NOSE CLOGGED FROM A COLD OR CATARRH
Apply Cream in Nostrils To Open Up Air Passages.
Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.
Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head: soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid.

FAVOR SALE OF SCHOOL LANDS
Senator Robertson of Holt County Gives Reasons Why State Lands Should Be Sold
Lincoln, Neb.—State Senator John A. Robertson of Holt county is a strong advocate of the sale of the school lands belonging to state of Nebraska.
Senator Robertson made the following statement to The Alliance Herald representative relative to the school lands of the state:
The law taking these lands off the market was passed in 1897 and all leases drawn since July, 1897, have had the option of purchase removed. The reason for the passage of the law was the loss of a large amount of the permanent school fund through the defalcation of the state treasurer and no legal provision at that time for the safe investment of the permanent school fund.
Since then the laws have been so changed that the state treasurer is required to keep the permanent school fund invested in 5 per cent bonds of school districts and municipalities and it can not be lost as it was at that time and the income is certain and definite. The only question is "state landlordism" or homes for the people. The landlord is now receiving about 12 1/2 cents per acre for his land and he is paying no tax while the average land owner is paying about 20 cents per acre tax, thus you see that instead of the school land being an asset it is a liability under the present system. Here are the facts as shown by the reports of the state auditor and the commissioner of public lands and buildings. The state has 1,650,990 acres or 2,579 sections of school land and receives \$207,935 per year rental or about 12 1/2 cents per acre. If these lands were on the tax list they would pay at least \$125 per section or \$322,375 in taxes, or \$114,440 more than they now pay for rental. The landlord might raise the rent and we might pass a landlord's lien bill to enforce the collection of same but even if we would go the limit we could not get one third as much rent as we would get if the lands were sold and the money was drawing 5 per cent interest. These lands if sold now in the present era of high prices would bring from \$15 to \$100 per acre and they would not be sold as the lands in the eastern part of the state were sold but would be sold to the highest bidder. If these lands were sold at the low valuation of \$15 per acre, we would have 1,650,990 times 15 or 24,764,850. 5 per cent interest on this temporary fund 1,238,342 We now receive rentals 207,935 We lose each year 1,030,407 We lose taxes at 12 1/2 per cent 222,375 We lose int. tax each year 1,352,782 or more than six times as much as we receive.
This has been going on for 20 years and will continue as long as state landlordism without taxation continues as no lease system has ever been invented that would equal 5 per cent.
How long do you want to continue this robbery of the school children and taxpayers of the state for the sentimental privilege of saying, "We own the school lands."

BACKACHE IS A WARNING
Alliance People Should Not Neglect Their Kidneys
Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.
Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Alliance testimony.
Mrs. J. T. Austice, 614 Mississippi avenue, Alliance, says: "I have recommended Doan's Kidney Pills to many because I have found them so good. I had been having backache and bladder trouble as well. The aching was steady and wearing and I was about used up. Doan's Kidney Pills drove away these symptoms, so I know they are a fine medicine."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Austice had. Foster-Milburn Co., Props., Buffalo, N. Y.

DRINK HOT WATER BEFORE BREAKFAST EVERY MORNING

Hopes every man and woman here will adopt this splendid health habit.
Says a glass of hot water with a teaspoonful of limestone phosphate in it washes poisons from system, and makes one feel clean, sweet and fresh.

Why is man and woman, half the time, feeling nervous, despondent, worried; some days head-achy, dull and unstrung; some days really incapacitated by illness.
If we all would practice the drinking of phosphated hot water before breakfast, what a gratifying change would take place. Instead of thousands of half-sick, anaemic-looking souls with pasty, muddy complexions we should see crowds of happy, healthy, rosy-cheeked people everywhere. The reason is that the human system does not rid itself each day of all the waste it accumulates under our present mode of living. For every ounce of food and drink taken into the system nearly an ounce of waste material must be carried out, else it ferments and forms ptomaine-like poisons in the bowels which are absorbed into the blood.
Just as necessary as it is to clean the ashes from the furnace each day, before the fire will burn bright and hot, so we must each

morning clear the inside organs of the previous day's accumulation of indigestible waste and body toxins. Men and women, whether sick or well, are advised to drink each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it, as a harmless means of washing out of the stomach, liver, kidneys and bowels the indigestible material, waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.
Millions of people who had their turn at constipation, bilious attacks, acid stomach, sick headaches, rheumatism, lumbago, nervous days and sleepless nights have become real cranks about the morning-inside bath. A quarter pound of limestone phosphate will not cost much at the drug store, but is sufficient to demonstrate to anyone its cleansing sweetening and freshening effect upon the system.
