one to twenty-four, inclusive, and both principal and interest of the said refunding bonds shall be payable at the office of the State Treasurer of the State of Nebraska, in the city of Lincoln, Nebraska. The interest shall be represented by forty coupons attached to each bond, each coupon representing a half yearly payment of interest upon the bond to which it is attached. The said bonds shall be signed by the Mayor, attested by the City Clerk, and bear the city seal, and be countersigned by the City Treasurer, and the coupons attached to such bonds shall be signed by the facsimile signature of the City Treasurer.

BOY IS FIGHTING IN TRENCHES IN EUROPE

W. S. Hays, of Scottsbluff, whose son is "somewhere in France" fighting for the cause of the allies, has

received word from the department of militia and defence of the Canadian war office, to the effect that his boy is a member of the Fifty-first Overseas battalion of the Canadian infantry, and is known as No. 437-986. There is no record of his having been killed or injured and the war office gives Mr. Hays the information that so far as they know, the lad is safe. Some word was also obtained in regard to his enlistment. The Canadian records show that he enlisted at Edmonton on May 6, 1915. Mr. Hays is also in receipt of a telegram from Senator Sherman of Illinois, who has been in communication with the American consul in London in regard to the lad, and this message gives practically the same information as is contained in the official war document from Canada.

SECRETARY POOL MAY MAKE RACE

The congressional waters appear to look fine to Secretary of State Charles W. Pool, and if he does not change his mind he will be a candidate for the democratic nomination for congress in the Sixth congressional district.

Mr. Pool has been looking over the returns of the last election and discovers that he carried thirty of the thirty-six counties of that district winning out over his republican opponent by over 7,000 votes. He polled 11,242 more votes than did the democrat who ran against Congressman Kinkaid, although the latter polled more votes than did Mr. Pool.

THIEVES STRIP AUTOMOBILE

Automobile thieves who stole the automobile of Joseph Robers, former president of the Nebraska state fair, ran the machine into the ditch near Fremont before they had driven it a quarter mile. Not to be cheated by this misfortune, they removed the tires, horn and brass fixtures. Mr. Robers found the stripped car in the ditch Tuesday morning. Last summer during the tractor meet the same automobile was stolen and the thief was run down and captured by Fremont policemen.

ENDORSE MANAGER PLAN

A mass meeting of citizens held at Fremont for the purpose of hearing the report on the proposed commission form of government voted at the close of the meeting to endorse the manager plan. The committee headed by County Attorney S. S. Sidner appointed at a previous meeting to prepare a report upon the best form of government for a city of Fremont's size, reported in favor of a manager plan. A motion of Mare G. Perkins to appoint a committee of ten to oppose the McMullen bill at Lincoln was withdrawn when the chairman refused to assume the responsibility of appointing a committee.

INTERESTING NEWS FROM MINATARE

Wednesday evening, while a party, given by a number of the young people of Lake Minatara vicinity to their teachers, was in progress at the school house, fire was discovered in the basement.

It had started from the furnace, which is set so near the floor that an unusually hot fire caused the rafters to kindle. Water had to be hauled in from a neighboring farmhouse and only by the hardest kind of fighting was the fire put out. The damage was not large and was fairly well covered with insurance.

The Telephone Operator Cannot Tell Who Called Your Number

Perhaps today your telephone bell rang, and when you answered the operator asked, "Number, please?"
"Why, my bell rang!" you probably replied.
You were answered courteously, "Will you excuse it, please?"
The operator knew some subscriber had asked for your telephone number, then she answered it was not the number he wanted and had hung up his receiver, or that you were a bit slow in answering and the party calling you had tired of waiting and had hung up his receiver.

If the operator had rung you on account of her own error, she would have answered, "I beg your pardon, you were called by mistake."
Most wrong numbers are called because of persons asking for the wrong number, or to their giving the number they want so quickly or so indistinctly that the operator does not understand correctly.

The modern Bell Telephone switchboard, as well as our operating methods, represent many years of study and investigation, and we are confident that our service, when properly used, responds to every reasonable requirement.
