ALLIANCE, NEB.

News of Interest to and Pertaining to Alliance Colored People

Edited by Rev. T. B. J. Barclay

April 15 is the date set for the big rally, at which time the big effort will be put forth to raise funds for the work of building the new African M. E. church in Alliance. There are a number of men who will give \$25 towards the work, while a few of the women will give \$10 to help the work along. The members and friends of the A. M. E. church in Alliance propose to make the start themselves. Nothing will be asked in the way of aid from anyone outside until funds to a sufficient amount to make a good start have been secured from among the people. The church owns two lots in Alliance. It is possible one or both of these lots will be sold and a better location purchased or one lot sold and the money applied to the building fund. The A. M. E. church is going to do things for itself. It is going to stand on its own feet as far as possible and when the time comes that it is found necessary to seek aid outside the church is going to be able to present a businesslike proposition. The membership and friends of the church will show that they are capable of doing for themselves.

On Tuesday night, April 17, the stewardests of the church will give a big entertainment for the benefit of the building fund. Come out and help the fund. The entertainment will be held at the K. of S. hall.

P. E. Pope of Denver held the quarterly conference for the A. M. E. church here Thursday night. He also preached a sermon. There were quite a number in attendance at the quarterly meeting. Those who failed to attend missed a treat. Rev. Pope is an able preacher of the gospel and delivers his message with power and force.

SOME NEWS NOTES

All good men and women should join the K. of S. Dispensation until April 1.

Mrs. John Glass is sick with appendicitis. She may have to go on the table.

Saturday being pay day, three dinner cooks and a waiter missed their train here and had to lay over.

Sunday was a fine day and the children turned out well for Sunday school.

Clem Linnear started to West Lawn Saturday with J. O. Minor, but Mr. Minor is a footman when he sees a man going west. He left Clem so far, he came back almost out of breath.

A young man who is boarding with a woman stated he was going to get married three weeks ago. Hope he will do so soon. We want cake.

Mrs. Lillian Washington is still with her mother, who is ill at a hospital. It is hoped the mother will regain her health soon.

The Easter program will be rendered at Hamilton's hall, April 8. Don't miss this program for it will be a splendid one, indeed.

We were glad to have visitors at Sunday school last Sunday. Such a fine day. Come again.

Miss Ollie Lane will go to Cheyenne to attend the Sunday school convention this spring.

Don't forget the social at the K. of S. hall Friday night of this week, March 23. Come and enjoy yourself.

The two Marys who have been working at Shelton's cafe have struck.

Mrs. Julia Shelton is on the mend, but Jenese is sick. Hope she will be herself again soon.

M. C. Linnear is better and will be able to work again soon.

Miss Minnie Ford is up and out again after being confined in bed for several days.

Presiding Elder R. L. Pope left Friday for Cheyenne to arrange for the Sunday school convention to be held there this spring. Alliance will be represented with four delegates.

J. O. Minor is the Hot Tamale man. See him.

J. M. stepped out on his porch. He saw a jack rabbit sitting at the other end of the porch eating. He got his gun, shot five times at Erer Rabbit. The rabbit remained still. With his ammunition all gone he threw his gun at the rabbit and chased it over the hill. My. My.

Mrs. J. E. Selby entertained the presiding elder and the pastor and family Friday noon at a royal feast.

The leading papers of Des Moines, Ia., is a well-considered editorial expression in reference to the scant attention the negro receives in times of peace and the solicitude vouchsafed him in time of war, says a demand is now before congress for a great national school for negroes, made, strange as it may appear, by a congressman from Tennessee. It is to be a school for military training. The southern leaders who during fifty years of peace have permitted the negro to secure his own training for civil life have suddenly become thor-

oughly aroused to the need of a government institution to train the negro in the art of war. Of course, if we are to prepare soldiers, much may be said for the proposed school. The negro has stood beside the best soldiers in the world as brave as a lion, and more willing to fight for the flag than many to whom the flag has meant more in privilege. But is it not worth thinking about that we should be so suddenly solicitous for the training of the negro in times of war and so little solicitous in time of peace. Suppose the congressman from Tennessee had proposed a great national training school for the negro fifty years ago to fit him for the common duties of American life?

If you were busy being right, You'd find yourself too busy quite To criticize your neighbor long Because he's busy being wrong. Be right with God and man.

Worms Handicap Your Child

Worms drain the strength and vitality of children, making them dull and listless. Their power to resist more serious diseases is reduced and energy and interest in play is lacking. Kickapoo Worm Killer is a mildly laxative remedy in candy tablet form that children like to take. It kills and removes the worms and lets your child grow strong and healthy like other children. Don't let your child be dragged down by worms. Full directions on the box. At druggists, 25c. Adv-3

Rank Foolishness

You occasionally see it stated that colds do not result from cold weather. That is rank foolishness. Were it true colds would be as prevalent in midsummer as in midwinter. The microbe that causes colds flourishes in damp, cold weather. To get rid of a cold take Chamberlain's Cough Remedy. It is effectual and is highly recommended by people who have used it for many years as occasion required, and know its real value. Obtainable everywhere. Adv-mar
